

VOLUME I, CHAPTER 2. ADMINISTRATIVE HEARING BOARDS

2. ADMINISTRATIVE HEARING BOARDS

(December 2005)

I. POLICY

In accordance with due process generally, and the Law Enforcement Officers Bill of Rights specifically, unless a sworn employee is convicted of a felony in a court of law, it is the policy of the Department to provide every sworn non-probationary employee accused of misconduct a hearing so that the employee may respond to the allegations and present their perspective. Probationary sworn employees are only provided hearings when the allegation(s) involves use of force.

II. CHECKLIST (N/A)

III. DEFINITIONS

Administrative Hearing Board (AHB): An administrative body that conducts hearings concerning charges that have been sustained against sworn employees, determines findings of fact, and makes recommendations of discipline to the Chief of Police.

IV. FORMS

- Report of Investigation (PGC Form #67M)

V. PROCEDURES

Administrative Hearing Boards (AHBs) are quasi-judicial proceedings, and shall be conducted according to guidelines published by the Maryland Chiefs of Police Association, Inc., in an atmosphere affording a degree of formality. They are open to the public. The chairman of the AHB shall exclude disruptive persons from attendance.

The rules of evidence used by the Courts need not be strictly followed. Hearsay evidence may be introduced for its probative value.

Any decision, order, or action taken as a result of the hearing shall be in writing and accompanied by findings of fact, which shall consist of a concise statement regarding each issue in the case. AHB findings and recommendations shall be forwarded to the Director, OPR who shall forward them to the Chief of Police for review.

A copy of the Chief's determination, accompanying findings, and conclusions, with recommendations for action, shall be delivered or mailed promptly to the respondent or their representative.

1. Respondent Privileges

The respondent's appearance before an AHB is optional. The respondent officer shall be notified in writing of the AHB and the charges to be presented no less than 30 days prior to the hearing.

VOLUME I, CHAPTER 2. ADMINISTRATIVE HEARING BOARDS

Within three working days of service, the respondent shall advise the Director, IAD, whether they wish to appear before the AHB in their defense. If they do not wish to appear, they must sign and forward a waiver to the Director, IAD.

The respondent has the right to be represented by an individual of their choosing. The respondent, or the representative, may call defense witnesses and cross-examine prosecution witnesses.

A respondent may request to waive their right to an AHB and be disciplined by the Chief of Police directly. Approval of the waiver is at the discretion of the Chief who may mandate an AHB, even if the respondent chooses not to attend.

2. Appearance at Boards

Notice to appear before an AHB is a direct order. Failure to appear is insubordination.

Upon appearance, any employee who disobeys a direct order to testify specifically, directly, and narrowly to the facts at issue before the AHB may be suspended and charged with insubordination.

Witness Fees

Police or civilian witnesses summoned for the prosecution or defense fall within the purview of the LEOBR.

Witness fees, mileage, and expenses incurred to secure the attendance of witnesses or their testimony shall be itemized and paid by the Department according to the criteria used by the Circuit Court.

Commanders/Directors may require that a copy of the summons be attached to the Compensation Request Form.

Applications for witness fees are available through the Fiscal Affairs Division (FAD) and must be validated by the AHB Chairman.

Continuances

Requests for continuances must be made in writing to the Director, IAD, no less than 72 hours prior to the hearing.

Emergency requests shall be honored without regard to this provision.

3. Weapons

Respondents shall not possess weapons during administrative proceedings.

The chairman of the AHB is responsible for security of the proceedings.

VOLUME I, CHAPTER 2. ADMINISTRATIVE HEARING BOARDS

4. **IAD Responsibilities**

(Internal Affairs Division SOP)

The Director, IAD, will designate an AHB Coordinator who shall:

- ❑ Serve as the point of contact for all parties to the proceeding
- ❑ Oversee the decorum of the AHB
- ❑ Effect witness's appearance
- ❑ Notify the parties as appropriate
- ❑ Coordinate the collection and dissemination of documents
- ❑ Monitor the selection of the board member of equal rank

5. **AHB Coordinator**

The AHB Coordinator shall report to the Director, IAD, and is responsible for coordinating AHBs.

The coordinator shall:

- ❑ Prepare and disseminate necessary documents to facilitate the AHB process
- ❑ Coordinate the scheduling of pre-trial conferences and hearings to ensure necessary accommodations, equipment and personnel are available
- ❑ Act as the Departmental liaison and assist during the hearing process
- ❑ Monitor cases with sustained findings through final disposition
- ❑ Provide timely updates to the Director, IAD, regarding status of sustained cases in the hearing board process

6. **Duties of the AHB Chair**

The Chair presides over the AHB and is responsible for ruling on procedural questions and objections raised by either party, as well as determining the acceptability or relevance of evidence presented. The Chair shall notify the Chief of Police, in writing, of the Board's findings, recommendations, and vote.

7. **Duties of Board Members**

All board members shall participate in deliberations to determine a verdict and recommendation. Majority opinion shall prevail.

8. **One-Member Board**

When a respondent officer rejects summary punishment, a one-member AHB shall be convened.

The hearing officer shall be selected by the Chief of Police, and hold the rank of Captain or above. In every instance, the AHB Officer shall be at least one rank higher than the respondent.

The AHB shall be bound by the range of disciplinary actions authorized for summary punishment by the LEOBR for each charge.

9. Three-Member Board

The Chief may convene a three-member AHB comprised of officers who did not participate in the incident or the subsequent investigation that lead to the hearing board.

At least one AHB member shall be of equal rank and assignment as the respondent, unless impractical. The second member shall usually be a Captain. The third member is the Chair, a Major or above, who has completed the disciplinary training seminar.

The Chief of Police, or his designee, chooses the Chair and the Captain. The respondent chooses the officer of equal rank by lottery. The respondent randomly selects two names:

- A primary officer of equal rank
- An alternate officer of equal rank

The respondent, or representative, and the Director, OPR may strike one name from the officer of equal rank list for any reason. The respondent, or representative, and the Director, OPR may strike additional selections for just cause. Explanations shall be provided to the AHB Coordinator who shall document the reason(s) and then approve or deny the strike.

IAD maintains a list of positions ineligible to serve as AHB members. The list is available to any officer upon request.

Order of Presentation of Evidence

- Presentation of prosecution's case
- Cross-examination by defense
- Examination by AHB members
- Presentation of defense's case
- Cross-examination by prosecution
- Examination by AHB members
- Summation by prosecution
- Summation by defense
- Final rebuttal by prosecution

Deliberation by the Board

Deliberation leading to a finding of fact by the Board shall be done in a closed session and shall not be a matter of record.

Degree of Proof

The standard of proof when determining guilt or exoneration shall be a preponderance of the evidence.

A preponderance of evidence is the belief that it is more likely than not that the event occurred. Expressed numerically, the preponderance of evidence would be 51% on a scale of 1-100. In

VOLUME I, CHAPTER 2. ADMINISTRATIVE HEARING BOARDS

determining the preponderance of evidence, it must be weighed against the character of the witnesses, the nature of the evidence, and the probabilities of its truth when tested by the experience of an average individual.

Violations of administrative regulations are by no means the same as violations of criminal law, which may lead to the loss of life or liberty. The serious nature of the penalty for criminal violations requires proof beyond a reasonable doubt. Violations of administrative regulations can result, at most, in termination of employment. Due to the lesser nature of the potential consequences, the standard for conviction in an AHB is the preponderance of evidence.

Board Recommendations to the Chief of Police

The Chief of Police is not bound by the disciplinary action recommendations provided by the AHB.

Within 30 days of receipt of the recommendations, the Chief of Police shall review the findings, conclusions, and recommendations and issue a final order. The final order is binding but may be appealed to the Circuit Court.

When considering whether to increase the recommended disciplinary action, the Chief of Police shall:

- ❑ Review the entire record of the AHB proceedings
- ❑ Meet with, and allow, the respondent to be heard on the record
- ❑ Disclose and provide to the respondent, in writing, any information not included in the AHB record upon which the decision to increase the penalty is based in whole or in part, at least 10 days prior to the meeting
- ❑ State on the record the evidence relied upon to support the increase of the recommended penalty

Notwithstanding any other provisions of this section, if the Chief of Police is a witness to the incident that led to the AHB, the decision of the AHB, both as to finding of fact and punishment, if any, is final. That decision may then be appealed in accordance with the LEOBR.

Recommendation for Termination

If the AHB recommends that the respondent's employment be terminated, the respondent's police powers shall be suspended and the respondent shall be placed on administrative leave. An OPR officer shall recover all equipment listed on the Suspension Property Checklist from the respondent.

Department-wide notification regarding the respondent's suspension shall be made under the authority of the Director, OPR.

All letters of termination shall be prepared and served by the OPR at the direction of the Chief of Police.

Appeal to the Circuit Court

If the respondent wishes to appeal the Chief's decision to the Circuit Court, the Director, IAD, shall be notified within 30 days. The respondent must comply with court rules to effectuate an appeal.

10. File Expungement

(Records Management Handbook)

If an officer has been investigated or interrogated by the Department for any reason that could have resulted in disciplinary action, the LEOBR permits that officer, upon written request, to have any record of a formal complaint expunged from any file provided that:

- The law enforcement agency investigating the complaint has exonerated, non sustained, or unfounded all of the charges in the complaint, or
- An AHB renders an acquittal, a dismissal, or a finding of not guilty in the matter, and
- Three years have passed since the law enforcement agency's findings

Expungement requests shall be forwarded to the Director, OPR, who shall notify the:

- Chief of Police
- Citizen Complaint Oversight Panel
- Director, Records Section
- Human Relations Commission

If expungement is approved, all reports shall be forwarded to the Director, IAD. The file and the Report of Investigation shall be destroyed by shredding or burning. The Director, IAD, shall certify the destruction.

If approved, the expungement and destruction of IAD records will occur approximately six months after the three years have passed.

An investigative record of a complaint shall not be expunged if civil litigation is pending.

For cases involving multiple respondents or multiple charges, a file shall not be destroyed if it contains any sustained findings. All information pertaining to employees whose charges were exonerated, non sustained, or unfounded shall be deleted from the file.

11. Infractions - Category I Through III

The respondent shall be informed, in writing, of the:

- Specific charges
- Proposed disciplinary action
- Appeal procedures
- Scheduled AHB, if appropriate

VOLUME I, CHAPTER 2. ADMINISTRATIVE HEARING BOARDS

The employee may accept the proposed disciplinary action or have the case heard by the AHB.

Within 10 working days of service, the respondent shall notify the investigator whether they wish to accept summary punishment or request that the case be heard by an AHB. The respondent shall also advise whether they want to appear at the hearing.

A respondent requesting a hearing must submit the request in writing. Upon receipt, the investigator shall forward the entire case through the chain of command to the Director, IAD.

12. Infraction - Category IV

All sustained Category IV violations should be heard by an AHB. The investigator shall inform the respondent, in writing, of the specific charges and recommended disciplinary action. The interpretation of the facts may be shared with the respondent.

A pretrial conference between the prosecution and defense will be held in order to determine the date and time of the AHB and to discuss discovery issues.

OPR will prepare all documents in reference to the pending AHB and will notify the respondent, in writing, of the hearing date.

VOLUME I, CHAPTER 4.COMPLAINTS

4. COMPLAINTS (December 2005)

I. POLICY

To deliver effective law enforcement services, a relationship of mutual trust and confidence must exist between the Prince George's County Police Department and the community. Actions of Departmental employees that conflict with the mission of the Department can erode this trust and have a negative impact on the Department's standing in the community. The review or investigation of all public complaints of employee misconduct is vital to maintaining the relationship between the Department and the community.

The Department recognizes its obligation to inform the public about its complaint filing procedures and acknowledges each individual's right to file a complaint against an employee.

It is the policy of the Prince George's County Police Department to accept all complaints of employee misconduct at all levels of the Department, determine the validity of the allegation(s), investigate complaints in a fair and impartial manner, and to impose disciplinary action, if necessary, in a uniform and timely fashion.

The Complaint Procedures Checklist provides a standard method for responding to complaints in accordance with County law and Departmental procedures by eliciting information required for

VOLUME I, CHAPTER 4.COMPLAINTS

effective supervisory follow-up. Copies of the completed form shall be forwarded through the chain of command to the Office of the Chief of Police.

Complaints, other than use of force, may be initiated in person either verbally or in writing, by telephone or TDD, facsimile, e-mail, or United States mail.

If the individual wishes to remain anonymous, the employee shall obtain as much information as possible and summarize it on the Complaint Procedures Checklist. The employee shall then forward the checklist via the chain of command to the Commander/Director of the involved employee. If the identity of the involved employee is unknown, the employee receiving the complaint shall forward the checklist via the chain of command to their Commander/Director.

An employee who first receives a completed Complaint Against Police Practices Form shall indicate the following in the spaces provided at the bottom:

- Whether received by mail or in person
- Receiving employee's name and ID number

If the complaint is not on the Complaint Against Police Practices form, the employee shall note the information on the document received. Written complaints not submitted on the County form shall be handled as if received on the County form. The employee will then forward the complaint to their Commander/Director.

Upon receipt of a written complaint, Commanders/Directors shall forward all copies via the chain of command through the Office of the Chief to the Director, OPR.

3. Receiving External Complaints in Person

When an individual requests a complaint form, the employee receiving the request shall provide the individual with a Complaint Against Police Practices Form, or ensure that one is mailed to the individual's address.

The desk officer at each District Station shall receive all complaints, including those made by a third party. If a desk officer is not available, a supervisor shall respond to the station to receive the complaint.

Whenever an individual attempts to file a complaint, the desk officer shall:

VOLUME I, CHAPTER 4.COMPLAINTS

Employees may include written comments describing the complainant's demeanor and physical appearance on the bottom of the Complaint Procedures, but may not include opinions regarding the complainant's mental competency or veracity.

If an individual requests to speak to a supervisor regarding a complaint, the desk officer shall request that one respond to the station immediately. The desk officer will complete Sections A, E, and F of the Complaint Procedures Checklist and provide it to the responding supervisor. The supervisor shall speak with the complainant and attempt to resolve the matter.

If the supervisor resolves the matter, they shall document their actions in Section G of the Complaint Procedures Checklist and forward it via the chain of command through the Office of the Chief to the Director, OPR.

If the supervisor is unable to resolve the matter, they shall provide the individual with a Complaint Against Police Practices Form. All supervisory employees shall have a supply of the forms in their vehicles.

Once the complaint is received in writing, the supervisor will follow the procedures detailed in section **2. Receiving External Complaints in Writing**, in this chapter.

Commanders/Directors receiving verbal complaints at their Districts/Divisions shall evaluate the allegation(s), in consultation with their Bureau Chief and in consideration of the provisions of this General Order, to determine if the complaint should be investigated.

4. Complaints of Criminal Misconduct

All complaints alleging criminal misconduct shall be investigated by OPR. Employees receiving complaints alleging criminal misconduct shall immediately arrange for the individual to speak with a commissioned officer. If a commissioned officer is not available, a supervisor shall be contacted.

The interviewing commissioned officer/supervisor shall immediately contact OPR, document the allegations and their actions on a confidential CIR, and forward it to OPR. The commissioned officer/supervisor shall not copy the CIR for distribution.

5. Complaints Regarding Use of Force

Use of force complaints must be made in writing, notarized, and filed within 90 days of the alleged brutality, consistent with the requirements of the LEOBR.

An OPR employee shall be available 24 hours a day to notarize complaints. The on-call OPR employee may be contacted via Public Safety Communications. All OPR personnel should hold valid commissions through the State of Maryland as Public Notaries.

VOLUME I, CHAPTER 4.COMPLAINTS

Psychological Services Critique of Complaints Regarding Use of Force (Psychological Services SOP)

Psychological Services Division (PSD) personnel shall conduct use of force complaint critiques to assist officers in coping with the incident and the internal investigation, as well as increasing awareness as to why or how incidents may occur.

When IAD notifies an officer's Commander/Director that the officer is a respondent in a use of force investigation, they shall ensure that the officer contacts the PSD within 72 hours to arrange an appointment for a critique of the incident.

This critique is confidential. Information obtained during the critique shall not be accessible to OPR personnel, nor shall it be used for disciplinary reasons.

6. Internal Complaints

Any employee who becomes aware of unlawful conduct or a violation of written directives shall report it to the involved employee's Commander/Director. In confidential matters, reports may be made directly to the Director, IAD.

7. Complaint Assignment

Use of force, abusive language, harassment, and criminal misconduct complaints must be investigated by OPR; they may also investigate other types of complaints. Complaints not investigated by OPR are handled at the lowest appropriate level of supervision.

If the Commander/Director determines that the complaint should be investigated as a field case, they shall request an investigation via the Request for Case Numbers Form, which shall be forwarded to IAD by the next working day.

The Director, IAD will screen all complaints and requests for case numbers received to determine investigative responsibility. Less serious allegations will usually be referred to the respondent's Commander/Director as a field investigation along with the original complaint form. A copy of the complaint will be maintained at the IAD.

All allegations shall be thoroughly investigated before any disciplinary action is taken.

8. Notification to Employee

Director, IAD shall send a written notice to the employee informing them that a complaint has been received and that an investigation has been initiated. The notice shall include the date, time, and place of the alleged misconduct, a brief description of the allegations, and the employee's rights and responsibilities relative to the investigation.

VOLUME I, CHAPTER 4.COMPLAINTS

9. Retaliatory Acts Against Complainants Prohibited

The Department will not tolerate any retaliatory acts against complainants or witnesses. Once a formal complaint is filed against an officer, the officer shall have no contact with the complainant or witnesses, nor will the officer cause anyone else to initiate contact on their behalf. Exceptions to this directive shall only be granted by the Director, OPR.

The same standards of conduct shall apply when officers are witnesses or complainants.

To protect officers from claims of harassment or additional misconduct if unintentional contact occurs, the officer shall request that a supervisor respond to the scene of the contact before any type of enforcement action is taken.

The supervisor shall assess the situation, inform the individual of the Department's intentions, and witness any enforcement action. The supervisor shall document the contact and forward a CIR through the chain of command to the Director, OPR.

Nothing in this section prohibits officers from protecting themselves or others, or making an arrest under exigent circumstances.

10. Bias-Based Profiling

Bias-based profiling undermines the cooperative trust between citizens and police necessary for effective law enforcement.

Profiling alienates citizens, fosters distrust of law enforcement by the community, and may lead to civil rights violations.

The Department does not condone profiling by employees, and specifically prohibits any policy, procedure, or practice that constitutes profiling any group for the purpose of enforcement or investigation.

Officers are prohibited from using bias-based profiling as reason for:

- Stopping a vehicle
- Issuing a citation
- Making an arrest
- Conducting a field interview
- Seizing assets or seeking asset forfeiture
- Conducting a search

All investigatory detentions, searches, arrests, traffic stops and seizures shall be based on the standard of reasonable suspicion or probable cause required by the Fourth Amendment to the U.S. Constitution and applicable Maryland statutes.

Officers shall treat all citizens with respect and courtesy. Officers are prohibited from using language, gestures and displaying symbols that are commonly viewed as biased against any group.

VOLUME I, CHAPTER 4.COMPLAINTS

Training

The Community Policing Institute (CPI) shall conduct annual training based on a review of the Department's policies, cultural diversity, and ethics. CPI shall also coordinate re-training on profiling for any unit or officer when requested by the Chief of Police.

Reporting Allegations of Profiling

The Director, OPR, shall submit a monthly report to the Chief of Police that summarizes all complaints of profiling against Departmental employees received by that office.

In addition, the Director, OPR, shall conduct an annual analysis of complaints and investigations, and submit a report to the Chief of Police.

Awards Committee

The Chief of Police shall appoint Departmental employees to the Awards Committee for staggered terms of one year. The Special Projects Coordinator shall be responsible for coordinating the activities of the Awards Committee. The employee will present the facts of the nomination, provide necessary documentation to support the nomination, and answer any questions that the committee may have regarding the nomination. The committee will ensure that the Special Projects Coordinator is given the names of the award recipients no later than forty days prior to the awards ceremony date.

The Awards Committee Chair shall ensure that any nomination not selected be reviewed by the committee for re-submission pending further information or re-classification for other award consideration. Any nomination returned for recognition by Letter of Commendation shall include the Letter of Commendation from the Awards Committee Chair.

The Awards Committee shall cause documentation to be placed in the personnel file of any employee issued an award by the committee or Chief of Police directly.

Computation of Benefits

Eight hours of leave will be credited for each awarded day of leave, regardless of the employee's regular work schedule. The Chief of Police has discretion and authority to modify cash and leave awards in accordance with Administrative Procedure #216.

Multiple Awards

VOLUME I, CHAPTER 9. DEPARTMENTAL AWARDS

Officers may receive multiple awards for actions arising from one incident. For example, an officer who was injured while performing a valorous act during an incident in which his or her unit distinguished itself might be awarded an Injury Citation, a Valor Award, and a Unit Citation.

No employee may receive more than five days of annual leave and \$1,500 cash as a result of multiple agency awards during any calendar year, exclusive of a Dedicated Attendance Award.

Special Projects Coordinator's Duties

The Special Projects Coordinator shall:

- ❑ Serve as the Awards Coordinator for the Department
- ❑ Administer the Departmental Awards Program
- ❑ Schedule, prepare, and host Awards Committee meetings
- ❑ Coordinate all aspects of Quarterly Awards Ceremonies and ensure that certificates, medals, and other accoutrements are available, as necessary
- ❑ Keep accurate files regarding Departmental honors and awards that are bestowed

Dates for quarterly awards ceremonies shall be selected in January of each year. These dates will be confirmed with the Office of the Chief. Invitation letters for each ceremony will be presented for the Chief of Police's signature no later than thirty days prior to the ceremony.

A memorandum shall be sent to the recipient's duty assignment advising the Commander that the recipient should be placed on administrative leave or have their schedule adjusted to allow attendance at the ceremony. Commanders are responsible for ensuring that their employees receive their invitation and acknowledge it with an RSVP.

Draft award certificates shall be presented to the Chief of Police for review no later than ten days prior to the ceremony. Final certificates shall be presented for the Chief of Police's signature no later than five days prior to the ceremony. A completed briefing package shall also be presented at this time.

2. Display of Departmental Awards

Generally, ribbons and/or medals are displayed on the dress blouse. Ribbons may be displayed on the gray or white uniform shirts. Award ribbons are not authorized for display on any other uniform or civilian garment.

Award Ribbons

Ribbons displayed on the blouse shall be positioned immediately above the left pocket. Valor medals may be worn in place of the award ribbon only on the dress uniform.

Ribbons displayed on gray or white uniform shirts shall be positioned immediately above the left pocket below the badge. The badge may be adjusted upward to provide a ¼" clearance above the top ribbon row.

A maximum of three ribbons shall be displayed on any one row. If additional rows are needed, the lower rows shall have three ribbons, with only the uppermost row having less than three.

Order of Precedence

The seriousness of the injury or illness must be verified and appropriate medical documentation attached to the nomination form.

VOLUME I, CHAPTER 9. DEPARTMENTAL AWARDS

This award is recognized by the issuance of a solid purple award ribbon and appropriate certificate.

Injury by Firearm

An officer who is shot by a firearm as a result of taking police action is automatically eligible for an Injury Citation. In these cases, the degree of injury is not a factor in deciding Injury Citation eligibility.

Memorial Medal

The Memorial Medal is awarded posthumously to officers whose death resulted from the performance of their duties. Qualifying causes of death include, but are not limited to:

- Accidents
- Disease sustained during the performance of duty
- Heart attacks

The Chief of Police, as appropriate, shall decide the manner of presentation.

5. Police Officer of the Year

The Police Officer of the Year is selected from among that year's recipients of Medals of Valor. In any year during which no Medals of Valor are awarded, the selection may be made from among sworn officers who received Chief's Awards or Merit Awards.

This award is recognized by the issuance of a solid red award ribbon and appropriate certificate at the Annual Police/Fire Awards Luncheon, and the granting of three days annual leave to be used within 60 days of the award.

6. Civilian Employee of the Year

The Civilian Employee of the Year is selected from among those non-sworn employees nominated for Civilian Employee of the Year between December 1 and January 15 or for lesser awards during the calendar year. The award may be bestowed either on the basis of overall quality of service during the year or for a single extraordinary act or contribution.

Non-sworn employees shall be eligible for this award regardless of grade, assignment, or union affiliation. The recipient of this award may be the same individual who receives the PCEA Civilian Employee of the Year Award.

This award is recognized by the presentation of a certificate by the Chief of Police at an appropriate ceremony, and the granting of three days annual leave to be used within 60 days of the award.

7. Chief's Special Achievement Award

VOLUME I, CHAPTER 9. DEPARTMENTAL AWARDS

This award is given to one employee each year in recognition of particularly outstanding and significant contributions to the Department or the public. The Chief of Police personally selects the recipient.

For sworn officers, this award is recognized by the issuance of a solid blue award ribbon and appropriate certificate and will be presented at the Chief's Quarterly Awards Ceremony. Non-sworn recipients receive the certificate only. Additionally, recipients are granted three days annual leave to be used within 60 days of the award.

8. Chief's Award

The Chief's Award is given for outstanding meritorious achievement reflecting well on the recipient or the Department. It is associated with administrative career development, general public service, or community relations achievements rather than with patrol or investigative performance.

For sworn officers, this award is recognized by issuance of a solid green award ribbon and the presentation of an appropriate certificate by the Chief of Police. The Chief of Police shall present civilian employees and private citizens with an appropriate certificate.

Normally, private citizens shall be issued an Outstanding Citizenship Award for their accomplishments and contributions. However, in particularly deserving cases, the Chief of Police may confer a Chief's Award in place of the usual award.

When a Chief's Award is presented to an employee in recognition of a suggestion resulting in measurable monetary savings or improved operational efficiency, a one-time payment of up to \$1,000 may also be awarded at the Chief of Police's discretion. Such awards shall be classified as a "Creativity Award" in Section I of the nomination form, rather than an "Honorary Award" as is the case for other Chief's Awards.

9. Award of Merit

The Award of Merit is awarded to employees who demonstrate an unusually high level of expertise, initiative, resourcefulness, or dedication in the solution of a crime, apprehension of an offender, attempt to save a human life, or delivery of another important operations-oriented police service. The employee's performance must go beyond what is normally expected or required by rules and procedures, and shall relate to a specific, identifiable case or situation, rather than long-term general quality of service.

For sworn officers, this award is recognized by the issuance of a solid white award ribbon and presentation of an appropriate certificate by the Chief of Police. Non-sworn employees receive an appropriate certificate from the Chief of Police.

10. Special Achievement Citation

11. Unit Citation

The Unit Citation may be issued to a squad, section, or other authorized functional group for recognition of exceptional or outstanding actions related to an operations-oriented event. The nomination shall specify what each nominee did to contribute to the accomplishment. Unit members who did not participate in or contribute to the accomplishment shall not be included in the award.

An award ribbon (yellow with three vertical blue stripes) and an appropriate certificate shall be presented to each sworn employee receiving the award. Non-sworn employees shall receive only the certificate.

The University of Maryland Citation is issued to officers who have participated in special events at the University of Maryland, College Park. The issued ribbon (yellow and black with red and white vertical stripes at both ends) shall be worn after the Unit Citation.

12. District/Division Commander's Award

The District/Division commander's Award is awarded by the District/Division commander to employees or squads, sections or other authorized functional groups for recognition of exceptional police work. The task may be operations-oriented or involve an extraordinary administrative or public accomplishment.

This award is classified as a "Special Achievement Award" in Section 1 of the nomination form. Completed nomination forms shall be submitted through the chain of command to the Special Projects Coordinator. The Awards Committee shall not review the nomination.

The District/Division Award will be presented during a ceremony or at a venue of the Commander's choosing. This award will not be presented during the Chief's Quarterly Awards Ceremony. An award ribbon (gray with a vertical black strip at each end) and an appropriate certificate shall be presented to each sworn employee receiving the award. Non-sworn employees shall only receive the certificate.

13. Good Conduct Award

To be eligible for this award, an employee must have:

- Received an overall rating of "Exceeds Satisfactory" or higher in the past two consecutive annual performance appraisals
- Not received any sustained disciplinary actions, including preventable Departmental accidents, within the past 24 months from the date of the PPA

VOLUME I, CHAPTER 9. DEPARTMENTAL AWARDS

An employee may petition for a Good Conduct Award by submitting a memorandum to their supervisor. It is the employee's responsibility to initiate the process.

The supervisor shall confirm the employee's eligibility by:

- Reviewing the employee's PPAs for the preceding two years
- Contacting the Internal Affairs Division (IAD)

Inquiries to IAD shall not be made more than thirty days prior to the employee's anniversary date. Supervisors may be required to email or submit a written request to IAD to confirm an employee's eligibility. IAD will respond to the supervisor via email or memorandum.

Once the employee's eligibility is confirmed, the supervisor shall complete an Award Nomination Form. This award is classified as a "Special Achievement Award" in Section I of the nomination form. Copies of the employee's applicable PPAs and the written approval from IAD shall be attached to the form. Completed nomination forms shall be submitted through the chain of command to the Special Projects Coordinator. The Awards Committee shall not review the nomination.

This award may be bestowed annually. The award does not replace the Outstanding Performance Award and may be granted concurrently.

All recipients (sworn and non-sworn) shall receive an appropriate certificate and the granting of two days of annual leave to be used within 60 days of the award.

In addition to the above, sworn recipients shall receive an award ribbon (blue with one white vertical stripe at each end) and non-sworn recipients shall receive an appropriate memento.

□ Silver or Bronze Star

The honors may have been bestowed before or during an officer's tenure with PGPD.

Officers who have received non-Departmental honors may submit an Award Nomination Form on their own behalf, requesting issuance of the award ribbon. The nomination shall fully explain the reasons for the honor and all available corroborating documentation shall be attached. The Awards Committee shall determine whether the honor merits the issuance of a Departmental ribbon.

Award ribbons issued by other police agencies, the military, or civilian organizations are not authorized for display upon Departmental uniforms.

15. Departmental Service Award

To commemorate years of service, the Departmental Service Award has been established. This award recognizes years of service to the Prince George's County Police Department in multiples of five.

Upon completion of five years of service to the Department, sworn employees may display the Departmental Service Award ribbon (gold with a vertical black stripe at each end, with a brass "5" affixed in the center). Upon completion of another five years of service, the brass "5" shall be replaced with a brass "10." Subsequent five year periods of service shall be denoted by a brass "15," "20," "25," etc., as appropriate.

Military service and service with other agencies shall not count toward years of service for this ribbon.

Officers may obtain service-related ribbons and brass numbers directly from the Clothing and Supply Unit. An Award Nomination Form need not be completed in this instance.

16. Military Service Award

This award recognizes the efforts of sworn and civilian members of the Prince George's County Police Department who are serving or have served in the U.S. military, both here and abroad.

To be eligible for this award, employees must be currently enlisted in the military or have been honorably discharged. Employees must provide a copy of their DD-214 and other supporting documents. It is the employee's responsibility to initiate this process.

Employees who served in combat will have a combat designation on their award. In order for officers to receive the combat designation, they must meet the eligibility requirements set forth by The American Legion.

Supervisors shall confirm an employee's eligibility and complete an Award Nomination Form, attaching the required documentation. This award is classified as an "Honorary Award" in Section I of the nomination form. Completed forms shall be forwarded through the chain of command to the Special Projects Coordinator. The Awards Committee shall not review the nomination.

VOLUME I, CHAPTER 9. DEPARTMENTAL AWARDS

17. Employee of the Month

The Awards Committee shall select one sworn employee and one civilian employee as “Employee of the Month” at each of its meetings. Recipients shall be chosen from the nomination forms received each month. Employees may be nominated specifically for this award or be selected from other award nominees.

This award is recognized by the presentation of an appropriate certificate by the Chief of Police and the granting of one day of annual leave to be used within 60 days of the award.

18. Dedicated Attendance Award

An employee who has not used sick leave during a consecutive 12-month period may petition for a Dedicated Attendance Award by submitting an appropriate memorandum to their supervisor. It is the employee’s responsibility to initiate the process within 30 days of the 12-month period’s conclusion.

The supervisor shall confirm the employee’s eligibility and complete an Award Nomination Form attaching the required documentation. Completed nomination forms shall be submitted through the chain of command to the Special Projects Coordinator. The Awards Committee shall not review the nomination.

This award is recognized by the issuance of an appropriate certificate. The Chief of Police or his designee shall make presentations in a ceremony befitting the award.

21. Certificates of Appreciation

Commanders/Directors may confer Certificates of Appreciation upon employees in recognition of commendable performance in cases where other Departmental awards are not bestowed. In such cases, a nomination form shall not be submitted, as action by the Awards Committee shall not occur.

Awards

Awards shall be bestowed quarterly, and shall be presented on January 15th, April 15th, July 15th, and October 15th each year. Information regarding the quarterly winners shall be disseminated to the Department via email by Patrol Services. The Public Affairs Office (PAO) shall be responsible for disseminating the information to the public.

Each District will be encouraged to publicly display their guidon in their lobby or roll call room. - To signal police presence
- To direct movement of persons, animals, or vehicles
- To provide supplemental lighting

- While operating priority in response to an emergency or in pursuit of a violator/suspected violator

In these circumstances, employees are permitted to activate emergency lights, spotlights, hazard flashers, sirens, the public address system, or a combination of the above in accordance with the provisions established in the General Order Manual and the Maryland Traffic Law.

When handling incident scenes, employees may use hazard flashers alone or emergency lights flashing only to the rear if the safety of the employee or the public would not be jeopardized. This may be done to prevent rubbernecking by motorists or the drawing of a crowd.

When Commanders/Directors receive a red light camera citation from the Office of Central Services, they shall forward it to the employee's supervisor for investigation.

If a Commander/Director determines that the violation was a result of a failure to obey a traffic control device, the employee shall have the option of paying the fine or contesting the matter in court. The Commander/Director shall impose appropriate disciplinary action. A first offense is treated as a Category 1 violation.

If the Commander/Director determines that the violation occurred during the proper use of police authority, he or she shall forward a memorandum containing facts that support his or her conclusion, along with a copy of the citation, through the chain of command to the Office of the Chief. The Office of the Chief shall notify the issuing jurisdiction that the citation should be voided.

Central Vehicle Fleet Maintenance personnel will contact Police Fleet Management when any violation regarding vehicle equipment is observed.

Non-employees may ride with off-duty employees. The County Risk Management Program insures them. Employees are responsible for the proper appearance and conduct of passengers.

14. EMPLOYEE EARLY IDENTIFICATION SYSTEM (EIS)

(May 2006)

I. POLICY

Police employees experience high levels of job stress that may have a negative effect on job performance. Employees experiencing high stress or distress may exhibit high accident rates, prolonged tension, low morale, and general irritability. These traits sometimes lead to less than optimal employee conduct toward their peers and the public. When multiple employees experience unhealthy levels of job stress, the collective result may be detrimental to the employee as well as the Department's ability to deliver high-quality police service to the community.

The purpose of the Early Identification System is to provide a systemic review of significant events such as complaints, use of force incidents, shootings, transfers, Departmental accidents, etc., involving Department employees. It is a time-sensitive system, designed to effectively organize employee data in a format conducive to prompt identification of early indicators of employee stress. The data is provided to Commanders and Supervisors in a timely manner in order that evaluation and appropriate action may be taken to intervene, as necessary. This system will generate monthly and quarterly reports outlining employees' complaints and use of force incidents.

The Early Identification System is an integral part of the Department's police-community relations strategy. It benefits employees by helping them to recognize their own stress levels before they get out of hand; it benefits Supervisors by providing them with timely and accurate management information; and it benefits the public by minimizing the number of police employees who may be at risk for future disciplinary actions.

II. CHECKLIST (N/A)

III. DEFINITIONS (N/A)

IV. FORMS (N/A)

V. PROCEDURES

1. Early Identification System Monthly Reports

The first part of the Early Identification System that provides an affirmative alert or flag of a potential employee stress problem is the monthly report. Designed strictly to highlight tendencies that may otherwise be overlooked with regard to complaints or allegations and use of force incidents, the monthly report alerts Commanders and Supervisors to take notice. The monthly report lists officers who have been the subject of two or more complaints or use of force incidents and/or a combination of one complaint and one use of force incident during a 60-day period. For each incident or complaint, it lists the following:

- Officer's name and identification number
- Name of each complainant

VOLUME I, CHAPTER 14. EMPLOYEE EARLY IDENTIFICATION SYSTEM (EIS)

- ❑ Date and brief description of each complaint
- ❑ Extent of injuries in each incident

The monthly report is distributed to the Commander of the Departmental entity where the concerned officer is assigned. Although not used as flagging devices, information such as recent transfers, Departmental accidents, and inquiries will be contained in reports provided to the affected Commanders.

The monthly report requires that the District/Division Commanders, Section/Shift Commanders, and the employees' immediate Supervisors shall personally meet with the subject employees. The Commanders and the Supervisors shall review each complaint and use of force incident in detail, and consider them collectively in relation to any other factors they may be aware of involving the subject officers. The employees required to be present for the interview are the employee, their immediate Supervisor, Lieutenant, Captain, and the District/Division Commander. Factors such as excessive absenteeism, recent arguments with coworkers, or recent accidents, in conjunction with above-average complaints and use of force incidents, may be indicative of an abnormal stress reaction.

The employee identified in a quarterly report will be required to attend a formal interview with their Commanders. The employee will be advised that they were listed on the Early Identification System report and the purpose of the interview.

If in the Commander's assessment, the subject employee is exhibiting stress-related behavior, there are several options or courses of action that may be initiated. The actions, which are based on the nature and severity of the problem(s), include the following:

- ❑ No specific monitoring
- ❑ Initiate informal counseling and informal monitoring of the employee's performance by their Supervisor
- ❑ Initiate formal counseling or corrective action, as appropriate
- ❑ Initiate formal monitoring for 24 weeks with monthly formal review and reporting
- ❑ Refer the employee to the Community Policing Institute for additional training
- ❑ Voluntarily refer the employee, or order them to contact the Department's Psychological Services Division for counseling or referral assistance
- ❑ Change the employee's duty status, for example, temporary light duty, administrative assignment, relief of duty, etc.
- ❑ Reassignment

Regardless of which form of intervention is taken, Commanders must respond back to the Chief of Police in writing, indicating the date and time of the interview, as well as the participants and results. Commanders will include their assessment and any intervention action taken. If no intervention is taken, the Commander must articulate specific reasons for not taking action.

After a close review of the complaints, use of force incidents, and related factors, Commanders may find that the above average number of complaints and uses of force do not indicate abusive

VOLUME I, CHAPTER 14. EMPLOYEE EARLY IDENTIFICATION SYSTEM (EIS)

behavior by the employees. In such cases, Commanders may have the employees' Supervisors informally monitor the employees' performance for a period of time and suggest that the employees be aware of their own performance in the spirit of prevention of potential behavior concerns.

2. Early Identification System Quarterly Reports

The quarterly report lists both complaints and use of force incidents. It lists all employees who have been involved in two or more complaints and/or a combination of three or more complaints and use of force incidents in a three-month period. For each complaint and use of force incident it lists:

- ❑ Employee's name and identification number
- ❑ Name of each complainant
- ❑ Date and brief description of each complaint
- ❑ Extent of injuries in each incident

The quarterly report has a standard cover page and separate pages attached for each employee identified. It is disseminated from the Commander, Internal Affairs Division to the Division Commander of each employee identified; however, each Commander only receives the attachments for the employee(s) in their command.

The quarterly report requires that the District/Division Commanders, Section/Shift Commanders, and the employees' immediate Supervisors shall personally meet with the subject employees. The Commanders and the Supervisors shall review each complaint and use of force incident in detail, and consider them collectively in relation to any other factors they may be aware of involving the subject employees. The employees required to be present for the interview are the employee, their immediate Supervisor, Lieutenant, Captain, and the District/Division Commander. Factors such as excessive absenteeism, recent arguments with coworkers, or recent accidents, in conjunction with a greater than average number of complaints and use of force incidents, may be indicative of an abnormal stress reaction.

The employee identified in a quarterly report will be required to attend a formal interview with their Commanders. The employee will be advised that they were listed on the Early Identification System report and the purpose of the interview.

If in the Commander's assessment, the subject employee is exhibiting stress-related behavior, there are several options or courses of action that may be initiated. The actions, which are based on the nature and severity of the problem(s), include the following:

- ❑ No specific monitoring
- ❑ Initiate informal counseling and informal monitoring of the employee's performance by their Supervisor
- ❑ Initiate formal counseling or corrective action, as appropriate
- ❑ Initiate formal monitoring for 24 weeks with monthly formal review and reporting

VOLUME I, CHAPTER 14. EMPLOYEE EARLY IDENTIFICATION SYSTEM (EIS)

- ❑ Refer the employee to the Community Policing Institute for additional training
- ❑ Voluntarily refer the employee, or order them to contact the Department's Psychological Services Division for counseling or referral assistance
- ❑ Change the employee's duty status, for example, temporary light duty, administrative assignment, relief of duty, etc.
- ❑ Reassignment

Regardless of which form of intervention is taken, Commanders must respond back to the Chief of Police in writing, indicating the date and time of the interview, as well as the participants and results. Commanders will include their assessment and any intervention action taken. If no intervention is taken, the Commander must articulate specific reasons for not taking action.

After a close review of the complaints, use of force incidents, and related factors, Commanders may find that the above average number of complaints and uses of force do not indicate abusive behavior by the employees. In such cases, Commanders may have the employees' Supervisors informally monitor the employees' performance for a period of time and suggest that the employees be aware of their own performance in the spirit of prevention of potential behavior concerns.

14(A). EMPLOYEE EVALUATION INFORMATION SYSTEM (EVALIS™)

(November 2008)

I. POLICY

The EVALIS™ system will ultimately replace the current EIS. EVALIS™ is a comprehensive personnel performance and evaluation information system for law enforcement agencies. This information can help minimize an agency's exposure to civil liability, identify situations where additional officer training is warranted, defend against the allegation of profiling, and track officer performance so that commendations can be swiftly awarded.

Analysis

The EVALIS™ System analyzes the evaluation data and provides the following:

- The number of incidents from each data category for each employee and for all employees assigned to any squad or unit
- Average level of activity in each data category for all employees assigned to the squad or unit
- Identification of patterns in each data category for each employee and for all employees in a unit

For each category of evaluation data, the EVALIS™ System contains the following information on each involved employee as appropriate:

- Name
- Identification number
- Squad or Unit assignment
- Immediate supervisor
- Individual(s) involved
- Race
- Ethnicity or national origin

2. Reporting & Pattern Identification

Reporting

The Supervisory Support Unit (SSU) shall generate EVALIS™ reports monthly. The report for the preceding month shall be completed by the 5th of the following month, and disseminated to the appropriate Deputy Chief for distribution via the chain of command to their respective Districts/Divisions.

Pattern Identification Reporting

The monthly report shall provide the total number of incidents by District or Division, as well as identify the following patterns:

- ❑ Employees who have met or exceeded the established threshold for a particular type of incident or a combination of incidents during the preceding month, quarter, or year
- ❑ Squads or units that have met or exceeded the established threshold for a particular type of incident or a combination of incidents during the preceding month, quarter, or year

Monthly Thresholds

- ❑ 2 or more complaints (general) or 2 or more Use of Force Reviews, or
- ❑ Combination of 2 or more of the following: criminal misconduct, Use of Force Reviews, preventable accident(s), civil suit(s), service of civil process, or allegations of biased-based profiling within a 60-day period

Quarterly Thresholds

- ❑ 2 or more complaints (general), or
- ❑ Combination of 3 or more of the following: criminal misconduct, Use of Force Reviews, preventable accident(s), civil suit(s), service of civil process, or allegations of biased-based profiling within a 90-day period

Yearly Thresholds

- ❑ 4 or more complaints (general), or
- ❑ Combination of 6 or more of the following: criminal misconduct, Use of Force Reviews, preventable accident(s), civil suit(s), service of civil process, or allegations of biased-based profiling within a 90-day period, or
- ❑ 2 or more shooting incidents

3. Supervisory Assessment, Intervention Strategies, & Documentation

Supervisory Assessment

The purpose of supervisory assessment is to ensure that employees are consistently applying appropriate training, tools, and tactics to incidents that occur in the field. It is not intended to “second guess” decisions made under difficult circumstances, but to provide constructive criticism. This will ensure that the Department as a whole is realizing the greatest benefit from the tools and techniques that it provides to its employees and further ensures that those tools and techniques are effective.

Individuals conducting EVALIS™ debriefings shall consider all relevant and appropriate information throughout the process to include:

VOLUME I, CHAPTER 14(A). EMPLOYEE EVALUATION INFORMATION SYSTEM(EVALIS)

- ❑ Crime trends particular to the geographical or functional area covered by that officer's squad or unit assignment
- ❑ Officer's individual and unit performance

Individual Employees Identified

If an officer meets or exceeds thresholds established for any evaluation data during the preceding month, quarter, or year, that officer's Lieutenant and Sergeant shall review each incident in order to determine if any pattern or performance deficiencies exist. Likewise, a civilian employee shall review such an incident with his or her First and Second Line Supervisors.

In accordance with the provisions of the Law Enforcement Officer's Bill of Rights (LEOBR), and as applicable with procedures detailed in **VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES**, the employee's chain of command to the District/Division Commander/Director will conduct an EVALIS™ debriefing and review each incident with the employee to obtain the employee's perspective of the events of the incident. The employee shall be encouraged to provide suggestions for improving training, tools, or tactics.

The employee debriefing shall be documented in an EVALIS™ Debriefing Summary that shall be completed by the Commander/Director on an Inter-Office Memorandum. The EVALIS™ Debriefing Summary shall be forwarded to the appropriate Deputy Chief or their designee. The Deputy Chief or their designee shall be responsible for ensuring that EVALIS™ Debriefing Summaries received by them are forwarded to the Supervisory Support Unit (SSU) for entry into the EVALIS™ system.

If deficiencies or problems are noted during the EVALIS™ Debriefing, or the District/Division Commander/Director does not concur with the findings of the Lieutenant, the procedures detailed below in the section *Intervention Strategies & Documentation* shall be followed.

For example, an officer is involved in five use of force incidents and the ASP baton was deployed in each. While use of the baton was determined to be within policy in each Use of Force Review, the supervisors should consider whether the use of OC spray in any of the incidents would have been a more appropriate, safer alternative for the officer. If it is determined that OC spray could have been used, it should then be established that the officer had access to a functioning OC device, and that there were no problems deploying it from its carrier. If these issues do not present themselves, the supervisor should consider reviewing the General Order Manual VOLUME I, CHAPTER 51. USE OF FORCE and VOLUME I, CHAPTER 52. WEAPONS with the officer, or consider referring them to the Community Policing Institute for refresher training in the use of less lethal weapons.

Intervention Strategies & Documentation

If, as a result of an EVALIS™ Debriefing, it is determined that an officer's actions do not reflect appropriate supervision or the proper use of training, tools, and tactics, it is the responsibility of

VOLUME I, CHAPTER 14(A). EMPLOYEE EVALUATION INFORMATION SYSTEM(EVALIS)

those conducting the debriefing to determine where the deficiency lies, and to implement an appropriate

Intervention Strategy.

The following may be considered as options:

DEFICIENCY	INTERVENTION
Training	Remedial or Refresher
Policy	Review
Equipment	Inspection, Replacement
Judgment	Judgment Enhancement Training
Stress	Referral, Psychological Services Division or the Employee Assistance Program

The Intervention Strategy shall be developed with the input of affected individual(s). The strategy will be documented on an Inter-Office Memorandum addressed to the Commander, Compliance Coordination Division, and shall specify:

- The deficiency that has been identified
- The steps that will be taken to resolve it
- The timeframe during which this will occur
- The date by which it will be completed

District/Division Commanders/Directors shall be responsible for approving Intervention Strategies for individual employees, ensuring that they are implemented, and monitoring the process through to completion.

Intervention Assessment

Once an Intervention Strategy has been implemented and completed, a second EVALIS™ Debriefing shall be conducted with the affected individual(s). This debriefing provides them with

VOLUME I, CHAPTER 14(A). EMPLOYEE EVALUATION INFORMATION SYSTEM(EVALIS)

the opportunity to comment on the process, the Intervention Strategy, and recommend improvements to both.

If the employee's supervisor determines the Intervention Strategy was not effective, he or she must detail why it was not successful, propose additional measures to be taken, and submit them through the chain of command to the District/Division Commander/Director or appropriate Deputy Chief for approval as detailed above on an addendum to the Intervention Strategy until the deficiency is resolved, and can be concluded on an Intervention Assessment.

Deputy Chiefs or their designees shall be responsible for ensuring that Intervention Strategies and Assessments received by them are complete before forwarding to SSU for entry into the EVALIS™ system within 30 days of receipt.

4. Audits

The Supervisory Support Unit shall be responsible for conducting a documented audit of the EVALIS™ System, intervention strategies, and assessments each January and July. These audits shall be completed by the first of February and August respectively.

The audit will detail the total number of incidents for each category of evaluation data across the entire Department, and then broken down by District or Division.

The purpose of this audit is to ensure that the above procedures are consistently and fairly implemented across all Districts and Divisions, as well as to evaluate officer performance and identify significant patterns or series of incidents Department-wide.

It also provides a frame of reference that facilitates comparisons between Districts to be considered when allocating personnel.

As part of the audit process, District/Division Commanders/Directors shall be evaluated on their ability to use the information provided by the EVALIS™ System to enhance the safety and effectiveness of employees and squads or units under their command. This shall be accomplished by evaluating the persistence of a pattern once established and addressed.

For example, a District Station is identified as having met or exceeded the established threshold for use of force incidents, specifically involving use of the ASP baton during the months of January and February. Based on a review conducted by the District Commander and Assistant District Commander, it is determined that on several occasions, officers would have been justified in deploying OC Spray rather than using the ASP baton. As a result of this finding, it is decided that a number of officers would benefit from judgment enhancement training in the use of less lethal weapons. The Community Policing Institute conducts this training in March; and there is a slight reduction in the use of the ASP baton, as well as a slight increase in the use of OC Spray, in April. This trend continues into May and levels off in June. This result demonstrates that the Intervention Strategy was effective, and that the EVALIS™ information was properly interpreted and acted upon to increase officer safety.

5. Record Retention Schedule

The EVALIS™ System retains all sustained internal investigations for the duration of the employee's employment, plus ten years. Non-sustained, exonerated, and unfounded cases are retained for three years, from the date of closure, and then expunged according to the Law Enforcement Officers Bill of Rights (LEOBR). *See: VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES.*

VI. GOVERNING LEGISLATION & REFERENCE

This General Order addresses:

- ❑ Memorandum of Agreement Between the United States Department of Justice and Prince George's County, Maryland, January 22, 2004.

Employees shall notify their supervisor within 24 hours of the occurrence of any work-related injury or illness, including stress-related and psychological injury or illness, regardless of the severity.

For occupational diseases, employees shall notify their supervisor within 24 hours of the time they become aware of the disease or diagnosis, or should have been aware of the occurrence of the occupational disease.

If the employee's immediate supervisor is not available, the employee shall notify the next supervisor in their chain of command. Failure to do so may disqualify employees from eligibility for disability leave.

Employees are encouraged to make an appointment with a licensed physician within 24 hours of sustaining a work-related injury, even if they do not have a visible injury or immediate pain. A licensed physician should examine the employee within seven calendar days of sustaining a work-related injury. Failure to do so may disqualify employees from eligibility for disability leave.

When a physician examines an employee, the physician will complete the Attending Physician's Notification Form supplied by the employee. This provides the basis for establishing disability leave or light duty eligibility. This form shall be completed and returned directly to Risk Management within three days of the examination. A copy of this form will be forwarded through the employee's chain of command.

Supervisor's Responsibilities

Supervisors shall initiate an investigation upon being notified of a work-related injury or occupational disease. They are responsible for the timely completion and submission of the investigation forms.

2. Injuries Incurred During Extra-Curricular Activities

3. Injuries/Illnesses Incurred Off-Duty

When employees incur an off-duty illness, injury, or medical condition that may prevent them from performing their assigned duties, they shall notify their supervisors within 24 hours of occurrence. If an employee is diagnosed with an infectious disease, such as tuberculosis, they shall notify their supervisor within 24 hours of diagnosis. The supervisor shall notify the employee's Commander/Manager as soon as practical. PGPD reserves the right to request additional information or proof of medical care, not to include diagnosis and treatment.

If the off-duty injury or illness occurred while performing a police action, the supervisor shall contact Risk Management to report the injury and/or illness within 24 hours. Risk Management will contact the Workman's Compensation contractor to report the injury or illness.

In cases of infectious disease, regardless of the employee's duty status when the disease was contracted, the supervisor shall contact Risk Management to report the illness within 24 hours of diagnosis.

4. Forms to be Completed Upon Initial Notification of Injury or Illness

Supervisors shall complete the below listed reports and forms upon being notified of an employee's injury or illness. Supervisors shall use the Injury Buckslip whenever they submit injury paperwork.

The employee shall ensure that the Attending Physician's Notification Form and any other required documentation is forwarded directly to Risk Management. The Attending Physician's Notification Form shall be submitted by the employee no later than three days after an examination for on or off-duty injuries.

Employees on or off-duty who become ill or are injured to the extent that the impairment may render them unable to perform their normal duties (excluding common and minor illnesses, such as colds and influenza) shall be examined by a medical professional. The employee shall provide the medical professional with an Attending Physician's Notification Form or other required documentation (e.g. family medical leave forms) and ensure its completion. The employee shall have the medical professional review and otherwise complete the entire form(s). The employee shall also ensure that the medical professional reviews the position description for police officers prior to making a duty status recommendation. The employee shall ask the medical professional to indicate on the form(s) what date they may be able to return to full duty or be placed on light duty. This duty status recommendation is subject to review by the County Medical Review Officer (County MRO) or other medical professional retained by the County.

Attending Physician's Notification Forms must contain the signature of a physician. Forms that contain only the signature of a Certified Nurse Practitioner or Physician's Assistant, or similar medical practitioner may not be processed and may be returned to the employee.

Commander's/Manager's Duties

Commanders/Managers shall forward all injury paperwork to Risk Management as required.

For off-duty injuries, Commanders/Managers shall ensure that the paperwork is marked "off-duty" unless the injury was sustained while performing a police action and has been filed as a Workers' Compensation claim.

6. Forms to be Completed by Risk Management

The Department's Risk Manager shall be responsible for completing follow-up injury paperwork for those employees that are placed on no duty or light duty status.

Employees on light duty or no duty status shall deliver the Attending Physician's Notification Form directly to Risk Management.

Risk Management shall notify Commanders/Managers of changes to their employee's duty status.

Return to Full Duty Clearance

The Return to Full Duty Clearance Form shall be obtained, solely, from Risk Management and completed upon the employees return to full duty status. A copy will be provided to the employee to provide to their supervisor. Risk Management will make email notification to the employee's Commander/Manager.

7. Employees on No Duty

Employees who have been placed in a no duty status by a physician shall be assigned (TDY) to Risk Management. Employees will report to Risk Management for further instructions.

No duty employees shall:

- ❑ Report to the Risk Management office in person within 48 hours and complete an employee orientation packet, to include the employee's current home address and telephone number, and provide it to the case manager; the case manager will make special arrangements to get the employee orientation packet from no duty employees who are totally disabled per medical documentation (i.e., unable to drive)
- ❑ Contact the case manager at least once every seven calendar days, either in-person or via telephone, to update the status of their case and/or medical condition
- ❑ Forward follow-up Attending Physician's Notification Forms to Risk Management; the forms shall be completed at least once every thirty days or whenever a no duty employee is examined by a physician

8. Employees on Light Duty

(Personnel Law, Sections 16-224 & 16-189)

An employee with a temporary impairment may be detailed to duties within their capacity to perform. Work restrictions and the classes of work that the employee may safely pursue must be specified.

Light duty assignments are limited to the period specified in an Attending Physician's Notification Form, which cannot exceed 30 calendar days per examination. The employee's physician must complete additional Attending Physician's Notification Forms to extend their light duty

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

assignment. The employee shall forward medical progress notes, received initially and at any subsequent doctors' visits, to the case manager. The Chief of Police may grant light duty assignments for up to 180 calendar days.

If a medical question arises regarding any employee's eligibility for light duty, the case manager and County MRO may refer the question to the MAB.

Employees in a long term light duty assignment other than pregnancy must be referred to the County MRO and/or MAB, for an independent medical examination prior to the 120th day of the assignment. This will ensure that the County's medical provider has evaluated the employee before the 180th day.

Employees on light duty shall not operate any Departmental vehicles. For exceptions to the Departmental vehicle restriction see **VOLUME I, CHAPTER 10. DEPARTMENTAL VEHICLES**, Section 2. Vehicle Use Provisions.

Employees who have been placed in a light duty status by a physician may be temporarily assigned (TDY) to another duty assignment. Light duty assignments shall be made by Risk Management, with concurrence of the employee's Bureau Chief.

Light duty assignments will be based upon:

- ❑ The needs of the Police Department
- ❑ The medical information provided by the attending physician, medical records, and/or the MAB
- ❑ The qualifications of the light duty employee

Commanders/Managers may request to have light duty employees assigned to their Districts/Divisions. They shall complete a Request for Light Duty Personnel Memorandum.

Light duty employees shall:

- ❑ Report to the Risk Management office in-person to receive written notification of their light duty assignment; the case manager shall notify each light duty employee of their TDY assignment and the name of their TDY supervisor, and forward a copy to the affected Commander/Manager of the TDY assignment
- ❑ Complete an employee orientation packet, to include the employee's current home address and telephone number, and provide it to the case manager
- ❑ Deliver follow-up Attending Physician's Notification Forms directly to the case manager; the forms shall be completed at least once every thirty days or whenever a light duty employee is examined by a physician

Supervisors who have light duty employees assigned to them TDY shall:

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

- ❑ Be responsible for the normal administrative functions (i.e., approving/denying leave, completing inspections, etc.) for each light duty employee
- ❑ Complete each light duty employee's ETS timecard

9. Change in Duty Status of Employees on No Duty or Light Duty

Employees whose duty status has been changed by their physician shall immediately report to the Risk Management office in person with their Attending Physician's Notification Form. If Risk Management does not feel that a duty status change is in the best interest of the employee or the Department, they may refer the matter to County MRO for review.

Employees whose duty status has been changed pursuant to an order from the Chief of Police or his designee shall immediately report to the Risk Management office in person to sign their order.

The Department's Risk Manager shall notify Commanders/Managers of changes to their employee's duty status.

The Department's Risk Manager shall make appropriate TDY assignments for those employees who have been upgraded from no duty to light duty status. Upon notification that an employee has been found medically fit to return to full duty, the Risk Manager shall inform the employee's affected Commander/Manager of the employee's assignment. The Risk Manager shall subsequently inform the employee.

10. Procedures for Recurring Injuries/Illnesses

(Administrative Procedure #284)

Documentation Required

A recurrence or aggravation of an injury is considered a continuation of the original injury and requires corroborating medical documentation. The recurrence or aggravation may occur on or off duty.

For claim purposes, the date of recurrence is the first day of scheduled work the officer misses, no matter when the actual recurrence injury happened, such as when off duty.

Employees shall report recurring injuries/illnesses in the same manner as original injuries/illnesses, including an Attending Physician's Notification Form.

The review and forwarding process is the same as for original work-related injuries and illnesses.

Supervisors shall document recurring injuries and illnesses on the Supervisor's Accident Investigation section of the Employee Injury Form. When completing this form, supervisors must include the date of the original injury or disease and the date of recurrence.

11. Examination by County Physician

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

Whenever the Chief of Police has reason to believe that an employee's health impedes satisfactory performance of their duties and responsibilities, the Chief of Police may require the employee to be examined by a physician retained by the County at no cost to the employee. The County MRO or MAB will review the duty status recommendation.

The County-retained physician will attest to the physical ability of the employee to remain on leave or return to work.

When there is confirming medical evidence that the employee has recovered and is able to satisfactorily perform their duties, any limitations imposed pursuant to previous Attending Physician's Notification Forms will be removed and the employee will be returned to full duty.

12. Psychological and Stress-Related Conditions

Employees must notify their supervisor of psychological and stress-related conditions, just as they would any other work-related injury or illness that would affect their ability to perform the essential functions of their job or would pose a direct threat to the health and safety of others.

When a supervisor learns of behavior indicating a potential psychological or stress-related condition affecting an employee, the supervisor shall immediately notify their Commander/Manager. The supervisor shall also immediately refer the employee to the Psychological Services Unit (PSU) who shall conduct an initial assessment of the employee and make a recommendation to the employee's Commander/Manager if the employee should remain on full duty, be placed in an administrative duty status, be referred for an immediate medical evaluation, or referred for further treatment until fitness for duty can be determined. The employee's Commander/Manager shall notify Risk Management of the assessment outcome.

PSU shall take appropriate action as detailed in their SOP.

A supervisor who learns of a potential psychological or stress-related condition affecting an employee shall complete the injury paperwork required for an on-duty injury.

If a mental health professional (independent of PSU) diagnoses an employee with a psychological or stress-related condition, the employee's supervisor shall follow reporting procedures for a work-related injury/illness. The supervisor may contact PSU for assistance when preparing the reports.

Upon report of psychological or stress-related cases, PGPD, under the direction of the employee's Bureau Chief, shall conduct an initial review of the case. Based on information from the employee's Commander, Risk Management, PSU, and any other mental health practitioner, the Bureau Chief shall decide the employee's duty status, such as administrative assignment or suspension, pending case resolution.

Risk Management shall notify PSU of all claims for psychological and stress-related conditions for the purpose of case coordination and tracking of critical cases and trends within the agency.

13. Handling Medical Documents from Outside Agencies

Employees receiving correspondence from doctors/medical facilities or collection agencies regarding medical bills should immediately notify Risk Management.

Employees receiving hospital and doctor bills, receipts, certificates, x-ray reports, or other medical reports shall promptly forward them to Risk Management for processing.

The County's claim agent mails the Workers' Compensation Commission Employee's Claim Form (MPC1) to the employee. The employee must complete the form and mail it to the Workers' Compensation Commission. Claims must be filed within two years. Failure to do so may bar a claim.

14. Disability Leave

Employee's Leave Status

Time absent from the job for medical treatment on the date of injury or occupational disease shall be charged to administrative leave.

Employees may be placed on disability leave when they incur an illness, injury, disability, or medical condition that prevents them from performing the duties of their position. The Office of Human Resource Management (OHRM) determines an employee's eligibility for disability leave based on supporting medical documentation, provided that proper notifications of the injury or illness were made. Risk Management will code an employee's ETS timecard for disability leave.

Employees are not back-charged sick or annual leave for leave used while waiting for approval for disability leave.

If the injury or illness is subsequently determined not to be duty-related or does not require the employee to remain on disability leave, the employee shall be placed on sick leave, returned to full duty, or placed on light duty.

Suspension of police powers in these cases is determined on a case-by-case basis, after supervisory recommendation and command review. The Bureau Chief in the employee's chain of command will make the final police power suspension or non-suspension decision.

Disability Leave

(Personnel Law, Section 16-224)

Employees who are temporarily disabled while working receive full salary for the period of temporary disability without charge against their leave balance, provided:

- The disability resulted from an injury or illness sustained directly in the performance of duties
- OHRM, decides that the disability meets the eligibility criteria

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

Employees who are on disability leave for more than seven calendar days shall telephone their case manager weekly to verify the continued disability. The case manager shall document this contact in the Follow-Up Section of the Employee Injury Form.

Disability Leave Time Limitations

(Administrative Procedure #284)

Disability leave is limited to the period specified in the Attending Physician's Notification Form. Disability leave may be granted for up to 30 calendar days based on one Attending Physician's Notification Form. Employees on disability leave shall submit an Attending Physician's Notification Form to Risk Management at least every 30 calendar days in order to be eligible for additional disability leave.

Employees may be granted disability leave in half-day increments for follow-up medical appointments after a return to duty.

Disability leave shall not exceed 180 calendar days for any one injury or illness. If an employee remains totally incapacitated after the 180 days of disability leave, they shall be placed on either sick or annual leave or leave without pay (LWOP), as appropriate.

Additional Leave Periods

(Personnel Law, Section 16-189)

Employees on extended disability leave must be reviewed by the County MRO or MAB and may be ordered for an independent medical examination prior to the 120th day of leave. This will ensure that the County's medical provider has evaluated the employee before the 180th day.

Employees who are close to exhausting their allotment of disability leave may request additional leave periods. Officers may be granted up to two additional 90-day periods of disability leave. Civilian employees may be granted one additional 90-day period of disability leave.

Employees shall prepare a memorandum requesting a grant of additional disability leave and submit it through the chain of command to the Chief of Police. The Chief of Police shall review the request along with other relevant documentation to decide the appropriateness of recommending the continuance of disability leave.

Additionally, employees who may be eligible to receive one or both of the contractually authorized 90-day extensions of disability leave must be referred to the County MRO for a re-evaluation prior to the 60th day of each 90-day extension. Employees applying for any extension of disability leave will have their duty status and medical condition, including a report from the treating physician stating the current diagnosis, prognosis, and treatment plan, reviewed by the County MRO.

Disability leave use is cumulative and does not require consecutive use periods. The Police Personnel Division will send a letter to employees consistently granted disability leave for two or more pay periods, advising them that their Family and Medical Leave (FMLA) runs concurrently

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

with disability leave. When an employee uses fifteen or more weeks of disability leave during a calendar year, their FMLA leave entitlement will be exhausted.

Civilian Employees

Civilian employees covered by the PCEA may be placed on disability leave after obtaining a completed Attending Physician's Notification Form. Risk Management will make an initial determination of disability leave eligibility. OHRM will make the final determination of eligibility for disability leave for PCEA-covered civilian employees.

All other civilian employees not returning to work following a work-related injury or occupational disease, shall be placed on sick leave, annual leave, LWOP, or personal leave until OHRM establishes the employee's eligibility for disability leave or detail assignment.

Granting of Disability Leave

(Administrative Procedure #284)

Sworn employees shall request that the physician thoroughly review the Attending Physician's Notification Form and position description for police officers before completing the form to ensure that light duty is mentioned as an option in lieu of no duty.

If the County MRO decides that light duty was justified when an employee was off work, further disability leave may not be granted. The employee's refusal to accept a light duty assignment renders them ineligible for disability leave during the period of temporary disability.

Risk Management will, upon notification and verification of any work-related injury or occupational disease, review the documentation to make a preliminary determination whether disability leave or light duty is appropriate for the injured employee. This decision shall be made within 24 hours of receipt of documentation and shall be based on reasonable information available from the supervisor's report and the Attending Physician's Notification Form.

Unless a medical question arises, OHRM shall determine final eligibility for disability leave or light duty within three working days of receiving the Attending Physician's Notification Form and the Employee Injury Form from Risk Management. OHRM will inform both Risk Management and the employee of its decision.

Medical Questions

If a medical question arises regarding any employee's eligibility for disability leave, the Department's Risk Manager and the County MRO may refer the question to the MAB. The County MRO shall make a recommendation, with or without the recommendation of the MAB, on the medical leave question.

Denial of Disability

Failure to provide required medical documents as needed may result in disability leave being denied.

Disability leave shall not be granted when OHRM decides that disability leave is not appropriate. In such cases, the employee shall be placed on another approved leave status.

If OHRM establishes the fact that the employee is not disabled, the Chief of Police shall order the employee to return to duty.

If the employee refuses to return to work, the Chief of Police may initiate disciplinary action for being AWOL and/or insubordinate.

Assignment of Workers' Compensation Benefits

Employees shall assign to the County such non-medical benefits as awarded for the temporary disability by the Maryland Workers' Compensation Commission. Failure to do so may disqualify employees from non-medical benefits.

15. Communicable or Infectious Disease Exposures

Employee's Responsibilities

Employees who sustain potential infectious disease exposure shall notify their supervisor immediately, or as soon as they become aware of the exposure.

Any on-duty employee who is exposed to a communicable disease, blood or body fluid, or other potentially infectious materials (to include needle sticks) shall immediately notify the Department's Infection Control Officer via the 24-hour Post-Exposure Hotline. The Infection Control Officer will arrange for any necessary counseling, treatment, or referrals. To be effective, required post-exposure prophylaxis must be started within two hours of the exposure.

To ensure availability of the appropriate medications employees should not report to a medical care facility prior to contacting the Infection Control Officer. The only exception to this directive is when an emergency situation exists, such as a broken bone or deep wound requiring sutures.

Employees shall complete the Infection Control Exposure Report and forward it to the Infection Control Officer within 24 hours of the exposure.

An employee exposed to the blood or other body fluids of an individual transported to a medical care facility shall ensure that the CCN and their ID number are placed on the individual's admission/medical forms.

The employee shall also ensure the CCN and their ID number are placed on the ambulance reports when the individual is transported by ambulance.

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

Placing these numbers on the appropriate forms allows subsequent notifications to the employee when necessary.

Dissemination of Information

Any employee having information relating to another employee's infectious disease exposure shall not divulge such information except, as necessary to:

- Infection Control
- A medical care facility
- Risk Management

Supervisor's Responsibilities

Supervisors shall investigate each reported infectious disease exposure.

Supervisors shall ensure the exposed employee contacts the Infection Control Officer. The supervisor shall contact the Infection Control Officer, if the employee is unable to do so, due to their injury or illness. Within one working day following the incident, the employee shall schedule an appointment for an evaluation of the incident to determine appropriate medical follow-up procedures.

Medical Advice

For medical advice concerning communicable and infectious disease contacts, employees shall contact the Infection Control Officer.

16. Infectious Disease Exposure Guidelines

Needle Stick/Sharp Instrument Injuries

These injuries represent great risk of transmission of HIV and the hepatitis viruses. Extraordinary precautions should be taken to prevent needle stick/sharp instrument injuries. When conducting searches, employees should never blindly place their hands in areas where there may be sharp objects that could puncture the skin.

Any employee receiving a needle stick or sharp instrument injury should allow the injury to bleed freely, then immediately wash the area for at least 30 seconds with running water and soap or other approved detergent/hand cleaner. As these injuries represent a significant communicable disease exposure risk, the employee shall seek immediate medical treatment. The attending physician should be made aware of the circumstances surrounding the injury in order to determine the appropriate treatment. Applicable provisions of this section and section **1. Work-Related Injuries** of this chapter shall be followed.

Mouth-to-Mouth Exposures

When possible, employees shall use disposable airway equipment, resuscitation bags or protective face shields. Any employee performing mouth-to-mouth resuscitation on a respiratory arrest victim shall immediately respond to the medical care facility where the victim was transported. The employee shall notify the attending physician of the incident so that a preliminary diagnosis can be made and a possible diagnostic test may be performed to rule out the presence of infectious disease.

When mouth-to-mouth resuscitation is performed on an infant or a person with a history of recent cold or fever, the attending physician should be requested to obtain throat cultures of the person. Applicable procedures outlined in this section and in section **15. Communicable or Infectious Disease Exposures** of this chapter shall be followed.

Sexually Transmitted Diseases

Employees may receive anonymous testing for sexually transmitted diseases from the Health Department.

Handling Prisoners Infected With Contagious Disease

Known infected prisoners are processed in accordance with **VOLUME II, CHAPTER 4. ARREST, TRANSPORT, & PROCESSING**. They shall be isolated from other prisoners if their behavior is violent, unpredictable, or they are unable to control body fluids. If the prisoner is transferred to another authority, the custody officer shall notify the receiving agency that the prisoner has an infectious disease. This notification shall be made prior to the transfer and shall be restricted to those with a need to know. The notification shall be documented in the narrative section of the appropriate report.

Skin Contact with Potentially Infected Material

In the event of skin contact, the affected area should immediately be washed for at least 30 seconds with soap, detergent, or hand cleaner and warm running water. Prompt washing is an effective method of preventing the spread of various infectious diseases.

Although rare, transmission may occur when infected blood contacts breaks in the skin such as chafed areas, cuts, or abrasions. Before beginning a tour of duty, employees should cover these areas with a waterproof bandage or dressing to provide an additional barrier to infected blood or body fluids. Bandages should be changed when they become soiled or wet.

Surface or Object Contact

Any area within a Departmental facility or vehicle that has been contaminated by the fluids of any person shall be cleaned with a detergent, and then disinfected for 20 minutes with a freshly mixed solution of one part bleach to nine parts water. Employees shall ensure that the contaminated area is not used until such cleansing is accomplished. Employees cleaning contaminated areas shall

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

wear disposable gloves. Employees may contact the Office of Central Services, Facilities Management Division for guidance and assistance with the cleaning procedures.

Clothing Contact

The coverall uniform should be worn if the soaking of clothing by blood or body fluids is likely. Contaminated clothing shall be promptly cleaned in a hot washing/drying cycle or by dry cleaning. Disposable latex gloves shall be worn when handling contaminated clothes.

Processing Incident Scenes

Employees shall wear disposable latex gloves when processing any incident scene where blood or blood-contaminated items are present and must be handled. The coverall uniform should be worn if the soaking of clothing by body fluids is likely.

Handling Contaminated Evidence

All contaminated evidentiary items shall be submitted in paper bags after complete air-drying. Appropriate sections of the Adhesive Evidence Label shall be completed and the label placed in the lower right corner of the bag. The bag shall be clearly marked "Contains Possible Contaminated Items."

Disposal of Contaminated Items

Contaminated, disposable articles such as latex gloves should be treated as infectious waste. Articles shall be placed in biohazard bags and the bags placed in biohazard receptacles. Alternately, the items may be soaked in a fresh mixture of one part bleach and nine parts water. Articles should then be placed in a second bag and disposed of in a standard trash receptacle.

In lieu of the preceding, employees may contact any hospital emergency room and request authorization to dispose of contaminated articles there. Employees may also contact any fire station for advice and possible assistance.

Reportable Contacts with HIV-Infected Persons

The following types of contacts with an HIV-infected person shall be documented on an Incident Report. A supervisor shall be immediately notified and ensure compliance with this and other written directives.

An incident involving exchange of body fluids of an HIV-infected person is:

- Any needle stick or sharp-instrument injury that breaks the skin
- The dousing of any mucous membrane, such as eyes and mouth, with the body fluids of an HIV-infected person
- Cardiopulmonary resuscitation with blood/body fluid exposure
- Any human bite

VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES

If an employee experiences a contact that does not fit into any of the above categories and the employee feels that the exposure was significant, they may document the contact on an Incident Report. *See:* section 15. **Communicable or Infectious Disease Exposures** of this chapter.

Following an evaluation by the Infection Control Officer, a determination shall be made whether medical treatment or testing is appropriate. If recommended, the employee shall notify their supervisor; the supervisor shall ensure compliance with applicable portions of section 15. **Communicable or Infectious Disease Exposures** of this chapter. If a determination is made that medical treatment or testing is not necessary, no supervisory investigation is necessary.

The affected employee shall initiate an Infection Control Exposure Report at the time of the evaluation.

17. **Contagious Disease Exposure Notification by Medical Care Facility** (Maryland Health Article 18-213)

Notification to PGPD

When the medical care facility determines that an employee has been exposed to certain diseases by a patient, it shall notify PGPD. The points of contact for notification are:

- Department's Infection Control Officer
- Commander/Manager, Risk Management

One of the above persons shall determine whether any Departmental employees had contact with the patient. If so, they shall immediately contact each exposed employee for an evaluation of the incident to determine appropriate follow-up procedures. During this evaluation, the employee shall initiate an Infection Control Exposure Report.

If medical treatment or testing is appropriate, the exposed employee shall immediately report the incident to their supervisor. It is recommended that the employee report to a County-contracted or designated health provider for treatment/testing.

When the Department receives any notification described in this subsection, the recipient shall ensure that the notification is passed to the point of contact.

The law requires notification for exposures to the following:

- Human Immunodeficiency Virus (HIV)
- Any form of viral hepatitis, including but not limited to hepatitis A, B, C, D, E, F, and G
- Meningococcal Meningitis
- Tuberculosis
- Mononucleosis
- Diphtheria
- Plague
- Hemorrhagic fevers

□ Rabies

Any employee having information relating to another employee's contagious disease exposure shall comply with: **Section 15. Communicable or Infectious Disease Exposures, Dissemination of Information** of this chapter.

Notifications by Fire/EMS

When an employee receives a contagious disease exposure notification from the Fire/EMS Department, the employee shall immediately obtain the names of involved PGPD employees and pass the information to a Departmental point of contact.

Hepatitis Cases

When an employee sustains an exposure to any form of viral hepatitis, they shall comply with the provisions of section **15. Communicable or Infectious Disease Exposures** of this chapter. The employee should contact the Infection Control Officer regarding the appropriate treatment. For line-of-duty exposures, the vaccine shall be provided at Departmental expense.

18. Suspected Carbon Monoxide Leaks in Vehicles

Carbon Monoxide Poisoning

An employee complaining of illness due to fumes while operating a Departmental vehicle shall stop the vehicle as soon as practicable and contact a supervisor. The supervisor shall:

- Contact Automotive Services Unit to arrange for vehicle testing for carbon monoxide presence
- Take the vehicle out of service

Automotive Services Unit Responsibilities

On receipt of a complaint from a supervisor, Automotive Services Unit personnel shall request a vehicle carbon monoxide detection test from the Prince George's County Health Department, Division of Air-Quality Control.

Upon request, the Health Department will conduct a carbon monoxide detection test and provide the results to Automotive Services Unit. If the test discloses an unacceptable level of carbon monoxide or other noxious gas, the vehicle shall be deadlined until repairs are completed.

Authorization to return a Departmental vehicle to operation must come from the Automotive Services Unit.

16. EMPLOYEE WELLNESS & DRUG TESTING (December 2005)

I. POLICY

It is the policy of the Department that all employees must possess the necessary physical capabilities to safely perform the job functions required of their position. The Department provides pre-placement medical examinations and fitness for duty examinations. When notified to appear for an examination, employees shall report as directed. Completion of all elements is mandatory.

Employees, who are required to pass a physical examination in order to possess certain licenses or certifications, shall comply with all examination standards of the licensing or certification authority. Any examination required of employees in permanent, full-time positions shall be provided at no cost to the employee.

The Department uses random drug testing to ensure an employee's continued fitness for duty. It is also considered an integral part of the Department's Early Identification System (EIS).

II. CHECKLISTS (N/A)

V. PROCEDURES

1. Physical Fitness Programs

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

Fitness Indicator Test (FIT)

The FIT Program is a voluntary program for incentive pay and is limited to officers. The annual performance of participating officers will be compensated pursuant to the provisions of the FOP Labor Agreement.

The Advanced Officer Training (AOT) Section conducts the FIT in accordance with provisions of the FOP contract and Division SOP.

Physical Agility Test (PAT)

All officers hired on or after July 1, 2001 must participate and successfully complete the PAT in order to be eligible for the promotional examination and yearly merit increases. The Director, Personnel Services Division, will ensure that appropriate notifications are made to affected employees regarding the testing schedule. The testing shall be conducted by the AOT training staff.

Commanders/Directors will be given the names of individuals who have not, but need to take the PAT test to participate in the promotional examination process and receive their yearly merit increases.

Test Results

Employee test results will be maintained in both the official and Departmental personnel files.

2. Employee Drug Testing

(Administrative Procedure #224)

(Accardi Doctrine)

Program Administration

The Director, PCD, administers the Random Drug Testing Program through the Drug Testing Coordinator.

Records relating to employee drug testing are confidential and shall be securely maintained by the Drug Testing Coordinator. Information shall only be released to an employee's supervisor during the notification process, or to those with a legitimate need to know.

No employee shall discuss the identity of any employee selected to be tested, except to make notification to the employee at the time of test.

If an employee attempts to obtain confidential information without having a legitimate need to know, or attempts to compromise or corrupt any component of the Random Drug Testing Program, the employee shall face disciplinary action up to and including dismissal.

Random Drug Testing

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

The program tests urine samples for:

- Amphetamines
- Barbiturates
- Benzodiazepines
- Cocaine
- Marijuana
- Methadone
- Methaqualone
- Opiates
- Phencyclidine

Failure to comply with any component of the Random Drug Testing Program, by any employee ordered to do so, is insubordination. Violations shall result in disciplinary action with a potential penalty of dismissal.

Drug Testing Coordinator

The Drug Testing Coordinator reports to the Director, PCD. The coordinator is responsible for coordinating activities of the drug testing program and developing control methods to ensure program integrity.

The Drug Testing Coordinator shall:

- Facilitate the automated, random computer selection of employees to be tested and make the necessary notifications to the affected Commanders/Directors
- Act as the liaison with County Personnel to coordinate random drug testing of employees maintaining a commercial driver's license
- Notify affected employees of test results
- Act as the liaison with the Medical Review Officer regarding positive test results
- Alert the Director, PCD, of positive test results
- Conduct random inspections of the collection site
- Maintain confidentiality of records relating to the identity of selected employees and test results
- Monitor billing
- Prepare a monthly summary of program activity for review by the Director, PCD

Personnel Subject to Test

Employees whose duties directly or indirectly affect public safety, or have unsupervised or direct access to sensitive information or drugs are subject to random drug testing. Employees to be tested shall be selected by automated random sampling.

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

An exception is when reasonable suspicion exists that an employee is abusing controlled dangerous substances (CDS) or prescribed medications. In this case, the employee's supervisor may require them to submit to testing. Arrangements for testing shall be coordinated with IAD.

The Drug Testing Coordinator maintains lists of employees selected for testing. The names of selected employees shall not be announced in advance.

The random selection process is neither affected by, nor related to, other established mandatory drug testing, such as position testing, pre-employment, disciplinary action, or testing based on reasonable suspicion.

To conform with court guidelines, the following positions have been selected for inclusion in the Random Drug Testing Program and are subject to random drug testing by urinalysis:

- Crossing Guard Supervisor
- Crossing Guards

- Street Narcotics General Clerk

Notifications

The Drug Testing Coordinator notifies the employee's Commander or an authorized designee. Selected employees will be ordered to personally meet with the Commander, or an authorized designee, for official service of the Random Drug Testing Notification Form.

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

Employees will not be notified by telephone to respond for a drug test. The Commander, or an authorized designee, shall order the employee to report to the laboratory within two hours following written acknowledgment and receipt of the Random Drug Testing Notification Form.

To ensure proper service, the Drug Testing Coordinator shall be contacted immediately upon determining that a selected employee is scheduled for in-service training or is TDY to another District/Division. Attendance at in-service training is not grounds for deferral.

Test Deferral

An employee shall only be deferred from drug screening when:

- Deferred at the test site by the contract physician
- On authorized leave at the time of notification
- On a regular day off (RDO)
- Working Shift I
- On official travel out of the area
- Under suspension and not performing administrative duties

Other deferrals may be granted under exigent or unusual circumstances with prior approval from the Director, PCD.

Sworn employees in a light duty status, non-contact assignment, or performing administrative duties will not be automatically deferred.

The deferral form does not need to be completed for Employees who have separated from the Department.

Commanders/Directors will ensure that transportation to and from the test site is provided for employees not assigned a Departmental vehicle.

Employees scheduled to work Shift III will only be deferred when:

- The employee is expected to arrive after 1700 hours
- The employee is unable to be served in a timely fashion, and that employee would not have sufficient time to respond to the testing facility

Drug Testing Notification Forms

To ensure service, and to protect the identities and privacy of those selected, unserved Drug Testing Notification Forms will not be placed in mailbox receptacles or other unsecured locations pending service.

All notification forms will be completed and forwarded to the PCD, to the attention of the Drug Testing Coordinator, on a daily basis.

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

If the randomly selected employee is available for testing, Sections I and II will be completed in their entirety prior to submission.

If the selected employee is unavailable for testing according to the guidelines listed in section *Test Deferral*, of this chapter, Section III of the notification form will be completed in its entirety prior to submission by the employee's Commander/Director. The form shall be forwarded to the Drug Testing Coordinator before the end of watch in which the deferral occurs.

For selected employees scheduled to work Shift III, or those who are on an approved leave status for a portion of Shift II, the form shall be returned to the employee's District/ Division Commander, or authorized designee, pending service.

In all cases the Drug Testing Coordinator shall be notified of the selected employee's status within one hour of receiving the notification.

Absence of Laboratory Staff at the Testing Site

When the selected employee responds to the test site and the laboratory staff is unavailable, the employee shall remain at the test site and immediately notify their supervisor/server and contact the Drug Testing Coordinator for further instruction.

The supervisor will complete a confidential Commander's Information Report for employees deferred under these circumstances. This report will be immediately forwarded to the Drug Testing Coordinator upon completion.

Testing Process

Notified employees shall respond to the contract laboratory and cooperate with laboratory staff. Employees shall comply with the following:

- Present the receptionist with the Random Drug Testing Notification form
- Present their Department-issued employee photo identification card
- Complete the pretest forms required by test site personnel
- Place all personal items and contents from pockets into the provided secured lockboxes and maintain possession of the key
- Retain possession of service weapon
- Remain at the test site until a sufficient specimen has been provided
- Witness the sealing of the specimen

If unable to supply a urine specimen at the time of the test, and the reason is medically related, a contract physician shall interview the employee. The contract physician may issue a deferral applicable only to the appointment for that date. If the physician does not issue a deferral, the employee shall provide a urine sample.

Test Results

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

After the Drug Testing Coordinator receives notification of a negative test result, they shall inform the employee of the result by letter.

If it is determined that an employee's urine tested positive, the contracted Medical Review Officer (s) will verify the test result against the employee's medical history.

If the Medical Review Officer determines that the employee's urine contains a CDS or an elevated level of a prescribed medication, the Medical Review Officer shall contact the employee directly and confidentially to facilitate a consultation session. Only after consulting with the employee directly, will the Medical Review Officer notify the Drug Testing Coordinator of the positive results.

In the event the Medical Review Officer is unable to contact the employee, the Medical Review Officer shall notify the Drug Testing Coordinator. The Drug Testing Coordinator shall immediately notify the employee's Commander/Director, who shall be responsible for locating the employee and facilitating the consultation session.

The Commander/Director shall order the employee to attend the consultation session and designate a command officer to accompany the employee.

If after the consultation session, the Medical Review Officer cannot legitimize the use of the drug, the employee's Commander/ Director shall contact the Drug Testing Coordinator. The IAD shall conduct any follow-up investigation and initiate subsequent disciplinary actions against the employee.

The Drug Testing Coordinator shall also contact the employee, via letter. This letter shall advise the employee of their right to have the samples examined at a certified laboratory of their choice at their own expense. The positive test result will be recorded in the Department's EIS.

An employee choosing to request an independent test shall do so in writing. The letter shall be addressed to the Drug Testing Coordinator within 3 working days of being contacted. The IAD investigator assigned the case will accompany the employee throughout this process to ensure the integrity of the independent test. The Medical Review Officer maintains a list of certified laboratories and will provide the employee with the list when requested.

An 'independent test' is a test of the original split sample. It is not a second test of a new sample.

Failure to comply with the drug testing procedures is insubordination. Employees refusing to be tested face an administrative or disciplinary action with a maximum penalty of dismissal.

Ingestion or Exposure to CDS/Legitimate Drugs

The use of CDS during covert investigations is prohibited. Conditions may arise where it is necessary for an investigator to ingest CDS to assure personal safety. If this occurs, the investigator shall notify their supervisor as soon as possible, but no longer than the end of watch.

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

The supervisor shall immediately notify the Drug Testing Coordinator. The Drug Testing Coordinator shall arrange for a urinalysis test of the affected employee, for the employee's benefit.

Supervisors shall document the incident on a confidential memo to their Commander/ Director who shall conclude whether or not the ingestion was justified. The Commander/Director shall submit a copy of the memo to the Director, OPR. Results of urinalysis, if known, shall not be recorded on any police report generated as a result of the incident.

Passive Inhalation of CDS

Any employee, on or off-duty, subjected to passive inhalation of CDS, shall notify a supervisor at the earliest possible moment. The supervisor shall document the incident on a Commander's Information Report (CIR) before the end of watch. The CIR shall indicate the substance to which the officer was exposed and a brief account of the exposure. The supervisor shall forward a copy of the report, with appropriate recommendations, to the Commander/ Director of the officer.

After the Commander/Director considers the totality of the circumstances and consults with the Drug Testing Coordinator, they may order the affected employee to submit to a urinalysis for the employee's benefit.

Use of Medication

An employee that is prescribed medication shall inquire whether the drug has any side effects that might interfere with the employee's ability to safely perform their duties.

If the prescribing doctor advises that the drug could have an adverse affect on the employee's ability to safely perform assigned duties, the employee shall obtain this information in writing and present it to their supervisor.

If there is no appropriate duty to which the affected employee can be assigned, the supervisor shall place the employee on sick leave. An employee using legal non-prescribed medication who feels unable to safely perform their assigned duties shall inform their supervisor. If there is no other appropriate duty to which the affected employee can be assigned, the supervisor shall place the employee on sick leave.

No employee shall be under the influence of any medication while on duty unless they have complied with this order.

3. Psychological Services Referrals

Supervisor's Responsibilities

Supervisors should be alert to continued uncharacteristic behavior by employees that may indicate an employee is experiencing psychological difficulties. Examples include, but are not limited to:

- Erratic mood swings
- Irrational, uncharacteristic or bizarre thoughts or actions

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

- ❑ Irresponsible or unexplained patterns of leave use
- ❑ Potentially explosive domestic problems
- ❑ Prolonged, unexplained changes in work habits
- ❑ Repeated experiences of poor functioning, possibly due to substance abuse
- ❑ Combinations of the above or other behaviors of concern

If any of the above signs are observed, the supervisor should consult with the employee. A voluntary referral to the Psychological Services Division should be considered and, if appropriate, suggested by the supervisor.

The supervisor may consult with the Psychological Services Division regarding the possible referral of any employee. The identity of the employee need not be disclosed.

Supervisors shall notify the employee's Commander/Director of any serious or debilitating psychological problems that could necessitate the administrative referral of an employee to the Psychological Services Division. The confidentiality of all referrals is guaranteed except when the client:

- ❑ Commits acts of child abuse or neglect
- ❑ Presents an imminent danger to himself or others
- ❑ Signs a release of information form

Commander/Director's Responsibilities

If a Commander/Director believes an employee is experiencing serious or debilitating psychological problems, the employee shall be ordered to be interviewed by the Psychological Services Division. This order shall be given to the employee in writing with copies of the order forwarded to the Director, Psychological Services Division, and the Chief of Police. The initiating Commander/Director will protect the confidentiality of this matter by restricting information to those persons having a legitimate need to know.

Psychological Services Division Responsibilities

The Psychological Services Division shall maintain the confidentiality of all communications except to:

- ❑ Acknowledge the receipt of a written order commanding an employee's appearance
- ❑ Advise the initiating Commander whether the employee complied
- ❑ Advise the Chief of Police of any recommended changes in the affected employee's work status

TDY Assignment Recommendations

After an employee consultation, the Psychological Services Division may recommend the employee be placed in a TDY assignment. This recommendation may be verbal or written, as requested by the Chief of Police. The recommendation may include specific duty and work hour

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

suggestions. The Chief of Police shall review the recommendations from Psychological Services Division personnel and assign the employee to the appropriate work status.

If the Chief of Police initiates the recommended TDY assignment, the Psychological Services Division shall:

- ❑ Reassess the employee's work status every 30 calendar days and maintain contact with the employee throughout the assignment
- ❑ Notify the Chief every 30 calendar days of the need for continuation of the TDY assignment

The Psychological Services Division may recommend that the employee be returned to regular duty at any time during the TDY assignment.

The maximum time for a TDY assignment resulting from a Psychological Services Division referral is 180 days. Before the expiration of this time, the employee shall either be returned to regular duty or the case will be referred by the Psychological Services Division to the MAB for review. The employee may continue in the TDY assignment pending MAB review.

Emergencies

Whenever an employee exhibits irrational or bizarre behavior that is dangerous or potentially dangerous to the employee or others, a supervisor may order the employee to immediately report to the Psychological Services Division for assistance.

Before ordering the employee to report, the supervisor shall contact a Psychological Services Division staff member for instructions. Supervisors shall not allow employees to transport themselves. In an extreme emergency, the employee may be hospitalized and, if necessary their police powers may be suspended.

If an employee's police powers are to be suspended for one or more of the above reasons, the suspending supervisor shall immediately notify the employee's Commander/Director, the IAD, and the Psychological Services Division. The reinstatement of an employee requires an affirmative recommendation from a board-certified, licensed psychiatrist.

4. Pregnancy

(Pregnancy Discrimination Act of 1979)

A pregnant employee shall, upon confirmation of pregnancy, immediately submit an Attending Physicians Statement Notification Form to her supervisor. The statement shall indicate the employee's condition, estimated date of delivery, and recommended duty status. The supervisor shall forward the statement, via the chain of command, to the appropriate Assistant Chief, who shall place her in a duty assignment consistent with medical recommendations.

The employee shall submit to her supervisor, on a no less than monthly basis, an Attending Physicians Statement Notification Form. Recommendations by the physician regarding duty assignment changes require immediate submission of an additional statement.

5. Acquired Immune Deficiency Syndrome (Aids)

(County Administrative Procedure #295)

(Health Department HIV Exposure/Notification Card)

AIDS is a fatal illness characterized by damage to the body's immune system. It renders the patient vulnerable to a number of opportunistic infections and/or tumors, which would not normally threaten persons whose immune systems are intact. The Human Immunodeficiency Virus (HIV) causes AIDS. Although some HIV-infected persons remain healthy for several years, the course of the disease is a progressive one, which leads to AIDS and eventual death.

HIV Testing

Testing is performed to detect antibodies to the virus. A confirmed-positive HIV test means that the person was infected with the virus and their immune system produced an antibody in response to the invasion of the virus. It does not mean the person has AIDS; it means that they have, at some time, been infected with the virus. For purposes of this statement, anyone with a positive antibody test is considered infectious.

Testing and counseling are only necessary in certain cases and should be decided on a case-by-case basis. The Personnel Services Division should be contacted for guidance.

Because of the potential social and psychological consequences of a positive test result, HIV testing should only be done with pre-test and post-test counseling by a trained counselor.

Current test protocol is for the employee to undergo a baseline HIV Antibody Test within two weeks of the exposure. If that test were negative, the test would be repeated at six weeks, three months, six months, and 12 months following exposure. During this period, and especially during the first twelve weeks when most people would sero-convert if HIV-infected, employees should follow precautions to prevent transmission. A positive test would be confirmed with a Western Blot Test.

An employee may be granted administrative leave for HIV screening resulting from on-the-job exposure.

HIV Test Locations

The County's designated contractor or health care provider shall provide HIV screening and provide for confidentiality of results. The Health Department shall provide anonymous or confidential testing.

Body Fluids

In this section, references to body fluids include blood and other non-solid body parts.

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

HIV is found in large amounts in blood and semen. It is present less often in smaller concentrations in saliva, tears, breast milk and vaginal secretions. The HIV virus is fragile and is easily killed by heat and many disinfectants.

How AIDS is Transmitted

Studies of AIDS patients indicate no risk of contracting the disease from the patient outside sexual activity or blood sharing.

HIV is transmitted primarily by sexual intercourse and by the injection of infected blood, including the sharing of dirty needles. It has been spread during pregnancy and labor and delivery from infected mother to fetus. A few cases of transmission from mother to infant via breast milk have been reported.

Persons at High Risk of Contracting Aids

Most AIDS cases have been found in the following groups:

- Hemophiliacs
- Heterosexual male intravenous drug users
- Intravenous drug abusers
- Persons with multiple sexual partners
- Heterosexuals with a partner in one of the preceding groups

Transmission Prevention

Precautions can minimize the risk of infection to employees. Contacts not involving the exchange of body fluids do not pose a risk of disease transmission.

Officers should wear disposable latex gloves whenever handling body fluids. After removing gloves, hands shall be washed for 30 seconds with soap, detergent or hand cleaner and running water. Gloves shall not be reused.

Masks, goggles or glasses should be used whenever the splattering of body fluids is possible.

Protective clothing should be used in situations where clothing could become soaked with body fluids. Spread of the virus could occur if blood soaked clothing comes in contact with an officer's broken skin. Contaminated clothing shall be promptly cleaned in a hot washing/drying cycle or by dry cleaning. Disposable latex gloves shall be worn when handling contaminated clothes.

Employees should use disposable airway equipment, resuscitation bags or protective face shields when performing mouth-to-mouth resuscitation.

6. Contact with Suspected-Infected Material

Skin Contact

Wash affected area immediately for at least 30 seconds with soap, detergent or hand cleaner and warm running water. Prompt washing is an effective method of preventing the spread of various infectious diseases.

Although rare, transmission may occur when infected blood contacts breaks in the skin such as chafed areas, cuts or abrasions. Before beginning a tour of duty, employees should cover these areas with a waterproof bandage or dressing to provide an additional barrier to infected blood or body fluids. Bandages should be changed when they become soiled or wet.

Surface or Object Contact

Areas within a Departmental facility or vehicles that have been contaminated by bodily fluids shall be cleaned with a detergent, then disinfected for 20 minutes with a freshly mixed solution of one part bleach to nine parts water. Employees shall ensure that the contaminated area is not used until such cleansing is accomplished. Employees cleansing contaminated areas shall wear disposable gloves. Employees may contact the Office of Central Services, Facilities Management Division, for guidance and assistance with the cleaning procedures.

Needle Stick/Sharp Instrument Injuries

Aside from sexual activity and accidental exchange of body fluids, these injuries represent the greatest risk of transmission of the HIV and hepatitis viruses. When conducting searches, never blindly place hands in areas where there may be sharp objects that could puncture the skin.

In the event of an injury of this nature, the procedures outlined in **VOLUME I, CHAPTER 15. EMPLOYEE INJURIES & ILLNESSES**, shall be followed.

Processing Incident Scene

(PGFD General Order 8602, Infection Control)

Employees shall wear disposable latex gloves when processing an incident scene where blood or blood-contaminated items are present. The coverall uniform should be worn if soaking of clothing by body fluids is likely.

All contaminated evidentiary items shall be submitted in paper bags after complete air-drying. Appropriate sections of the Adhesive Evidence Label shall be completed, and the label placed in the lower right corner of the bag. The bag shall be clearly marked, "Contains Possible Contaminated Items."

Contaminated, disposable articles, such as latex gloves, should be treated as infectious waste. Articles shall be placed in biohazard bags and the bags placed in biohazard receptacles.

VOLUME I, CHAPTER 16. EMPLOYEE WELLNESS & DRUG TESTING

Alternately, the items may be soaked in a fresh mixture of one part bleach and nine parts water. Articles should then be placed in a second bag and disposed of in a standard trash receptacle.

In lieu of the preceding, officers may contact any hospital emergency room and request authorization to dispose of contaminated articles there. Officers may also contact any fire station for advice and possible assistance.

7. Vision or Hearing Impairment

When incidents, such as preventable/non-preventable Departmental accidents, suggest that impairment in an employee's vision or hearing may have been a factor, the employee's Commander/Director shall arrange for the Personnel Services Division to administer a vision and hearing test. The Personnel Services Division shall inform the involved employee and the Commander/ Director of test results.

When test results show a potential vision or hearing impairment, the Commander/ Director shall recommend a medical examination and corrective treatment to the employee.

The Commander/Director shall also schedule a retest by the Personnel Services Division. If a retest or medical examination by the employee's personal physician indicates the impairment is not likely to be corrected or successfully treated, and it appears to affect the employee's ability to perform their duties satisfactorily, the Commander/Director shall request a fitness-for-duty evaluation. The results of the evaluation shall be submitted to the MAB for consideration.

Commanders/Directors shall assign involved employees to light duty and/or restrict their use of Departmental vehicles and/or possession of Departmental firearms whenever the safety of the employee or the public appears to be endangered by a potential vision or hearing deficiency.

VOLUME I, CHAPTER 17. EQUIPMENT

17. EQUIPMENT

(December 2014)

I. POLICY

Employees are responsible for care, security, and proper maintenance of all Departmental equipment, uniforms, or property issued to them. Employees shall not use Departmental equipment or property negligently.

II. CHECKLIST (N/A)

III. DEFINITIONS (N/A)

IV. FORMS

- Commander's Information Report (PGC Form #1545)
- Body Armor Inspection Report (PGC Form #4373)

V. PROCEDURES

1. Duty to Care for Equipment

Employees assigned items requiring scheduled maintenance, such as Departmental vehicles, shall ensure compliance with required schedules.

2. Body Armor

Except where specified otherwise in this section, the wearing of body armor is mandatory when officers are:

- Attempting warrant service
- Attending classes as a recruit officer, provided a vest has been issued and the instructor has not determined the type of instruction to be incompatible with vest use
- Deployed to the inner perimeter of a barricade or hostage situation, provided a reasonable opportunity to don the armor exists
- Deployed to uniformed patrol duties, including those desk assignments involving regular public-contact
- Engaged in any specialized uniformed enforcement activities, such as traffic enforcement and crowd control
- Participating in the entry phase of any narcotics or other forced entry search warrant execution
- Performing stakeout or surveillance duties
- Working secondary employment in uniform
- Engaged in pre-planned high-risk activities. Officers that are exempt from wearing body armor shall not engage in pre-planned high-risk activities
- Attending in-service firearms training

VOLUME I, CHAPTER 17. EQUIPMENT

A supervisor may also order subordinates to wear body armor in other situations where a heightened risk of injury is present.

The listed mandatory-wear requirements apply to all officers in the specified activities regardless of rank, including shift commanders and ODCs.

Exceptions & Waivers

Officers are not required to wear body armor when:

- ❑ They give their supervisor a certification from a licensed physician that body armor use is precluded by a medical condition (the supervisor shall place the certification in the officer's personnel file)
- ❑ Wearing the uniform blouse
- ❑ Working extra-duty employment in civilian attire
- ❑ Working an undercover assignment where armor use could reveal the officer's identity

Officers who otherwise are required to wear armor may temporarily remove the armor when in a secure police facility away from prisoners or the public.

Only the Chief of Police may authorize additional waivers to these provisions in writing.

Authorized Body Armor & Manner of Deployment

Beginning in October of 2005, officers shall receive one NIJ Standard Type III-A ballistic-resistant vest and two standard carriers as part of their initial uniform and equipment issue or as replacement for their current body armor upon its expiration. Officers may purchase a winter outer-garment carrier from the Departmental vendor at personal expense.

Officers wearing body armor shall use a carrier provided by the armor manufacturer.

Ballistic-resistant vests shall be worn under the shirt, except:

- ❑ When wearing the outer-garment carrier
- ❑ When an emergency does not allow insertion beneath the shirt
- ❑ When an investigator in civilian attire chooses to temporarily wear the vest over his shirt while serving an arrest or search warrant, conducting surveillance or participating in a street-narcotics operation. The armor must be concealed by a sport coat or jacket

The outer garment carrier may be worn with the uniform whenever a long-sleeved shirt is worn, except it shall not be worn with the uniform sweater. The outer-garment carrier need not be covered by a jacket or coat.

Non-Departmental Body Armor

Officers may purchase and wear an alternative NIJ-certified Type III-A ballistic-resistant vest from a manufacturer other than the Departmental vendor provided the vest has full front, back and side-

VOLUME I, CHAPTER 17. EQUIPMENT

panel protection. Officers may obtain background information and guidance from the Planning and Research Division (PRD) before purchase.

Outer-garment carriers accompanying privately purchased armor shall not be worn unless inspected and approved by the Manager, Weapons & Survival Skills or the Clothing and Supply Unit. Approval shall be granted only when the carrier's color, style, and general visual appearance are consistent with the Departmental vendor's approved outer garment carrier.

Officers shall obtain supervisory approval before wearing specialized armor or a ballistic-resistant vest rated higher than NIJ Standard 0101.03 or Standard 0101.04, Type III-A. If approved, the supervisor shall ensure the officer is aware of the armor's proper method of use, capabilities, and limitations.

Use of metal shock or trauma plates in standard ballistic-resistant vests is prohibited. Use of metal plates in specialized armor is only permitted when the plate is a permanent design element of the armor and does not directly expose bare metal surfaces to strikes from incoming rounds.

Care & Cleaning

Officers shall comply with all care and cleaning instructions included on the labels of issued ballistic-resistant vests, as well as other instructions provided in training, the General Order Manual or by email message. An officer who uses a ballistic-resistant vest manufactured by someone other than the Departmental vendor shall comply with instructions included with that vest.

Exposure to ultraviolet light or certain washing materials and moisture will destroy ballistic capabilities; therefore, officers shall ensure issued ballistic panels:

- ❑ Are periodically wiped with a lightly damp cloth to prevent dirt and body oil buildup
- ❑ Are not placed in any washing machine or dryer
- ❑ Are not exposed to bleach, harsh detergents or dry-cleaning solvents
- ❑ Are not folded or placed on a clothes hanger
- ❑ Are not left exposed in the passenger compartment of a vehicle or inside a building near a window, or otherwise exposed to sunlight, a plant-grow light, florescent light, or any other source of ultraviolet light

Body Armor Inspection

Supervisors shall routinely inspect subordinates' body armor. When a violation is observed and disciplinary action is indicated, officers shall be charged with "Failure to Deploy Required Body Armor," a Category I Uniform Violation.

Supervisors shall inspect the issued armor of all subordinates each January and July. A Body Armor Inspection Report shall be completed for each subordinate and submitted to the Commander/Manager, who shall retain it in a file until it is replaced by a subsequent inspection

VOLUME I, CHAPTER 17. EQUIPMENT

report. Supervisors shall refer officers with improperly fitting or damaged issued armor to the Clothing and Supply Unit for replacement.

Officers with poor-fitting or damaged privately purchased armor shall be ordered to wear issued armor instead.

Replacement

Replacement of unserviceable issued armor due to changes in body size, normal wear, abuse or accidental damage is the officer's responsibility.

The Department shall replace issued armor damaged in line-of-duty gunfire, other direct performance of duty, or whenever it has been subjected to excessive moisture.

Armor returned to the Clothing and Supply Unit upon an officer's termination or retirement shall not be permanently reissued to another officer. The Clothing and Supply Unit may temporarily reissue returned vests in emergencies only, provided the receiving officer would otherwise be without a serviceable vest and arrangements are pending for that officer to receive a permanent issue.

Armor shall never be used for any purpose other than evidence, research or training following the shooting or significant visible damage of that armor.

PRD Responsibilities

The Planning and Research Division shall:

- ❑ Conduct a written body armor performance review following every deliberate or accidental Departmental shooting (or other appropriate incident) in which armor was or should have been a factor in limiting injury
- ❑ Coordinate an officer's application for admission to the Dupont/IACP Survivor's Club following an eligible incident
- ❑ Participate in a quality-control testing program for currently issued used armor
- ❑ Participate in critiques of Departmental shootings and similar incidents to assess armor-related issues
- ❑ Prepare or approve any literature accompanying vest issuance

Officers may carry a flashlight of any material that is black and has a maximum length of 7½" on their police equipment belt.

Pagers & Cellular Telephones

Employees may wear pagers and/or cell phones. Those with sound alert shall silence them on assignments where safety is a consideration. Pagers and cell phones shall not be visible on the dress uniform.

5. Holsters

The requesting officer's Bureau Chief must approve any exception to this General Order.

Any holster worn must provide weapon retention. Officers wearing a uniform without the police equipment belt shall use a black, belt-mounted holster that encloses most of the barrel and frame and firmly secures the firearm. Snaps may be brass-colored or black.

Uniformed officers carrying the Departmental issued firearm on a police equipment belt shall use an issued holster.

VOLUME I, CHAPTER 17. EQUIPMENT

Non-uniformed, commissioned, and off-duty officers shall carry authorized firearms in a holster that:

6. **Restraint Devices**

Flex-Cuffs®

The use of Flex-Cuffs® as a restraint device is generally restricted to incidents where officers plan to make multiple arrests.

When using Flex-Cuffs®, officers will make sure that they are able to slide their pinkie finger between the Flex-Cuff® and the subject's wrist or ankle. Flex-Cuffs® will be checked for proper tightness every 30 minutes. Flex-Cuffs® will only be removed with wire cutters.

Handcuffs

Officers are authorized to use the issued Smith & Wesson Model M-100 handcuffs. Officers may also use Smith & Wesson hinged handcuffs.

Officers wishing to use any other brand or style of handcuff must have them inspected and approved by the Community Policing Institute prior to using them.

The Ripp™ Hobble

The Ripp™ Hobble is authorized for use only when the officer has articulable suspicion that one or more of the following circumstances are present:

- ❑ To restrain subjects that display active resistance
- ❑ To restrain subjects that display threatening behavior toward the officer or others
- ❑ To restrain subjects that the officer believes might try to escape on foot after being handcuffed

VOLUME I, CHAPTER 17. EQUIPMENT

Only those officers trained and certified by the Community Policing Institute (CPI) may use the device. It shall be used in accordance with the approved curriculum.

Under no circumstances will the device be used on a compliant or cooperative arrested subject. In addition, the device shall not be used on a subject who is known to be pregnant.

In all cases when the device is deployed, the arrestee will be continually monitored for signs of distress or the development of medical problems. If these problems develop, EMS assistance shall be immediately sought.

Following restraint, the individual shall immediately be moved to a seated, kneeling, or standing position to minimize the possibility of positional restraint asphyxia. The restrained individual should not be left in a prone (face down) or supine (face up) position for any longer than necessary to apply the restraint device. While in these positions, pressure on the individual's back or chest or the weight of individual's own stomach may restrict normal breathing and lead to positional restraint asphyxia.

An arrestee shall never be placed in a hog-tie position.

When transporting an arrestee in the Ripp™ Hobble, always secure the loose end inside the car. Never leave the strap hanging out of the door.

Each time the Ripp™ Hobble restraint system is utilized, the officer will document it on an Incident Report and a CIR. Documentation will include the reason for use, the condition of the restrained individual, and any injuries to officers or others.

The WRAP™

Identifiable symptoms and behavior patterns of an individual possibly suffering from cocaine/drug induced psychosis or excited delirium include the following:

- Bizarre and aggressive behavior
- Violent behavior towards persons or objects
- Shouting, often irrationally
- Incoherence
- Fear
- Panic
- Paranoia
- Dilated pupils
- High body temperature
- Public disrobing
- Profuse sweating
- Shivering
- Hiding behind cars, trees and bushes
- Jumping into water

VOLUME I, CHAPTER 17. EQUIPMENT

- ❑ Self-inflicted injuries
- ❑ Unexpected physical strength

If an officer believes that an individual is experiencing cocaine psychosis or excited delirium syndrome, the officer shall:

- ❑ Notify Communications of a possible Signal 90
- ❑ Notify a supervisor the rank of sergeant or above, who shall respond to the scene and authorize the use of the Wrap™
- ❑ Request an EMS unit for transport assistance to a hospital
- ❑ Stand by until adequate officers arrive to initiate the authorized swarm method utilizing the Wrap™ restraint system

If signs of breathing or medical problems develop once the individual is restrained, appropriate first responder medical attention will immediately be administered. PSC will be updated on the subject's medical condition so the responding EMS unit can be advised.

Once the individual is properly restrained in the Wrap™, he or she will be transported in a seated position via PGFD ambulance to the closest designated hospital within Prince George's County. The designated medical facilities include:

- ❑ Greater Laurel/Beltsville Hospital
- ❑ Prince George's Hospital Center
- ❑ Southern Maryland Hospital

An officer will ride in the ambulance and continually monitor the restrained individual for signs of positional restraint asphyxia.

Only officers trained and certified by the CPI may use the device. It shall only be used in accordance with the approved curriculum.

The Wrap™ is not appropriate for use on compliant, non-violent subjects. In addition, the device shall not be used on a subject who is known to be pregnant.

Supervisor's Responsibilities

Supervisors will immediately respond to the scene of a Signal 90 with the Wrap™ device when notified. The supervisor will determine whether the Wrap™ will be deployed based on the behavior of the subject. If the device is deployed, the supervisor will ensure proper transport to a medical facility.

Each time the Wrap™ restraint system is deployed, the custody officer will complete an Incident Report. The supervisor shall complete a CIR that will include the reason for use, condition of the restrained individual, any injuries to officers or others, and use of force numbers. When the transported subject requires an emergency psychiatric evaluation, the custody officer shall complete the appropriate paperwork.

VOLUME I, CHAPTER 17. EQUIPMENT

The supervisor should inspect the Wrap™ after each use for signs of wear and fatigue. All belts should be free from tears, fraying, worn, or damaged fasteners, and damaged stitching. If cleaning is necessary, apply a mild soap or disinfectant. The Wrap™ should be allowed to thoroughly air-dry in an area that is not exposed to direct sunlight. Do not dry-clean or attempt to dry the Wrap™ with a heating device. If any deficiencies are observed in the device, it should be returned to the CPI for repair or replacement.

7. Flak Vests & Gas Masks

Flak vests and gas masks are maintained at facilities designated by the Chief of Police. The commanders of such facilities are accountable for their maintenance and shall ensure they are inspected monthly for readiness.

Distribution of Equipment

Supervisors issuing this equipment to officers not personally assigned such items shall:

- Provide for the equipment to be transported to the location of intended use
- Supervise the equipment issuance, listing all officers to whom equipment is issued
- Ensure the equipment is returned by officers
- Ensure necessary cleaning, maintenance or repairs are done before returning to storage

Officers issued this equipment shall return it to the issuing supervisor and inform him or her of any equipment defects.

8. Riot Helmets

The riot helmet may only be worn with supervisory approval. On-duty patrol and SOD officers (except motor officers) shall maintain a riot helmet at their assignment or in the police vehicle.

9. Motorcycle Helmets

Officers shall wear a Departmental motorcycle helmet whenever operating any Departmental two-wheeled motorized vehicle.

10. Reflective Safety Vest

The reflective safety vest will be worn as the outermost garment whenever any employee or police explorer is engaged in traffic direction, except during an emergency short-term situation.

11. Tire Deflation Devices

An alternative to stopping a vehicle being pursued, or to reduce the speed of a vehicle that may be fleeing from an officer, is the use of a Tire Deflation Device. Only Department approved Tire Deflation Devices may be used by officers.

VOLUME I, CHAPTER 17. EQUIPMENT

Tire Deflation Devices are issued in an assortment of sizes for different implementation strategies. These include:

- ❑ Full traffic lane coverage
- ❑ Coverage of one side of a vehicle (between front and rear tires)
- ❑ Coverage of a single tire

Use of a Tire Deflation Device on a moving vehicle will be accomplished only with a full traffic lane coverage device. Whenever possible, prior to the deployment of a Tire Deflation Device on a moving vehicle, the deploying officer will request approval of a supervisor. The deploying officer will broadcast the location to PSC that the Tire Deflation Device is deployed, including the street/road name, direction and lane number.

Officers will allow enough clearance between the moving vehicle and police vehicles to allow the Tire Deflation Device to be removed from the roadway.

Tire Deflation Devices not designed for full lane coverage will only be deployed when the target vehicle is stopped or parked. Whenever possible, prior to deployment of a Tire Deflation Device on a stopped or parked vehicle, the deploying officer will request approval of a supervisor. The deploying officer will broadcast the location to PSC that the Tire Deflation Device is deployed, including street/road, direction, vehicle/suspect description and reason for deployment.

Tire Deflation Devices may be deployed with a supervisor's approval in situations in which a pursuit would not otherwise be authorized. These situations include serious traffic violations or motor vehicle offenses that create a continuing threat or danger to the public or other police officers, such as:

- ❑ Stolen autos that fail to stop
- ❑ Reckless/negligent driving
- ❑ Known armed individuals that fail to stop
- ❑ Tactical situations such as barricades, civil disturbances, or warrant services
- ❑ DWI

This list is not inclusive.

Only officers who have received both classroom and practical training in use of a Tire Deflation Device may deploy it. The CPI shall maintain a training program in the use of authorized Tire Deflation Devices.

At no time when deploying a Tire Deflation Device shall cords or other parts of the device be held or wrapped around the deploying officer's wrist, hand, arms or other body parts, including clothing or gear. Cords shall be laid on the ground until the Tire Deflation Device is struck by the wanted vehicle. Once deployed, the Tire Deflation Device shall be immediately removed from the roadway.

VOLUME I, CHAPTER 17. EQUIPMENT

A Tire Deflation Device shall not be used in situations involving two or three wheeled motorcycles or four-wheel all-terrain vehicles.

A Tire Deflation Device will not be deployed on exit ramps, merge lanes or turn lanes.

Tire Deflation Devices shall not be deployed when non-involved vehicles may be damaged.

Tire Deflation Devices may not be deployed outside of Prince George's County.

All uses of a Tire Deflation Device shall be documented on a CIR and faxed to the Tire Deflation Device Coordinator and IAD, prior to the end of duty.

Replacement of deployed Tire Deflation Devices will be the responsibility of the Tire Deflation Device Coordinator. The deploying officer shall arrange for replacement of the deployed Tire Deflation Device within 72 hours, by delivering the deployed device to the Tire Deflation Device Coordinator.

12. Tactical Emergency Casualty Care (TECC) Kit

The Tactical Emergency Casualty Care (TECC) kits are issued to officers to provide critical emergency medical care to themselves or another in circumstances when they are the first arriving responders. Training for the TECC kit is mandatory prior to issuance.

The TECC kits are designed to assist an officer with providing life saving techniques associated with a severe life threatening hemorrhage to the extremities, such as the neck, arms, or legs. Examples of injuries include, but are not limited to, gunshot wounds, stab or slash wounds, and amputations (partial or full).

The TECC kits will be assigned to the officer and not to their assigned departmental vehicle. If reassigned a vehicle, the officer is responsible for removing the TECC kit from the old vehicle and placing it into the new one. The TECC kit shall be attached to the back of the vehicle's front headrest (driver or passenger side) so that it is readily available for the officer or another in the event of an emergency. Officers who are not issued a marked or unmarked vehicle are not required to attach their kit to a headrest of their work vehicle (ex. Leased Vehicle), however, they should have their TECC kit available based on operational necessity.

When any item in the TECC kit is used, documentation of the incident is mandatory. The officer shall bring a copy of the report and their kit to the TED for follow-up within seventy-two (72) hours of the incident. The report must detail the officer's actions in reference to the kit item(s) and technique they applied to the victim. In the event that a TECC kit is lost or stolen, the officer shall document on an Incident Report and present a copy to TED for reissuance of a new kit.

VOLUME I, CHAPTER 18. SECONDARY (EXTRA-DUTY) EMPLOYMENT

18. SECONDARY (EXTRA-DUTY) EMPLOYMENT

(January 2013)

I. POLICY

The Prince George's County Police Department recognizes the benefits of secondary employment, both to its employees and to the community.

The policy of the Prince George's County Police Department is that employees of the Department may engage in secondary employment when the employment conforms to the existing laws and regulations, does not conflict or interfere with the mission of the Department, present the perception of impropriety, or undermine the integrity or efficiency of the Department.

The Department may, consistent with the Law Enforcement Officers Bill of Rights (LEOBR), reasonably regulate secondary employment.

All Secondary Law Enforcement Employment (SLEE) will be conducted within Prince George's County, Maryland. No SLEE will be approved for sites outside of Prince George's County, except upon approval of the Commander, Office of Secondary Employment (OSE).

Officers are permitted to work SLEE subject to the restrictions stated in this policy. Officers shall transmit exemption requests to these provisions through their chain of command to the Commander, OSE. The Commander, OSE is prohibited from working SLEE.

It is the responsibility of all Departmental supervisory personnel to ensure compliance with this policy.

II. CHECKLIST (N/A)

V. PROCEDURES

1. Application Process

The Commander, OSE, or designee, shall serve as the coordinator for requests to perform Secondary Law Enforcement Employment. VOLUME I, CHAPTER 20. FIELD TRAINING PROGRAM

20. FIELD TRAINING PROGRAM

(September 2008)

I. POLICY

The Field Training Officer is the means by which the goals of the Field Training Program are achieved. The Department recognizes that in order for the Field Training Program to be successful, careful consideration must be given to the selection of participants. Field training is a 60 working day program required for all probationary officers. It is an extension of the training provided by the Training and Education Division, and provides probationary officers with instruction, direction, guidance, and experience. The program assists them in developing judgment, increasing efficiency, and establishing good habits with respect to conduct and appearance.

The Field Training Program aids the Department in determining whether or not a probationary officer meets the requirements to become a permanent member of the Department.

II. CHECKLIST (N/A)

VOLUME I, CHAPTER 20. FIELD TRAINING PROGRAM

V. PROCEDURES

1. FTO Period: Sixty-Day Minimum Requirement

Upon graduation from the Training and Education Division, probationary officers are required to complete a 60 working day course of instruction with a Field Training Officer. The probationary officer is a student, not a partner, in a two-person unit.

Probationary officers may take two days of sick or annual leave during the Field Training Program and receive credit for those days.

Probationary officers shall not ride with an officer that is not a certified FTO, including the senior corporal, for more than six days during the 60-day cycle. Days beyond six shall be made up with a certified training officer. A certified training officer includes a Field Training Officer, a Sergeant, or a Corporal formally appointed, in writing, as the "Officer in Charge" (OIC) of a squad.

Probationary officers are evaluated on the following numerical scale:

- 1 = Unacceptable
- 2 = Poor
- 3 = Satisfactory
- 4 = Above Average
- 5 = Outstanding

Probationary officers must have a rating of 3 or better in each category for the last 15 days of field training in order to be released from the program. Successful completion of the Field Training Program is required to be retained as a permanent employee.

2. Assignment of Probationary Officers

Prior to their graduation, the Training and Education Division shall provide the Patrol Services with the number of probationary officers graduating from Basic Training. PS then provides TED with the number of probationary officers to be assigned to each District Station.

The Departmental Coordinator shall conduct three mandatory debriefing sessions during the probationary officer's field training. Sessions will take place when probationary officers rotate assignments. Supervisors and District Station Coordinators are encouraged to attend these sessions.

Debriefing sessions are conducted to evaluate the Field Training Program, identify deficiencies, and provide a forum for the exchange of information. This enables the FTO and the probationary officer to evaluate their performance and review their training files. The Departmental Coordinator will meet with the FTOs and probationary officers individually to address any concerns.

5. Requirements for Releasing a Probationary Officer from Field Training

To be released from the Field Training Program, probationary officers must:

The Field Training Program is 60 working days at a minimum. If a probationary officer's performance is less than satisfactory in any category during the last 15 days of the program, it may be extended.

If the Field Training Program is extended, the probationary period may also be extended. The TED will be responsible for completing the Personnel Notification Form required for extension by MPCTC. The District Commander shall be responsible for completing the appropriate paperwork to request the probation extension from the Personnel Commander/Manager.

FTOs may request extension of the Field Training Program via an Inter-Office Memorandum forwarded through the chain of command to the District Commander. A copy shall be sent directly to the TED for inclusion in the probationary officer's training file. The FTO Steering Committee will review all requests, and determine the likelihood of improvement if an extension is granted.

VOLUME I, CHAPTER 20. FIELD TRAINING PROGRAM

If the probationary officer's deficiencies are significant, they may immediately be re-assigned to the Training and Education Division.

7. **Remedial Training**

The Field Training Officer may provide remedial training during the Field Training Program. Examples of this include:

- Requiring the probationary officer to repeat tasks
- Having the probationary officer observe the FTO performing certain tasks

Remedial training must address deficiencies displayed by the probationary officer. Included in the Field Training Manual is a Remedial Training Plan worksheet. Commanders/ Managers will be notified by the Office of the Comptroller or FMD of the phases for upcoming budget process. Written budget requests will be prepared by the major Departmental components, and submitted to the FMD through the chain of command. VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

The Department explicitly prohibits any officer who used force during an incident, whose conduct led to the injury of a prisoner during an incident, or who authorized conduct that led to the injury of a prisoner during an incident, from investigating the incident.

1. Conducting Investigations

Upon receipt of a complaint, the investigator shall review the allegation(s) and:

- Determine the alleged infraction
- Identify the complainant or victim
- Identify the respondent
- Gather relevant documentation
- Submit a Request for Case Numbers Form to IAD
- Complete background checks of all involved

Notifications of the disposition shall not be sent to the complainant or respondent until authorized by the Chief of Police.

2. Criminal Investigations

The provisions of the LEOBR do not apply during the criminal phase of an investigation. If a criminal charge is contemplated or likely, the investigator will advise the respondent of his or her Miranda Rights and proceed with the criminal investigation.

The investigator shall conduct a separate, independent, internal investigation regarding violations of Departmental written directives after the criminal case has been adjudicated in court or the Office of the State's Attorney declines to prosecute.

3. Administrative Investigations

Interrogation of Sworn Employees

All interrogations shall be conducted under duress and in accordance with LEOBR. The Prince George's County Police Department Duress Statement Form shall be used to order the respondent to provide a statement and answer questions related to the investigation.

Sworn officers and probationary officers alleged to have used excessive force may delay providing a statement for up to 10 days. If following the 10-day period, a respondent refuses to provide a statement and answer questions, the investigator shall charge the respondent with insubordination and notify the Commander, IAD.

VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

Probationary sworn employees are not afforded the opportunity to delay the providing of a statement, unless the incident involves a use of force.

Interview of Sworn Employee Witnesses

An employee identified as a witness shall be interviewed. The interview shall be documented on a Prince George's County Police Department Statement of Victim/Witness/Suspect Form. If necessary, investigators shall order witnesses to provide statements.

If, during an investigation, an employee originally identified as a respondent is determined to be a witness, the investigator shall notify him or her within one working day.

Interrogation of Civilian Employees

When the respondent is a civilian employee, the guidelines enumerated in the PCEA contract, Personnel Law, and Prince George's County Code shall guide the course of the investigation.

4. Interagency Investigations

Employees shall not submit to interviews or interrogations conducted by employees of other agencies, unless authorized by IAD. An exception would be if a timely response is needed to facilitate emergency actions by the other agency; in such cases, responses to general inquiries are authorized. An example would be a supervisor from another agency asking about criminal charges filed against his or her subordinate by our Department.

5. Police-Involved Shootings & In-Custody Deaths

(Courts & Judicial Proceedings Article, Sec. 10-401, et. seq.)

Actions for Any Discharge Scene

Anytime an officer discharges a firearm or becomes aware that any law enforcement, public safety, or corrections officer has discharged a firearm in the County, he or she shall immediately notify PSC.

Investigative Responsibility

The Special Investigative Response Team (SIRT) shall be responsible for the investigation of all contact and non-contact police shootings involving PGPD, PGFD, and PGDOC officers. SIRT shall investigate both the criminal aspect and the administrative aspect of the officer's actions.

Any criminal act that precipitated the officer discharging his or her firearm, shall be investigated by the appropriate investigative unit that would normally be assigned to investigate that type of the incident. For example: A suspect commits a shooting. While fleeing the scene, he encounters the responding officers and points his weapon at the officers. The officers, fearing for their lives, discharge their weapons at the suspect. The suspect is subsequently apprehended. The District Investigative Section would be responsible for investigating the initial shooting and charging the

VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

suspect with that shooting and the assault on the officers. SIRT would be responsible for the criminal and administrative investigation of the officers' actions.

Documenting the Incident

The responding patrol officers shall be responsible for the completion of all initial reports. The patrol supervisor shall be responsible for obtaining a use of force number from PSC and completing a CIR for the incident.

SIRT's Responsibilities

A SIRT investigator shall respond to the scene to ensure proper crime scene preservation and maintain control over witnesses and suspects. SIRT will designate a staging area for all team members and command staff arriving at the scene. If requested, SOD will provide the mobile command post.

The SIRT investigator is responsible for the following:

- ❑ All PGPD, PGFD, and PGDOC accidental discharges, regardless of whether or not they result in injury or death, occurring inside the County
- ❑ All PGPD accidental discharges, regardless of whether or not they result in injury or death, occurring outside the County
- ❑ In-custody deaths
- ❑ Incidents where injury is inflicted and death is imminent
- ❑ Canine apprehensions
- ❑ Shootings of animals for reasons other than humanely destroying them

The Evidence Section shall be requested to process the scene. Officers shall surrender their firearms to the SIRT investigator or an evidence technician on demand.

Intentional Firearm Discharges - Inside the County

Officers shall cooperate with SIRT investigators. The discharging officer shall complete a Use of Force Report.

Discharging officers will not transport themselves away from the scene; a SIRT investigator shall arrange transportation.

SIRT investigators shall:

- ❑ Conduct interviews in accordance with the LEOBR
- ❑ Obtain copies of reports and witness statements
- ❑ Determine the leave status of involved officers and serve them documents placing them in that status pending SIRT disposition

VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

- ❑ Release all officers and witnesses

The involved officer's Bureau Chief shall determine the officer's assignment pending SIRT's disposition of the case.

Intentional Discharges Outside the County or Area of Exclusive Jurisdiction

If an intentional discharge occurs outside the County, or in an area of exclusive jurisdiction, the discharging officer shall notify PSC as well as the primary law enforcement provider for that area.

The discharging officer shall comply with the following:

- ❑ Secure the scene for processing and identify witnesses
- ❑ Secure the firearm when the incident is stabilized
- ❑ Remain on scene until released by the investigating agency
- ❑ Upon return to the County, complete a Use of Force Report

If requested by the investigating agency, the discharging officer shall surrender his or her weapon. If not seized by the investigating agency, a SIRT investigator or evidence technician shall seize the weapon.

A SIRT investigator shall respond to discharge scenes immediately adjacent to the County. He or she shall ensure the:

- ❑ Security or transport of vehicles and equipment
- ❑ Identification of all officers who discharged firearms
- ❑ Completion of a Report of Investigation
- ❑ Discharging officers and other involved officers are provided transportation away from the scene

Other reports will be completed by or at the direction of the SIRT investigator.

The Director, Office of Professional Responsibility, will coordinate with the agency investigating the discharge of a firearm.

Disposition of Firearm

In all intentional police-involved Departmental shootings in the County, the discharging officer shall only surrender his or her firearm to the assigned SIRT investigator or evidence technician.

Post-Shooting Requirements

Any officer who discharges a firearm, accidentally or intentionally shall, within 72 hours of receiving the post-shooting letter from the SIRT investigator, contact the following to schedule an appointment:

- ❑ Psychological Services

VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

- ❑ Community Policing Institute to attend the Judgment Enhancement Training Program
- ❑ Director, Weapons and Survival Skills to qualify with all authorized on-duty and off-duty firearms

Attendance at these appointments is mandatory and shall be completed within ten working days following the incident. Involved officers shall notify their Commander/Director of their completion of these appointments. Subsequently, their Commander/Director must notify the SIRT Commander of their officer's adherence to this protocol.

Evidence Section

The Evidence Section shall process:

- ❑ All intentional discharge of firearm scenes in the County (with or without injury or death)

6. Discharge of Firearms – Notifications Not Required

Notifications to PSC are not required for:

- ❑ Ensure that the appropriate Bureau Chief of the involved officer is immediately and personally notified
- ❑ Determine the circumstances of the incident and severity of the injuries
- ❑ Ensure completion of a CIR
- ❑ Ensure the involved officer schedules an appointment with Psychological Services within 72 hours following the incident

VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

incident where injury is inflicted and death is imminent; this excludes fatal traffic accidents. Handwritten statements may also be taken simultaneously to supplement the taping.

Prior authorization from a SIRT supervisor is required to deviate from these taping procedures. The authorization shall be documented on the Audio/Video Exception Authorization Form. The original shall be maintained in the investigative file.

Exceptions-Criminal Phase

Maryland law does not allow one-party consent to audiotape in non-fatal incidents. Therefore, unless the person is deceased, consent to audiotape must be obtained.

For non-fatal incidents, investigators shall obtain permission from the individual at the time the statement is given. This permission shall be obtained and documented on the PGPD Recorded Interview Script-Witness Form.

Administrative Phase

Maryland law dictates different criteria for administrative investigations. Therefore, during the administrative portion of the interview, the audio recording shall be in accordance with the Law Enforcement Officers' Bill of Rights (LEOBR) and documented on the PGPD Recorded Interview Script – Respondent Form.

9. Duty Status

For information regarding duty status (i.e., Administrative Leave, Suspension of employees, Discretionary Suspension, Mandatory Suspension, Suspension Procedures, Suspension Hearings, and Restoration to Duty, *See: VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS.*

10. Citizen Complaint Oversight Panel (CCOP) Review

The CCOP reviews Reports of Investigation for completeness and impartiality and submits comments and recommendations to the Chief of Police within 30 working days.

The panel may conduct its own investigation independently of, and concurrently with, any investigation being conducted by OPR.

The panel may also apply to the Prince George's County Council for the issuance of subpoenas upon any person to appear before the panel.

The Chief of Police shall notify the panel within two working days of the final disposition of all cases where a complaint alleges the use of force, abusive language, or harassment.

11. Human Relations Commission (HRC)

VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

The Human Relations Commission shall investigate every case alleging the use of excessive force, abusive language, or harassment by a law enforcement officer in accordance with the provisions of the Human Relations Code.

The investigation and hearing by the Human Relations Commission shall not be construed to constitute an investigation or hearing that could lead to disciplinary action, demotion, or dismissal of a law enforcement officer.

12. Red Light Camera Violations in a Departmental Vehicle

Officers responding priority to an emergency may disregard traffic laws pursuant to Section 21-106 of the Maryland Transportation Article.

When Commanders/Directors receive a red light camera citation from the Office of Central Services, they shall forward them to the employee's supervisor for investigation.

If a Commander/Director determines that the violation was a result of a failure to obey a traffic control device, the employee shall have the option of paying the fine or contesting the matter in court. The Commander/Director shall impose appropriate disciplinary action. A first offense is treated as a Category 1 violation.

If the Commander/Director determines that the violation occurred during the proper use of police authority, the Commander/Director shall forward a memorandum containing facts that support his or her conclusion, along with a copy of the citation, through the chain of command to the Office of the Chief. The Office of the Chief shall notify the issuing jurisdiction that the citation should be voided.

13. Lost, Damaged, or Stolen Equipment

Notifications & Investigations

This subsection does not apply to Departmental accidents.

When Departmental equipment is lost, damaged, or stolen, the officer shall immediately submit an Incident Report to his or her supervisor.

The supervisor shall transmit the Incident Report to his or her Commander/Director and, as appropriate:

- Send a Department-wide e-mail message containing descriptions, identification numbers, and markings of those items
- Determine whether to conduct a formal investigation
- Conclude whether employee negligence caused the loss, damage, or theft of the equipment

The officer's supervisor shall determine whether the loss, damage, or theft warrants a formal investigation; if so, the supervisor shall conduct the investigation. The investigation shall specify

whether employee negligence caused the loss, damage, or theft and whether disciplinary action is warranted.

Replacement of Equipment Items

When a Commander/Director accepts the investigating supervisor's conclusion that the employee was negligent for the damage, loss, or theft of an equipment item, the Commander/Director shall determine if the employee should make restitution and submit that recommendation to the Chief of Police. The Chief of Police may order the employee to pay the repair or depreciated replacement cost of the item as appropriate. Restitution does not of itself constitute a disciplinary action.

When a Commander/Director finds an employee not at fault for the damage, loss, or theft of an equipment item or an item of uniform apparel damaged in the line of duty, the Commander/Director shall write a memorandum approving replacement to the Commander/Director of the division or unit that issues the item and give a copy to the employee.

Uniform & Equipment Replacement Pending Investigation

Officers may immediately obtain replacement uniforms and equipment (other than radio equipment and firearms) from the appropriate component. If the Commander/Director subsequently finds the officer negligent, the Commander/Director shall determine if the employee should make restitution and submit that recommendation to the Chief of Police. The Chief may order the employee to pay the repair or depreciated replacement cost of the affected item as appropriate.

Public Service Aide (PSA) Uniforms

Cases of lost, damaged, or stolen PSA uniforms and equipment are handled in the same manner as cases involving officers.

When available, the destroyed or damaged items shall be returned to the dispersing division or unit at the time of replacement.

VOLUME I, CHAPTER 22. INTERNAL INVESTIGATIVE PROCEDURES

- ❑ Non-sustained
- ❑ Sustained
- ❑ Unfounded

Investigations shall be completed within 30 days of assignment, although circumstances may justify an extension. Requests for extensions shall be made to the appropriate Bureau Chief through the chain of command. The Bureau Chief may approve requests for extensions.

Transmitting Investigative Reports

All investigative reports must be forwarded to the Chief of Police, except as provided for in the LEOBR. Within 24 hours after the review of a ROI, the Chief of Police shall send a copy to the Citizen Complaint Oversight Panel (CCOP).

If the Chief of Police determines that substantive issues have not been adequately or impartially addressed, the Chief of Police shall instruct OPR, or the appropriate Commander/Director, to continue the investigation.

Upon completion of the investigation and any hearings required by the LEOBR, the complainant shall be notified of the outcome of the investigation, including any disciplinary action taken, to the extent permitted by Maryland Law. Notification letters regarding disposition shall not be sent to the complainant or respondent until authorized by the Chief of Police or his designee.

15. Evaluation of Investigations

Commanders/Directors shall evaluate each investigation within their command to determine if underlying problems and/or training needs exist. Each evaluation shall be documented on an Inter-Office Memorandum and submitted through the chain of command to their Bureau Chief. The Inter-Office Memorandum shall detail the evaluation and make appropriate recommendations for addressing any underlying problems or training needs.

The Bureau Chief will review the evaluation and attach comments either concurring or non-concurring with the District/Division Commander's/Director's findings. A copy of the evaluation and the Bureau Chief's comments shall be forwarded to the Chief of Police.

The Chief of Police or his or her designee shall review the recommendations, indicating concurrence or non-concurrence, and return them to the Bureau Chief for follow-up action, if necessary. V. PROCEDURES

1. Annual Leave

(Personnel Law, Section 16-220)

All full-time employees earn annual leave as follows:

Years of Service	Hours Earned per Pay Period
0-3	4
4-15	6
15+	8

Maximum Accumulation

For employees covered by collective bargaining, the maximum carryover of annual leave from one calendar year to the next is determined by the negotiated labor agreements.

Beginning with the first pay period in fiscal year 1996, General Schedule (GS) employees may accumulate a maximum of 360 hours of annual leave. G-scale employees shall be allowed to carry over any annual leave earned as of the last full pay period in fiscal year 1995, even if such accumulated amount exceeds the maximum allowed.

At the end of each calendar year, employees' annual leave hours that exceed the maximum shall be converted to sick leave hours.

Use & Approval

Employees may use annual leave in ½ hour increments. Civilian employees represented by the Police Civilian Employees Association (PCEA) may use annual leave in ¼ hour increments.

A supervisor must approve annual leave in advance. Approval will be based on staffing and employee commitments, such as training, court, or length of leave period requested.

Annual leave requests for five or more days shall be submitted to the employee's supervisor at least 14 days in advance of the leave period. Employees shall submit leave requests for less than five days as soon as possible and reasonable to the time of use. Supervisors shall promptly respond to an employee's leave request.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

Annual Leave Payout Upon Separation

(Personnel Law, Section 16-221.02)

Upon separation, a departing employee may:

- ❑ Retain his or her annual leave pending future County employment
- ❑ Apply all or a portion of his or her annual leave balance to employment elsewhere, provided that his or her new employer will accept the leave balance
- ❑ Receive a lump-sum payout in accordance with negotiated labor agreements or Personnel Law
- ❑ Use his or her annual leave balance to purchase service credit in accordance with negotiated labor agreements

The departing employee must select one of the options no later than 10 days prior to separation. Otherwise, the lump sum payout option is automatically triggered.

For employees covered by collective bargaining, the maximum leave payout for employees separating from employment is determined by the negotiated labor agreements. For GS employees, the maximum payout of annual leave upon separation shall be equal to the amount of remaining annual leave as of the end of the last full pay period in FY 1995 or 360 hours, whichever is greater. The rate of payment is the employee's final base hourly rate of pay.

2. Sick Leave

(Personnel Law, Section 16-221)

Full-time employees earn 4½ hours of sick leave per pay period with adjustments to ensure accrual of 15 days of sick leave per leave year. Sick leave may be accumulated without limit. Unused sick leave in a leave year is carried over and maintained in the employee's sick leave account.

Employees may use sick leave in ½ hour increments. Civilian employees represented by the PCEA may use sick leave in ¼ hour increments.

Uses

An employee may use earned sick leave for the following:

- ❑ Sickness, disability, or serious health condition that incapacitates the employee
- ❑ Medical or dental appointments
- ❑ Confinement due to quarantine
- ❑ Illness or serious health condition of a spouse, child, parent, mother/father-in-law, grandparent, or grandchild

- ❑ Birth or adoption of a dependent child

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

Employees on shift work shall notify their immediate supervisor of the need to use sick leave no later than 1½ hours prior to the start of their shift. The supervisor shall be responsible for documenting the employee's information on the appropriate sick log.

Employees working permanent schedules shall notify their immediate supervisor of the need to use sick leave at the time the office normally opens for business or within ½ hour of the time they are expected to report to duty.

An employee must make personal contact with his or her immediate supervisor to obtain approval for sick leave.

Certification of Illness

Supervisors may require an employee to submit a physician's certification of illness or other documentation to support the employee's use of sick leave. Employees shall present the requested certification to their supervisor upon returning to duty.

Denial of Sick Leave

When the Chief of Police denies a sick leave request, time absent from work is charged to the employee's annual leave balance. If the annual leave balance is insufficient to cover the absence, the deficiency shall be charged as Leave Without Pay (LWOP).

Employer-Mandated Sick Leave

The Chief of Police may place an employee on sick leave whenever a medical opinion confirms that the employee's medical condition may seriously impair his or her ability to perform his or her duties or may jeopardize the health or safety of the employee or other persons.

Sick Leave Payout Upon Separation

(Personnel Law, Section 16-221.02)

Upon separation, departing employees may:

- Retain their sick leave pending future County employment
- Apply all or a portion of their sick leave balance to employment elsewhere, provided that their new employer will accept the leave balance
- Receive a lump-sum payout in accordance with negotiated labor agreements or Personnel Law
- Use their sick leave balance to purchase service credit in accordance with negotiated labor agreements

The departing employee must select one of the options no later than 10 days prior to separation. Otherwise, the lump sum payout option is automatically triggered.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

3. Holiday Leave

(Personnel Law, Section 16-219)

(Negotiated Labor Agreements)

Employees, both sworn and civilian, are eligible for holiday leave with pay on County holidays as established by Personnel Law.

Employees that must work on a holiday shall be compensated in accordance with negotiated labor agreements.

When a holiday falls on an employee's regular day off, he or she shall be compensated in accordance with negotiated labor agreements.

4. Compensatory Leave

(Personnel Law, Section 16-227)

(Negotiated Labor Agreements)

(Fair Labor Standards Act)

The Fair Labor Standards Act (FLSA) limits the number of hours that a law enforcement employee may accumulate as compensatory leave to 480 hours (the threshold is 240 hours for non-law enforcement employees). Any compensatory time earned in excess of these thresholds will be automatically paid out as overtime. As for compensatory leave that does not exceed the FLSA threshold, the FLSA requires only that it be paid out upon termination of employment with the department. Effective immediately, in light of the current economy, requests for payment of accrued compensatory leave that does not exceed the FLSA threshold will not be paid out prior to termination of employment with the department unless otherwise negotiated in the relevant collective bargaining agreement. Compensatory leave will continue to be accrued, and overtime paid, consistent with the Fair Labor Standards Act, County law and the applicable collective bargaining agreement. Employees shall be permitted to use any compensatory leave earned in the same pay period that it is accrued at the request of the employee as long as allowing the employee to do so does not "unduly disrupt operations." Consistent with the negotiated labor agreement, officers whose FLSA compensatory leave balance exceeds 240 hours are required to use any FLSA compensatory leave in excess of 240 hours before using County compensatory leave.

5. Personal & Discretionary Leave

(Personnel Law, Section 16-228)

(Negotiated Labor Agreements)

Personal leave is granted in accordance with negotiated labor agreements and Personnel Law. Personal leave may be taken in four-hour increments during the wage year in which it is earned.

Discretionary leave is granted in accordance with negotiated labor agreements or applicable County salary schedules. Discretionary leave may be taken in one-hour increments, unless stated otherwise in labor agreements or salary schedules.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

6. **Administrative Leave**

(Personnel Law, Section 16-222)

(Administrative Procedure #284)

The Chief of Police may grant administrative leave to any full or part-time employee for any one of the following:

- Jury duty
- Voting
- Pending the Chief of Police's decision when an AHB has recommended termination
- Pending results of an internal investigation
- Time away from the job on the date of an injury or occupational disease for medical treatment
- To attend educational courses directly related to an employee's duties
- Requests must be approved in advance by the County Personnel Officer and must not exceed 20 working days in a year
- To participate in law enforcement related competitions where the participants act as Departmental representatives and no inherent safety issue exists (i.e., the Pistol Team)
- To donate blood
- To investigate alleged acts of employee criminal misconduct, in accordance with Personnel Law Section 16-193(c)(2)(1)(2)
- To undergo a medical examination ordered by the Chief of Police
- During the five day period required by Personnel Law 16-201, when the employee's presence at work is deemed to not be in the agency's best interest

7. **Bereavement Leave**

(Personnel Law, Section 16-221 & Section 16-222)

(Negotiated Labor Agreements)

Bereavement leave may be taken following the death of a:

- Spouse
- Child (including biological, adopted, foster, stepchild, or legal ward)
- Parent
- Grandparent
- Brother
- Sister
- Grandchild
- Brother or sister-in-law
- Son or daughter-in-law
- Father or mother-in-law

Sworn employees and G-scale employees may use up to 5 days of bereavement leave. Civilian employees represented by the PCEA may use up to 4 days of bereavement leave.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

In the event of the death of an employee's spouse, child, or parent, the first three leave days shall be administrative leave. The remaining days will be charged to the employee's sick or annual leave balance or as leave without pay.

In the event of the death of an employee's grandparent, grandchild, brother, sister, brother/sister-in-law, father/mother-in-law, son/daughter-in-law, the first leave day shall be administrative leave. The remaining days will be charged to the employee's sick or annual leave balance or as leave without pay.

8. Military Leave

(Maryland Code 13-705 & 13-707)

(Personnel Law, Section 16-223)

Employees who are members of the National Reserve or Guard and are ordered to active duty will receive up to 15 days (120 hours) of paid military leave per leave year. In addition, employees ordered to extended active duty in the military may be eligible to receive supplemental pay upon exhaustion of all annual, personal, compensatory, and discretionary leave.

Employees who are members of the National Reserve or Guard and are ordered to domestic emergency duty related to disaster relief or civil disturbance shall also be granted up to 15 days (120 hours) of military leave for each such domestic emergency, unless longer periods are authorized by law.

Military Leave Without Pay

(Personnel Law, Section 16-223)

The Chief of Police may approve military LWOP when an employee is ordered to active duty in the military during a war or national emergency. The Chief of Police may also approve military LWOP when an employee has exhausted his or her annual entitlement of military leave with pay.

The employee is entitled to return to the position he or she held when granted the military LWOP. The employee must, within 90 calendar days of an honorable discharge, request that the Chief of Police restore his or her position.

9. Parental Leave

(Personnel Law, Section 16-225.01)

An employee eligible to earn annual leave may request parental leave. Employees may use up to 40 hours of parental leave for the birth or adoption of a child. Parental leave may be taken in combination with other types of leave or LWOP.

Employees need not use all 40 hours of parental leave at one time. However, all parental leave must be taken within 12 months of the birth or adoption of the child. The leave may not be taken in advance of the birth or adoption.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

Employees shall submit a written request for parental leave to their Commander/Manager at least 30 days in advance of the requested dates of use.

10. Family & Medical Leave

(Family and Medical Leave Act of 1993)

(Personnel Law, Section 16-225.01)

Employees who are eligible to earn annual leave, have been employed for at least 12 months, and have been paid for a minimum of 1,040 hours during the previous 12 months shall be eligible for up to 15 workweeks of family and medical leave during any 12 month period. For purposes of parental responsibilities associated with the birth or adoption of a dependent child, family and medical leave shall be granted to employees eligible to earn annual leave regardless of length of service with the County.

Family and medical leave may be taken in any combination of paid leave and job-protected LWOP, in increments as small as ½ hour. The 15 weeks may be taken continuously or:

- As a reduced workday or workweek
- On an intermittent basis
- Via a combination of these methods

Uses

An employee may use family and medical leave:

- For a sickness, disability, or serious health condition which makes the employee unable to perform the duties of his or her position
- For the birth of a child and to care for such child
- Due to the placement of a minor child with the employee for adoption or foster care
- To care for a spouse, child, parent or parent-in-law with a serious health condition
 - A serious health condition is an illness, impairment, injury, physical condition, or mental condition that involves inpatient care in a medical facility or continuing treatment by a recognized health care provider

Requesting Family & Medical Leave

Employees shall complete the Request for Parental Leave, Family and Medical Leave Form and forward it through the chain of command to the Chief of Police. A memorandum, identifying the circumstances for which the employee needs the leave, shall be attached to the request form. The Chief of Police shall subsequently forward the Request for Family and Medical Leave Form to the County Personnel Officer.

If the need is foreseeable, the employee shall request the leave at least 30 days in advance.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

Leave Authorization

The Chief of Police shall examine any request to determine if it meets the criteria. If the criteria are met, the Chief of Police shall grant the request. Use of family and medical leave will be denied if the requirements are not met. The employee's Commander/Manager will be notified of the approved leave by receiving a copy of the Chief of Police's response and shall ensure that the requesting employee is notified.

When an employee uses three or more consecutive days of sick leave, the employee's Commander/Manager shall immediately contact the Manager, Personnel Services Division to determine if the leave should be designated as family and medical leave. The employee will be notified in writing of the decision and of the employee's rights and responsibilities.

Certification of Serious Health Conditions

An employee may be required to submit a physician's certification to support the use of family and medical leave. The employee shall present this certification when requested. The documentation shall be provided on the Certification of Health Care Provider/Family and Medical Leave Act of 1993.

When an employee uses medical leave due to a disability or a serious health condition preventing him or her from performing his or her duties, the County, at its expense, may require a second or third opinion and a fitness for duty report. The Employee Injury Form must be completed before the employee can return to work.

Employee Leave Status

Time absent from work for family and medical leave is charged against the employee's annual or sick leave balances. If the leave balances are insufficient to cover the absence, the employee will be placed in a job-protected LWOP status.

Employee Benefits & Protection

Use of family and medical leave cannot result in the loss of any employment benefit that accrued before the start of an employee's leave. The employee must be restored to his or her original or equivalent position with equivalent pay, benefits, and other terms upon his or her return to work.

While an employee is on LWOP status for approved family and medical leave, the County will continue to make contributions to the employee's health and life insurance plans, provided the employee elects to continue the required employee contributions.

11. Advanced Leave

The Chief of Police may grant an employee up to a maximum of 10 working days of advanced leave per leave year. The advance may be annual leave, sick leave, or a combination of the two.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

When an employee returns to work, any remaining days of advanced leave will be deleted from his or her leave balance.

Advanced Annual Leave

(Personnel Law, Section 16-220)

An employee who does not have any annual leave may request an advance of annual leave of up to 10 days.

As the employee earns new leave, any leave that was advanced shall be repaid. If an employee separates from County employment with a negative leave balance, he or she shall be indebted to the County for the monetary value of the leave advance.

Advanced Sick Leave

(Personnel Law, Section 16-221)

An employee, having used all accumulated sick leave, may either use his or her annual leave or be automatically advanced sick leave up to an amount equal to the employee's accumulated annual leave balance, thus encumbering the annual leave. The employee may not use the encumbered annual leave until he or she has earned sufficient sick leave to offset the advance.

The employee may also request an advance of sick leave of up to 10 days.

As the employee earns new leave, any leave that was advanced shall be repaid. If an employee separates from County employment with a negative leave balance, he or she shall be indebted to the County for the monetary value of the leave advance.

Requesting Advanced Leave

When an employee submits an advanced leave request, his or her supervisor shall:

- Verify that the need for leave is stated
- Verify the leave balance and eligibility for the advanced leave request
- Submit a cover letter of concurrence or non-concurrence for the request and a summary of the employee's leave status to the Chief of Police

12. Leave Transfer to Another Employee

When an employee's sick and annual leave balances have been exhausted during a protracted illness, he or she may request:

- Up to 10 days of advanced sick leave
- A leave donation from another employee
- Approval to use family and medical leave without pay
- LWOP

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

The employee's supervisor shall submit a memorandum requesting the leave donation through the chain of command to the Chief of Police. The Chief of Police must approve all requests for leave donations.

Leave donations must be voluntary and may be transferred from either annual or sick leave balances. Transferred leave that is not used by the recipient will be automatically returned to the donor. Donors cannot secure leave advances to transfer leave to another employee.

13. Leave Without Pay (LWOP) *(Personnel Law, Section 16-225)*

Employees may request LWOP when sick and/or annual leave balances have been exhausted. An employee must exhaust all accrued sick leave before he or she is eligible for family and medical LWOP.

The Chief of Police may grant LWOP with the concurrence of the Manager, OHRM. Once approved LWOP begins, the employee must remain in LWOP status for the entire approved period, unless the Chief of Police approves an early return.

Reasons for Granting LWOP

LWOP may be granted, for periods of up to one year per request, to allow an employee:

- To be retained after accumulated sick and/or annual leave has been exhausted
- To participate in educational programs not authorized under administrative leave provisions when participation will contribute to the employee's effectiveness
- Who has applied for a Workers' Compensation temporary award to be placed directly on LWOP without requiring the exhaustion of sick or annual leave balances
- Who has been on approved sick or annual leave, to be retroactively placed on LWOP after receipt of a Workers' Compensation temporary total award

LWOP may be granted for a period not exceeding 30 calendar days per request for personal reasons. The Chief of Police may grant use of LWOP for a period not exceeding 15 weeks for family and medical leave.

LWOP Request Procedure

Employees must explain the need for LWOP in a written request to the Chief of Police. It shall be submitted at least two weeks prior to the date that the LWOP is to begin. If retroactive LWOP is desired, it must be requested within 30 calendar days of a workers' compensation award.

Reinstatement of Leave Upon Retroactive Approval of LWOP

An employee who has exhausted 180 days of disability leave plus their sick and annual leave may request that all or part of his or her sick and annual leave be reinstated after a temporary total disability award is received.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

The hours of leave to be reinstated shall be calculated by:

- ❑ Determining the amount of the award
- ❑ Subtracting the amount of the award pertaining to the 180 days of disability leave
- ❑ Dividing the remaining dollar amount by the employee's hourly pay rate to yield the number of hours of leave to be reinstated

Annual leave will be reinstated first.

Example:

Award amount	\$10,000
Amount of award pertaining to disability leave	\$6,000
Remaining dollar amount	\$4,000

$\$4,000/\20 (hourly rate) = 200 hours to be reinstated

An employee who is not eligible for disability leave but receives a Workers' Compensation award may also request reinstatement of all or part of the sick and annual leave that he or she used while recovering from his or her injury. This may be done provided that the LWOP is substituted for the time lost. The hours of reinstatement shall be calculated by dividing the amount of the award by the employee's hourly pay rate to yield the number of hours to be reinstated. Annual leave shall be reinstated first.

Reinstatement of any annual or sick leave results in the employee being placed in a LWOP status retroactively and affects the earning of leave for the hours reinstated. The employee's sick and annual leave balances will be adjusted to reflect that sick and annual leave was not earned while on LWOP. Requests for retroactive LWOP must be made within 30 days of the workers' compensation award.

14. Absent Without Leave (AWOL)

(Personnel Law, Section 16-226)

An AWOL employee is subject to disciplinary action for abandoning his or her position. AWOL is a Category II disciplinary offense.

Conversion of AWOL to Other Leave

AWOL may be converted to annual leave, sick leave, or LWOP with the Chief of Police's approval. The employee must present acceptable proof that the unauthorized absence was due to extenuating circumstances beyond his or her control.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

15. Disability Leave

Employee's Leave Status

Time absent from the job for medical treatment on the date of injury or occupational disease shall be charged to administrative leave.

An employee may be placed on disability leave when they incur an illness, injury, disability, or medical condition that prevents them from performing the duties of their position. Risk Management, in consultation with OHRM, determines an employee's eligibility for disability leave based on supporting medical documentation, provided that proper notifications of the injury or illness were made. Supervisors must receive approval from Risk Management prior to coding an employee's timesheet for disability leave.

Employees are not back-charged sick or annual leave for leave used while waiting for approval for disability leave.

If the injury or illness is subsequently determined not to be duty-related or does not require the employee to remain on disability leave, the employee shall be placed on sick leave, returned to full duty, or placed on light duty.

Suspension of police powers in these cases is determined on a case-by-case basis, after supervisory recommendation and command review. The employee's Bureau Chief makes the final decision.

Disability Leave

(Personnel Law, Section 16-224)

Employees who are disabled while working receive full salary for the period of temporary disability without charge against their leave balance, provided:

- The disability resulted from an injury or illness sustained directly in the performance of duties
- Risk Management, in consultation with the Office of Human Resource Management (OHRM), decides that the disability meets the eligibility criteria

Employees who are on disability leave for more than seven calendar days shall telephone the Department's Risk Manager weekly to verify the continued disability. The Risk Manager shall document this contact in the Follow-Up Section of the Employee Injury Form.

Disability Leave Time Limitations

(Administrative Procedure #284)

Disability leave is limited to the period specified in the Attending Physician's Notification Form. Disability leave may be granted for up to 30 calendar days based on one Attending Physician's Notification. Employees on disability leave shall submit an Attending Physician's Notification Form to Risk Management at least every 30 calendar days in order to be eligible for additional disability leave.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

Employees may be granted disability leave in half-day increments for follow-up medical appointments after a return to duty.

Disability leave shall not exceed 180 calendar days for any one injury or illness. If an employee remains totally incapacitated after the 180 days of disability leave, he or she shall be placed on either sick or annual leave or LWOP, as appropriate.

Additional Leave Periods

(Personnel Law, Section 16-189)

Employees on extended disability leave must be referred to the Medical Advisory Board (MAB) for an independent medical examination prior to the 120th day of leave. This will ensure that the County's medical provider has evaluated the employee before the 180th day.

Employees who are close to exhausting their allotment of disability leave may request additional leave periods. Officers may be granted up to two additional 90-day periods of disability leave. Civilian employees may be granted one additional 90-day period of disability leave.

Employees shall prepare a memorandum requesting a grant of additional disability leave and submit it through the chain of command to the Chief of Police. The Chief of Police shall review the request along with other relevant documentation to decide the appropriateness of recommending the continuance of disability leave.

Additionally, employees who may be eligible to receive one or both of the contractually authorized 90-day extensions of disability leave must be referred to the MAB for a re-evaluation prior to the 60th day of each 90-day extension. Employees applying for any extension of disability leave will have their duty status and medical condition, including a report from the treating physician stating the current diagnosis, prognosis, and treatment plan, reviewed by the MAB.

Disability leave use is cumulative and does not require consecutive use periods. The Personnel Services Division will send a letter to employees consistently granted disability leave for two or more pay periods, advising them that their Family and Medical Leave (FMLA) runs concurrently with disability leave. When an employee uses fifteen or more weeks of disability leave during a calendar year, their FMLA leave entitlement will be exhausted.

Civilian Employees

Civilian employees covered by the PCEA may be placed on disability leave after obtaining a completed Attending Physician's Notification Form. Risk Management, in consultation with OHRM, shall determine eligibility for disability leave for PCEA-covered civilian employees.

All other civilian employees not returning to work following a job-related injury or occupational disease, shall be placed on sick leave, annual leave, LWOP, or personal leave until the Office of Human Resource Management (OHRM) establishes the employee's eligibility for disability leave or detail assignment.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

Granting of Disability Leave

(Administrative Procedure #284)

Sworn employees shall request that the physician thoroughly review the Attending Physician's Notification Form and position description for police officers before completing the form to ensure that light duty is mentioned as an option in lieu of no duty.

If the MAB decides that light duty was justified when an employee was off work, further disability leave may not be granted. The employee's refusal to accept a light duty assignment renders him or her ineligible for disability leave during the period of temporary disability.

Risk Management will, upon notification and verification of any job-related injury or occupational disease, review the documentation to make a preliminary determination whether disability leave or light duty is appropriate for the injured employee. This decision shall be made within 24 hours of receipt of documentation and shall be based on reasonable information available from the supervisor's report and the Attending Physician's Notification Form.

Unless a medical question arises, the OHRM shall determine final eligibility for disability leave or light duty within three working days of receiving the Attending Physician's Notification Form and the Supervisor's Accident Investigation Report from Risk Management. The OHRM will inform both Risk Management and the employee of its decision.

Medical Questions

If a medical question arises regarding any employee's eligibility for disability leave, the Department's Risk Manager and OHRM may refer the question to the MAB. The MAB shall make a determination on the medical question.

Denial of Disability

Disability leave shall not be granted when the OHRM decides that the employee's disability is not work-related. In such cases, the employee shall be placed on either sick or annual leave, or LWOP status.

If the OHRM establishes the fact that the employee is not disabled, the Chief of Police shall order the employee to return to duty.

If the employee refuses to return to work, the Chief of Police may initiate disciplinary action for being AWOL and/or insubordinate.

16. Employees on No Duty

More than Three Days

Employees who have been placed in a no duty status by a physician for more than three days shall be temporarily assigned (TDY) to Risk Management.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

Upon receiving an Attending Physician's Notification Form that places an employee on no duty in excess of three days, supervisors shall instruct the employee to contact the Department's Risk Manager for further instruction.

No duty employees shall:

- ❑ Report to the Risk Management office in person and complete an employee contact card, to include the employee's current home address and telephone number, and provide it to the Department's Risk Manager; the Department's Risk Manager will make special arrangements to get employee contact cards from no duty employees who are totally disabled per medical documentation (i.e., unable to drive)
- ❑ Contact the Department's Risk Manager at least once every seven calendar days, either in-person or via telephone, to update the status of their case and/or medical condition
- ❑ Have their timesheets forwarded to Risk Management; the Department's Risk Manager shall be responsible for completing these timesheets
- ❑ Physically respond to the Risk Management office prior to 1430 hours each payday Friday to sign their timesheets; the Department's Risk Manager will make special arrangements to get signatures from no duty employees who are totally disabled per medical documentation (i.e., unable to drive)
- ❑ Forward follow-up Attending Physician's Notification Forms to Risk Management; the forms shall be completed at least once every thirty days or whenever a no duty employee is examined by a physician

The Department's Risk Manager shall be responsible for completing all follow-up injury paperwork for employees who are on no duty in excess of three days.

Three Days or Less

Employees who are placed in a no duty status for three or fewer work days shall remain at their regular duty assignment. Their immediate supervisor shall be responsible for completing all initial and follow-up injury paperwork.

17. Employees on Light Duty

(Personnel Law, Sections 16-224 & 16-189)

An employee with a temporary impairment may be detailed to duties within his or her capacity to perform, pursuant to his or her physician's decision or the MAB's recommendation. Work restrictions and the classes of work that the employee may safely pursue must be specified.

Light duty assignments are limited to the period specified in an Attending Physician's Notification Form, which cannot exceed 30 calendar days per form. The employee's physician must complete additional Attending Physician's Notification Forms to extend his or her light duty assignment. The Chief of Police may grant light duty assignments for up to 180 calendar days.

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

If a medical question arises regarding any employee's eligibility for light duty, the Department's Risk Manager and OHRM may refer the question to the MAB. The MAB shall make a determination on the medical question.

Employees in a long term light duty assignment related to an on-the-job injury or illness, or in a light duty assignment related to a non-service connected injury or illness must be referred to the Medical Advisory Board (MAB) for an independent medical examination prior to the 120th day of the assignment. This will ensure that the County's medical provider has evaluated the employee before the 180th day.

Employees on light duty shall not operate any Departmental vehicles.

More than Three Days

Employees who have been placed in a light duty status by a physician for more than three days may be temporarily assigned (TDY) to another duty assignment. Light duty assignments will be made by Risk Management in consultation with the appropriate Assistant Chief of Police or Bureau Chief.

Upon receiving an Attending Physician's Notification Form that places an employee on light duty in excess of three days, supervisors shall instruct the employee to contact the Department's Risk Manager for further instruction.

Light duty assignments will be based upon:

- ❑ The needs of the Police Department
- ❑ The medical information provided by the attending physician, medical records, and/or the Medical Advisory Board
- ❑ The qualifications of the light duty employee

Commanders/Managers requesting to have light duty employees assigned to their Districts/Divisions shall complete a Request for Light Duty Personnel Memorandum.

Light duty employees shall:

- ❑ Report to the Risk Management office in-person to receive their light duty assignment; the Department's Risk Manager shall notify each light duty employee of his or her TDY assignment and the name of his or her TDY supervisor
- ❑ Complete an employee contact card, to include the employee's current home address and telephone number, and provide it to the Department's Risk Manager
- ❑ Have their timesheets forwarded to their TDY assignment
- ❑ Forward follow-up Attending Physician's Notification Forms to Risk Management; the forms shall be completed at least once every thirty days or whenever a light duty employee is examined by a physician

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

The Department's Risk Manager shall be responsible for completing all follow-up injury paperwork for employees who are on light duty in excess of three days.

Supervisors who have light duty employees assigned to them TDY shall:

- ❑ Be responsible for the normal administrative functions (i.e., approving/denying leave, completing inspections, etc.) for each light duty employee
- ❑ Complete each light duty employee's timesheet
- ❑ Write "Light Duty" under each light duty employee's signature on his or her timesheet
- ❑ Ensure that each light duty employee's timesheet is forwarded to Risk Management by 1700 hours each payday Friday.

Three Days or Less

Employees who are placed in a light duty status for three or fewer work days shall remain at their regular duty assignment. Their immediate supervisor shall be responsible for completing all initial and follow-up injury paperwork.

18. Change in Duty Status of Employees on No Duty or Light Duty in Excess of Three Days

No duty employees shall remain in a no duty status until returned to light duty or full-duty by their physician or ordered back to light duty or full-duty by the Chief of Police or his designee.

Light duty employees shall remain in a light duty status until returned to full-duty by their physician or ordered back to full-duty by the Chief of Police or his designee.

Employees whose duty status has been changed by their physician shall immediately report to the Risk Management office in person with their Attending Physician's Notification Form.

Employees whose duty status has been changed pursuant to an order from the Chief of Police or his designee shall immediately report to the Risk Management office in person to sign their order.

The Department's Risk Manager shall complete the Return to Work Notice section of the Employee Injury Form for each employee whose duty status has been changed. The Department's Risk Manager shall notify Commanders/Managers of changes to their employee's duty status.

Upon notification that an employee has been returned to full-duty, the employee's Commander/Manager shall inform the Risk Manager of the employee's assignment. The Risk Manager shall subsequently inform the employee.

The Department's Risk Manager shall make appropriate TDY assignments for those employees who have been upgraded from no duty to light duty status. The Department's Risk Manager shall notify each light duty employee of his or her TDY assignment and the name of his or her TDY supervisor. The light duty employee shall subsequently follow the applicable provisions of section **17. Employees on Light Duty.**

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

19. Assignment of Workers' Compensation Benefits

Employees shall assign to the County such non-medical benefits as awarded for the temporary disability by the Maryland Workers' Compensation Commission.

20. Suspension – Officers

Officers ranking sergeant or above are authorized to suspend any non-probationary employee subordinate. Any Office of Professional Responsibility (OPR) officer may suspend officers below the rank of captain.

Suspended officers remain on pay status pending the decision of the Suspension Hearing Officer. An alternative to any suspension may be administrative duty.

A suspended officer shall not:

- Make arrests or enforce any law
- Possess a Departmental vehicle
- Possess an authorized firearm in any manner not afforded a citizen
- Possess a Departmental weapon
- Represent himself or herself as an active duty police officer

- On or off-duty conduct determined to be detrimental to the proper performance of required duties
- Reporting to work intoxicated
- Exhibiting or reporting serious or debilitating psychological problems preventing the employee from satisfactorily executing job tasks
- Reporting to duty unfit or unprepared for work
- The best interest of the public, officer, or Department

The propriety of such suspension shall be determined by weighing the gravity of the situation against the effect of the officer's continued duty status pending an internal investigation or personnel action.

Mandatory Suspension

An officer shall be suspended when:

- He or she is charged via statement of charges, criminal charging document, indictment, or criminal information from any competent judicial authority with:

VOLUME I, CHAPTER 23. LEAVE & DUTY STATUS

- Any crime classified as a felony within this state
 - Any felony in a foreign jurisdiction
 - Crime of moral turpitude
- He or she is alleged to have been engaged in conduct of such nature that the Chief of Police determines suspension is an appropriate course

Suspending Officer's Responsibilities

The suspending officer shall:

- Contact the Commander, OPR
- Give the suspended officer a letter containing the following:
 - Reason(s) for the suspension

Submission of MVS DVDs

Officers shall complete the Video Chain of Custody Log when DVDs or wireless transmissions are to be held as evidence. Officers shall check the box labeled "HOLD DVD" on the Video Chain of Custody Log and indicate the incident date and reason for the hold.

All DVDs shall be placed in the video drop box. Under no circumstances shall any DVD be removed from its portable unit or stored in any other location. Prior to depositing DVDs in the video drop box, DVDs are to be placed in a protective sleeve, if available. DVDs that are to be held as evidence will be marked appropriately by Mobile Video Unit personnel.

9. District/Division Supply Clerk

The District/Division supply clerk shall maintain a supply of blank DVDs, protective covers, and Video Chain of Custody Logs and make them available to supervisors. All of these items shall be kept in a secure location.

DVDs are numbered and sequenced by MVU technicians. The bar-coded number shall not be removed or altered on the DVD or on the Video Chain of Custody Log.

10. Inspection of Equipment

Supervisors or their designee shall inspect the MVS equipment of every officer, every month and document the results of every inspection on a MVS/MDC Inspection/Malfunction Report .

Review of Video, Wireless Systems and DVDs

Supervisors or their designee are required to conduct a monthly review of each issued vehicle that is equipped with a MVS/MDC video, DVD, or wireless system. Supervisors shall randomly select, from the officer's recordings of the past 30 days, at least one (1) audio and video transmission to review to ensure that every officer is uploading as required. These reviews shall be conducted in the officer's vehicle with the officer present. Each review shall be documented on the MVS/MDC Inspection/Malfunction. These required monthly reviews are conducted so that supervisors shall evaluate officer performance and ensure compliance with Departmental training and policy.

Submission & Retention of Inspection Reports

Supervisors shall submit completed MVS/MDC Inspection/Malfunction Reports through their chain of command to their District/Division Commanders/Managers by the 5th of each month. District/Division Commanders/Managers shall ensure that MVS/MDC Inspection/Malfunction Reports shall be maintained at the District/Division for a minimum of one year.

27. OVERTIME

(December 2005)

I. POLICY

Compensation may be paid for authorized extensions of the workday. Civilian employees and officers through the rank of Lieutenant are eligible for overtime compensation.

An officer working extra duty employment is not eligible to earn overtime compensation for incidents related to that employment to include court appearances.

II. CHECKLIST (N/A)

III. DEFINITIONS

Extra Duty Employment: Any paid employment that results from being a Departmental employee, and is not County-sponsored

IV. FORMS

- Compensation Request Form (PGC Form #2757)

V. PROCEDURES

1. Rate & Type of Compensation

Sworn Employees

Officers may earn either pay or compensatory time for hours worked beyond their regular schedule. Increments of less than ½ hour are only compensable with compensatory time.

Overtime pay is calculated at 1½ times the employee's hourly rate for the actual time worked in ½ hour increments.

Compensatory time is credited at a rate of 1½ times the minutes worked. Officers must work at least three minutes of overtime to qualify for compensation.

Officers must actually work more than 85½ hours in a pay period to earn FLSA overtime or compensatory time. County compensatory time is earned when the total hours worked during one pay period exceeds 80 hours. The number of hours worked is calculated by adding the number of hours actually worked to the number of hours of paid leave.

Civilian Employees

Employees represented by the PCEA are eligible for overtime after they have worked at least 30 minutes beyond the normal workday. After the initial 30 minutes, compensation is retroactive to when the employee began to work the overtime. Overtime pay is calculated at 1½ times the

VOLUME I, CHAPTER 27 OVERTIME

employee's hourly rate for the actual time worked. Compensatory time is credited at a rate of 1½ times the time worked. Employees may elect to earn compensatory time or overtime pay.

Employees represented by the PCEA are eligible for FLSA overtime or compensatory time after working 40 hours in a workweek.

General schedule employees earn overtime and compensatory time with the following limitations:

- ❑ Prior approval must be obtained from the Chief of Police for employees in grades G21 through G24
- ❑ Employees in grades G25 and above must obtain prior approval from the County's Chief Administrative Officer

2. Personal Car Program Participants

Personal Car Program participants involved in off-duty incidents shall not receive overtime compensation for the first two hours. They may be compensated for work performed in excess of the two hours. Prior to the end of the initial two hours, the officer shall contact an on-duty supervisor, who shall, if practical, relieve the off-duty officer. If a supervisor determines operational considerations do not allow for the officer to be relieved by an on-duty officer, that supervisor shall sign the Compensation Request Form.

Officers not participating in the Personal Car Program may be compensated for their involvement in off-duty incidents, except for those resulting from extra duty employment.

3. Restrictions

Employees are prohibited from taking leave to work County-sponsored overtime.

The following activities are ineligible for compensation to off-duty employees:

- ❑ Appearances at interview boards for transfer or promotion
- ❑ Appearances at promotional appeal boards
- ❑ Appearances at past performance appraisal (PPA) appeal boards

Commanders/Directors are authorized to exempt employees from these restrictions for operational necessity. An example would be a patrol officer requesting to work an overtime assignment at FedEx Field.

4. School Athletic Events

Officers working overtime at athletic events shall report to the event's coordinator or school principal 15 minutes before game time. Officers shall remain until the crowd and traffic has dispersed.

Off-Duty Assignment

Officers working athletic events for the Prince George's County School Board while off-duty shall receive three hours of overtime pay. The officer is compensated for additional time if the assignment extends past three hours.

Officers shall submit a Compensation Request Form for three hours when an event is cancelled or modified without prior notification to the Department.

On-Duty Assignment

When an on-duty officer is assigned an athletic event, the Prince George's County School Board will reimburse the Department an amount equal to three hours (or more for extended events) of their pay. If events extend past officers normal tours of duty, they shall complete the following Compensation Request Forms:

- An on-duty assignment Compensation Request Form
- An overtime Compensation Request Form

The total time on the two forms must equal three hours or more. The officer will be compensated with overtime pay for the off-duty portion of the event.

The officer must explain claimed hours beyond the initial three on the reverse of the form.

5. Holiday Compensation

Compensation for holidays will be in accordance with negotiated labor agreements. An employee on any type of authorized leave during an observed holiday will be placed on holiday leave for that day.

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

28. PERFORMANCE APPRAISALS (PPA)

(December 2005)

I. POLICY

The Department's Past Performance Appraisal Process has three main objectives. The first is to provide a basis for fair and impartial measurement of personnel in terms of their individual responsibilities as well as their day-to-day performance.

The second objective is to afford supervisors an opportunity to direct and maintain efforts designed to improve individual performance, as well as, to identify needs and formulate training to benefit the Department as a whole.

The third objective is to recognize individual performance and provide standardized and documented information to facilitate such personnel decisions as promotion, transfers, disciplinary action and retention of probationary personnel.

It is the policy of the Department that the performance of all personnel will be evaluated no less than annually.

II. DEFINITIONS

Performance Appraisal: An objective and comprehensive evaluation of an employee's job-related performance over a specific period of time and based on criteria unique to the employee's position.

Probationary Period: Beginning on an employee's first day on the job and ending when the employee is granted permanent status, a period of time when the employee's performance is closely monitored and coached.

III. CHECKLIST (N/A)

IV. FORMS

- Past Performance Appraisal (PGC Form #854)
- Performance Assessment Form (PGC Form #2247)
- Position Description (PGC Form #544)
- Personnel File Access and Receipt Form (PGC Form #4168)

V. PROCEDURES

(Administrative Procedure #217)

(Personnel Law, Section 16-182-185)

The Past Performance Appraisal (PPA) and Performance Assessment Form are used to evaluate an employee's performance based on duties described in the employee's Position Description.

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

Supervisors shall prepare a PPA at least ten days before the rated employee's promotion, demotion, transfer, or anniversary date provided they supervised the employee for at least 90 calendar days. The appraisal shall cover the period of supervision beginning with the end date of the previous appraisal. Appraisals are to be based solely on the employee's performance during the past performance appraisal period.

In accordance with Personnel Law, the Chief of Police has delegated authority of final review of employee PPAs to all Command Staff members.

1. **Anniversary Appraisals**

Personnel Law provides that on an employee's anniversary date, they will advance to the next step in the salary grade if the Chief of Police certifies that the employee's performance has been at least satisfactory. When evaluating an employee for anniversary increase eligibility, the supervisor shall complete the Anniversary Merit Increase section of the PPA as follows:

- If the employee's overall work performance is at least satisfactory and the employee is not already at the maximum step in grade, the supervisor shall check the "Approved" block
- If the employee's overall work performance is less than satisfactory, the supervisor shall check the "Not Approved" block
- If the employee is already at the maximum step in grade or in the middle of a three-year step, the supervisor shall check the "Not Applicable" block

An employee who has been on approved leave during an appraisal period shall be evaluated for performance demonstrated while working. Employees shall not be penalized for being on approved leave.

When an employee has been rated "Improvement Needed," the supervisor shall conduct a follow-up appraisal three months from the original anniversary date. The employee's performance will be reevaluated using a PPA Form.

If the employee's performance has improved to at least a "Satisfactory" level, the employee shall be granted a merit increase, if applicable. This merit increase will be effective the first full pay period following the appraisal. It will not be retroactive to the employee's anniversary date.

If at the time of the annual performance appraisal the employee received a performance-related disciplinary action (pay reduction or demotion), the disciplinary action may be rescinded and the employee returned to their former position and/or pay rate. The employee is not, however, eligible to receive a merit increase for that appraisal.

2. **Probationary Appraisals**

Sworn Employees

The probationary period for officers is 12 months, beginning on the date of graduation from the Community Policing Institute.

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

Probationary officers under FTO supervision shall be evaluated in accordance with FTO Program procedures.

Non-Sworn Employees

(Administrative Procedure #213)

The probationary period for civilian personnel varies with the position in accordance with Administrative Procedure #213.

Supervisors shall counsel all civilian probationary employees every quarter and at the mid-point of the probationary period. Supervisors shall provide probationary employees feedback and recommendations for performance improvement. These Quarterly and midpoint-counseling sessions shall be documented on a PPA and Performance Assessment Form and signed by the employee and supervisor.

The reviewer's Commander will give a copy of the form to the employee following signature of the PPA. A second copy will be placed in the employee's Departmental personnel file and the original will be forwarded to the Personnel Services Division (PSD) for processing.

Additional Performance Assessment Forms may be provided to give the employee maximum opportunity to receive performance feedback before the probationary period expires.

Permanent Status Approval

Supervisors shall prepare a final PPA for each subordinate at least ten working days before the expiration of the probationary period.

Permanent status shall be approved when the employee's overall performance is Satisfactory or above. If the overall performance rating is less than satisfactory, the employee may be subject to discipline by step reduction, demotion, dismissal or the probationary period may, in very limited instances, be extended.

Extension of Probationary Period

The Chief of Police may request approval from the Director, Office of Personnel and Labor Relations (OPLR) to extend an employee's probationary period subject to all of the following:

- ❑ The request must be made at least 30 days before the employee's probationary period expires
- ❑ The employee must have been absent from the position and on approved leave (due to circumstances beyond the employee's control) for a substantial period of time during the probationary period
- ❑ The request must be written and state the specific facts and circumstances justifying the extension
- ❑ The Chief of Police must believe a proper appraisal of the employee's performance cannot be reasonably made before the employee's probationary period expires

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

- ❑ The Chief of Police must recommend an extension period equal to the period of the employee's absence, with a maximum period of six months
- ❑ Both the Chief of Police and the employee must sign the extension request

If the employee refuses to consent to the extension, the supervisor (with the Chief of Police's consent) shall attempt to evaluate the work performed by the employee.

3. Past Performance Appraisal Preparation

The Position Description lists all critical tasks/duties performed by an employee. The supervisor and employee must review and, if necessary, revise the Position Description during the annual performance appraisal.

The supervisor shall ensure the criteria used to evaluate the employee are specific to the employee's current tasks/duties.

The supervisor shall assign an overall appraisal rating, which accurately reflects the employee's performance during the rating period. These factors should be considered when rating each task/duty:

- ❑ Time spent completing the task relative to the whole job
- ❑ Task criticality
- ❑ Expertise with which employee performs the task

The employee should be issued and required to sign a new Position Description at the time of the annual performance appraisal, regardless of whether any changes have been made to the Position Description.

If an employee is assigned significant additional duties/tasks, the supervisor shall revise the Position Description accordingly and review it with the employee within 30 calendar days of the revision.

Commanders/Directors shall ensure that each newly assigned or transferred employee under their command receives and reviews a Position Description within 30 calendar days of the employee's assignment.

When a supervising employee is being rated and their tasks include the appraisal of subordinates, this shall be reflected in the Position Description. The person rating the supervising employee shall evaluate the quality of such appraisals as part of the PPA.

4. Past Performance Appraisal Review

The supervisor may complete and discuss the PPA with the reviewer before consulting with the employee. However, the supervisor and employee shall conduct a joint review of the proposed ratings for each task/duty, current Position Description and PPA as part of the performance appraisal process.

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

The review shall include:

- ❑ Clarification of duties and responsibilities
- ❑ Discussion of objectives and long-range goals
- ❑ Recognition of high quality work performance
- ❑ Resolution of problems and misunderstandings and suggestions for improvement
- ❑ Review of the knowledge, skills and abilities required within the employee's position
- ❑ Discussion of the employee's career development, with attention to knowledge, skills and abilities required for positions considered by the employee
- ❑ Review of any training completed by the employee during the rating period, including verification that the employee completed all MPCTC-mandated training
- ❑ Overview of government-conducted and other educational opportunities available to the employee

With the employee's concurrence, the PPA may be finalized on the discussion date. If the employee disagrees with the PPA, the employee shall inform the supervisor at the time of review. The supervisor shall wait five working days following the discussion, to allow the employee to include written comments, to finalize and sign the appraisal.

During this five-day period, the employee may submit written comments to the supervisor. Upon receipt of such comments, the supervisor shall attach the comments to the appraisal and may:

- ❑ Attach their own additional written comments addressing the employee's comments
- ❑ Modify the proposed ratings based on the employee's comments

Signing the Appraisal Form

Upon completing the previous procedures, the supervisor shall sign the form.

The employee must sign and date the form in applicable places, acknowledging that appraisal and Position Description discussions were conducted. The signature does not indicate agreement with the content. There is a block for the employee to check if they wish to indicate agreement with the appraisal.

The supervisor will then forward the signed PPA, Performance Assessment Forms, Position Description, any attached comments and any Exemplary Performance Award Nomination Forms with attachments, to their immediate supervisor. The PPA and the Performance Assessment Form must be enclosed in the Past Performance Appraisal Transmittal Envelope.

The next person in the supervisor's chain of command will review the documents, checking for consistency and fairness. After review, they shall sign the form and forward it to the next level of command.

The level of command immediately above the reviewer shall review the PPA, Performance Assessment Form and Position Description, placing their signature in the "Appointing Authority

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

Signature” block. After signing, that Commander shall forward the Position Description and the original copy of the PPA to the Director, Personnel Services Division (PSD).

A copy of the PPA shall be placed in the employee’s Departmental personnel file and a copy shall be given to the employee.

Appraisal Modification

If the reviewer disagrees with any part of the appraisal, they may identify and justify proposed changes on separate paper and attach it to the appraisal.

The reviewer shall discuss these comments with the employee before submitting the appraisal to the next level of command. This will enable the employee and/or supervisor to comment on proposed changes.

The reviewer’s Commander/Director may modify the performance appraisal after considering all submitted comments. The Commander/Director may request additional information or meetings when necessary. Any changes that are made to the PPA must be discussed with the employee.

5. Past Performance Appraisals by Multiple Supervisors

When an employee has been supervised for at least 90 calendar days during an appraisal period by a supervisor who subsequently changes jobs, that supervisor shall evaluate the employee before leaving. A PPA should be completed within 30 calendar days of a change of supervisors.

Each performance appraisal should identify the number of months a rater supervised the employee.

Multiple appraisals are maintained in the employee’s Departmental personnel file until the end of the rating period.

When an employee receives two or more performance appraisals due to multiple supervisors, the supervisor's Commander/Director shall establish the overall performance appraisal for that rating period.

6. Performance Assessment Form

The Performance Assessment Form may be used to document specific acts or a pattern of behavior. It may also be used to document:

- Above average performance not necessarily warranting a higher honor
- Below average performance not necessarily warranting more severe disciplinary action
- Performance counseling sessions
- Probationary employee appraisals, except the final probationary appraisal

When assigning overall appraisals of other than satisfactory, supervisors shall submit a Performance Assessment Form with the PPA. Justification for the higher or lower overall appraisal must include specific, objective examples of work performance. Reviewers and their

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

Commanders/Directors shall use this form to justify finalization of the appraisal. Commanders/Directors shall ensure justifications are specific and task-related, not general statements about the employee's personal qualities.

7. **Employee Counseling**

Supervisors shall meet with each subordinate at the beginning of each rating period for a counseling session. Such sessions shall include:

- ❑ Attempts to resolve problems or misunderstandings
- ❑ Current and new objectives
- ❑ Explanation of rating criteria
- ❑ Identification of performance standards for the subsequent appraisal period, along with expected performance levels
- ❑ Review of position duties/tasks

Supervisors may counsel subordinates at any time as necessary. Supervisors should conduct, at minimum, an appraisal session with each subordinate at least midway in the appraisal year. Whenever a supervisor deems an employee's overall performance unsatisfactory, the supervisor shall advise the employee in writing via a Performance Assessment Form or memorandum.

This notification shall list actions to be taken to bring performance to an acceptable level. Whenever possible, the notification shall be provided to the employee no less than 90 days before the end of the current rating period. If the unsatisfactory performance occurs less than 90 days before the end of the current rating period, the notification shall be provided to the employee as soon as possible.

Performance Assessment Forms completed as a result of such sessions are not official performance appraisals and, as such, are not grievable.

8. **Retention of Forms**

(Administrative Procedure 262)

Retention of Past Performance Appraisal Forms

The Department shall maintain a copy of completed Past Performance Appraisal forms in the employee's file where the employee is currently assigned. When the employee is transferred to a different assignment within the Department, the employee's former Commander/Director shall ensure that the employee's file is promptly sent to the employee's new Commander/Director. Files pertaining to employees shall be maintained securely and in accordance with Prince George's County Administrative Procedure 262. **See: Maintenance of Personnel Files.**

Retention of Performance Assessment Forms

The contents of a Performance Assessment Form cannot be grieved or appealed. The supervisor shall counsel employees and, at their discretion, maintain records of such counseling. The

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

supervisor will retain Performance Assessment Forms prepared between official PPAs. If the conduct or performance described in the form is not an issue at the time of the official performance appraisal, the supervisor shall remove the form from their records.

If the conduct described in the Performance Assessment Form is not corrected and is an issue at the time of the official appraisal, the supervisor should incorporate the content of the assessment forms with the performance appraisals. The Performance Assessment Form may also be referenced and attached to the performance appraisal.

Once the Performance Assessment Form has been used as documentation for a past appraisal, it shall be removed from the employee's personnel file.

Official actions resulting from the counseling session and information included in the official PPA may then be grieved and appealed.

9. Grievance & Arbitration

The Personnel Law defines a grievance as a complaint alleging that an act by the employee's supervisor, Chief of Police or County Personnel Officer is unfair, inequitable, arbitrary, capricious or illegal.

An employee having a grievance relating to any matter affecting employment is guaranteed the right to pursue that complaint. Adverse actions, with respect to any matter affecting the working conditions, pay or status of the employee are excluded from the grievance procedure.

Responsibilities of the Chief of Police

The Chief of Police coordinates grievance procedures for the Department. The Chief of Police also provides notifications to appropriate components to change written directives in order to conform with legal decisions or submits information for inclusion in a training bulletin or in-service training sessions.

The Chief of Police ensures distribution of information regarding decisions of administrative and judicial proceedings.

Monitoring Unsettled Grievances

When the Chief of Police is unable to resolve a grievance that has not been settled at Step 3 of the established Departmental grievance procedure, the Chief of Police shall maintain contact with the appropriate labor organization and monitor its progress to conclusion.

Labor Organization Contract Negotiations

The Chief of Police shall provide for Departmental representation during contract negotiations with labor organizations.

VOLUME I, CHAPTER 28 PERFORMANCE APPRAISALS (PPA)

Grievance of Anniversary Appraisal

(Personnel Law, Section 16-200)

Employees covered by collective bargaining agreements shall pursue grievances consistent with the terms of their current contract. Employees not covered by collective bargaining agreements shall pursue grievances in conformance with current County personnel law.

An employee with permanent status may grieve the denial of a merit step increase or may grieve the finalized performance appraisal according to procedures outlined in Personnel Law, Section 16-200, or the appropriate negotiated labor agreement.

Duties of Commander/Director's in the Grievance Procedure

When a Commander/Director receives a grievance, they shall obtain a grievance case number from the Professional Compliance Division (PCD).

When a grievance progresses to, or commences at, Steps 2 or 3 for officers through the rank of Lieutenant, and Step 1 for civilian employees, the receiving Commander/Director shall ensure the written grievance contains the following information:

- ❑ Facts of the grievance
- ❑ Description of the specific act and harm done

- Modified Position Description (PGC Form #544)

IV. DEFINITIONS (N/A)

V. PROCEDURES

1. Announcement of Position Openings

Commanders/Directors requesting a replacement for a position vacancy will establish and coordinate the qualification and application criteria with the Director, Personnel Services Division (PSD). The Director, PSD, will announce the position availability via the electronic mail system and Job/Transfer Opportunities Bulletin.

Commanders/Directors are responsible for posting all current Job/Transfer Opportunities Bulletins in a secured (locked) display cabinet within a centralized area under their command.

Transfer Eligibility

No officer will be considered for transfer out of a patrol assignment until the completion of 24 consecutive months of service from the date of graduation from the Community Policing Institute (CPI). Only the Chief of Police may exempt an officer from this policy.

An employee's disciplinary record, as well as past or current job performance will be given consideration in evaluating their overall suitability for selection.

Transfer Requests

Following an announcement of a specialty assignment vacancy, officers desiring a transfer shall forward a Transfer Request Memorandum, through their Commander/ Director, to the Director, PSD. Additionally, officers should mail a copy directly to the Director, PSD. The PSD will forward a copy of the request to the Commander/Director that announced the vacancy. PSD shall acknowledge all requests by return receipt.

VOLUME I, CHAPTER 31 POSITION VACANCIES & TRANSFERS

Officers that wish to rescind their transfer request will do so in writing, through their Commander/Director, to the Director, PSD. Officers should also mail a copy to the Director, PSD.

Transfer requests will remain on file in the PSD for six months. Consideration for vacancies/transfers occurring subsequent to this period shall require submission of another Transfer Request Memorandum.

Positions within the command of a District Station are not considered specialty assignments for the purpose of requesting a transfer. An officer may request a transfer to a patrol assignment at any time in accordance with this section. Transfers within a District Station may be made at any time at the discretion of the Commander. Transfers between District Stations may be made at any time, but require the approval of the Chief, PSB.

2. Interview Guidelines

The Department will comply with the Equal Employment Opportunity (EEO) Act and the County Government Equal Employment Policy as guaranteed by County Personnel Law.

Interviews shall be conducted for all announced positions. The announcing Commander/Director shall select the interview board, ensuring the board reflects Departmental diversity. Questions regarding union membership or activities, sexual orientation, political or religious affiliations are prohibited. Skills for which an applicant has already been tested will not be reexamined.

Preparing for the Interview

Job requirements should be outlined to aid in preparing questions that will effectively measure an applicant's likely success at a particular job. Questions should be prepared and articulated to ensure clarity, objectivity and equity. Specific questions should also be prepared to effectively assess the applicant's knowledge, skills, and abilities.

Guidelines

The applicant should be introduced to all members of the interview board. The chairman should explain the purpose of the interview and put the candidate at ease. The interview should begin with an easily answered question relating to the candidate's experience and/or training. As the interview proceeds, board members should note the applicant's appearance, motivation, personality, poise, oral communication skills and judgment.

Each board member should be given a chance to question the applicant. Questions requiring only a "yes" or "no" answer should be avoided. If the candidate tends to wander from the subject, they should not immediately be stopped as this indicates a noteworthy personality trait.

VOLUME I, CHAPTER 31 POSITION VACANCIES & TRANSFERS

Before ending the interview, the chairman should ask if any board member has any additional questions pertinent to making an accurate, objective assessment. The chairman may then excuse the candidate and end the interview.

Immediately after the interview, each board member shall complete an interview rating form. Once the rating forms are completed, board members shall discuss the candidate's performance to assure fairness and objectivity in the rating process. Discussions should be delayed until the rating forms are completed.

After all interviews have been completed, the interview board shall forward their recommendations to the Commander/ Director announcing the vacancy.

Filing of Interview Data

Selection and rating information will be maintained for six months. Should there be another vacancy, information from this file may be used to select an applicant in lieu of another interview.

3. Filling Vacancies

Following the interview process, the Commander/Director will review, and either approve or disapprove, the board's recommendations. Commanders/Directors shall ensure that positions are filled at the authorized rank. Any deviation from this procedure will require approval by the Chief of Police.

32. PROTOCOL

(November 2007)

I. POLICY

Prince George's County Police employees are held bound to display a fair, impartial and professional attitude toward the public and to perform work tasks in a businesslike manner.

Courtesy in all public contact encourages understanding and appreciation; discourtesy breeds contempt and resistance. While the urgency of a situation might preclude the ordinary social amenities, discourtesy under any circumstance is indefensible. A courteous demeanor is entirely consistent with the firmness and impartiality that characterizes a professional.

II. CHECKLIST (N/A)

III. DEFINITIONS (N/A)

IV. FORMS

- Police Employee Skill and Information Sheet (PGC Form #3236)
- Change of Address/Personal Information Form (PGC Form #3017)

V. PROCEDURES

1. Ethics

A basic role of government is to provide an environment conducive to human growth and endeavor, free from arbitrary intrusion. To that end, laws are made and enforced for the common good of society. It is the role of the police to stand as the defender of that social contract between citizens and their government.

To accomplish this goal, certain professional and personal traits are essential. Therefore, employees shall:

- Serve to protect and safeguard lives and property; protect the community from deception, oppression, intimidation, violence, and disorder; and protect the Constitutional rights of all citizens to liberty, equality, and justice
- Maintain exemplary traits of courtesy, honesty, morality, self-restraint, courage, obedience to the law, and respect for the rights and liberties of all persons
- Recognize the badge and oath of office as a personally binding commitment to public office, public trust, and professional ethics, surmounting personal feelings or prejudices that may denigrate that oath
- Professionally execute official duties regardless of the race, sex, religion, or financial status of persons requiring assistance
- Display a commitment to law enforcement without fear or favor, malice or ill will, and without using unnecessary force or accepting gratuities

2. Loyalty

Employees will exercise reasonable discretion in the performance of their duties. They will recognize that decisions will frequently be made in emergencies and under extremely difficult circumstances. Employees are legally, professionally and personally bound to exercise those judgments within the confines of their loyalty to their oath of service and obligation to the law, regardless of personal hardship or discomfort.

3. Unbecoming Conduct

As the most visible representative of government, employees must display unblemished professional conduct. To that end, employees are duty bound to avoid excessive, unwarranted, or unjustified behavior that would reflect poorly on themselves, the Department or the County government, regardless of duty status.

Employees will refrain from using harsh, violent, profane, demeaning, derogatory, or abusive language. The use of such language or other unbecoming conduct relating to race, color, national origin, gender or religion of any person shall not be tolerated.

4. Use of Language

Employees shall not use language that is discriminatory, abusive or inappropriate. This behavior diminishes public confidence, undermines the effectiveness and integrity of the Department, and will not be tolerated.

5. Integrity

The dishonesty of a single employee may impair public confidence in the entire Department. Submission to even minor temptation may lead to the complete destruction of an employee's credibility and effectiveness and may contribute to the corruption of countless others. The personal and collective integrity of the Prince George's County Police Department is one of the foremost responsibilities of all employees.

6. Employee Relations With Vendors & Contractors

Employees representing the Department in business transactions with outside business organizations or private vendors shall conduct themselves in a way reflecting favorably on them and the Department. Acceptance of gratuities or benefits is prohibited.

Departmental resources will not be committed to furthering the work of a prospective contractor or vendor before the formation of a contract.

7. Private Compensation or Reward

Employees shall not solicit or accept compensation, reward, or other consideration from private sources without permission from the Chief of Police. Upon receipt of any reward, compensation, or consideration, a report shall be forwarded to the Chief of Police.

8. Use of Intoxicants

Except as necessary to perform official duties, employees are prohibited from consuming intoxicants to such a degree that on-duty performance is impaired.

9. Smoking Prohibited

Members of the Department shall not smoke while in uniform in view of the public, or while engaged in any business with the public. They shall not appear in public places with unlighted pipes, cigars or cigarettes in their mouths.

10. Attention to Duty

Employees shall maintain a strong personal commitment to perform their duties properly. Failure to honor this commitment results in a reduction of professional standards, a potential decrease of public service, and a potential increase in jeopardy to others.

11. Refusal to Work

The Department's policy regarding an unlawful refusal to work is to seek termination of any employee who plans or engages in any unlawful strike, work stoppage, or slowdown.

12. Dedication to Duty

Employees shall use all of their skills in the performance of their duties. This includes any unique knowledge, skills and abilities such as foreign language proficiency at whatever level the employee possesses. Requiring employees to use their language proficiency in the everyday performance of their duties is not intended to impose additional responsibilities but recognizes that each person possesses different skills that can be employed to accomplish the same tasks.

Employees shall not engage in any activity or personal business on duty that would cause them to neglect or be inattentive to that duty.

Employees shall not, without authorization, leave an assigned workplace during the tour of duty. Employees shall remain awake and alert while on duty.

Officers shall immediately act accordingly on occasion of a crime, disorder or other condition deserving police attention.

Employees shall maintain satisfactory performance with respect to the execution of any of the duties and tasks set forth in their position descriptions.

Failure to adhere to the foregoing is neglect of duty.

13. Community Relations

A citizen's encounter with the police can be a frightening or emotionally painful experience and, under these circumstances, the risk of misunderstanding is very great. Contacts between

employees and citizens may occur in emotionally charged situations that can seriously affect the situation.

Employees should strive to develop a climate within the community that is supportive of collective police-community efforts toward common goals of peace, safety, and security.

14. Individual Dignity

As all citizens are subject to the law, they have the right to dignified treatment. All employees are responsible for protecting this right.

15. The Role of Employees

Employees are the link between the Department and the community; as such, they may strengthen or destroy police-community relationships that may have taken considerable effort to develop. Employees shall attempt to make each contact between themselves and the public one that inspires confidence and demonstrates professionalism.

16. Equality of Service

The County contains many urban and suburban communities with a diverse mixture of demographics and cultures. Although the communities have some unique and some similar characteristics, all need fair and impartial police service. Employees shall maintain an impartial enforcement effort throughout the County.

17. Openness of Operations

Departmental activities must not be shrouded in secrecy. It is essential that there be a full public disclosure of policies in matters of public interest. Consistent with obligations to protect individual rights, the confidentiality of records, and the protection of sensitive investigations, the Department will disseminate to the community accurate accounts of occurrences of legitimate public interest.

18. Community Participation by Employees

Employees are encouraged to participate in civic activities and programs within the County. Active participation in divergent civic and social activities reduces police-related stress and provides a vehicle for employees to be seen as involved community members in other than a professional or controversial environment.

19. Chain of Command

The Department is organized with a hierarchy of authority. The following is the rank precedence of sworn personnel in descending order:

- ❑ Chief of Police
- ❑ Assistant Chief of Police

- ❑ Police Officer First Class
- ❑ Police Officer

The Departmental Organizational Charts delineate the specific chains of command for the various Districts and Divisions.

Compliance with Order from Superior Authority

Employees shall comply with a lawful order issued by a superior employee when compliance is required to accomplish a law enforcement objective, maintain public order, or protect persons or property. Employees shall comply with a lawful order:

- ❑ Regardless of whether the employees occupy the same chain of command
- ❑ Regardless of whether the issuing officer is on or off duty at the time of the order
- ❑ Regardless of whether the issuing officer is of an equal or lesser rank and simply relaying the order from a superior

Employees shall comply positively with lawful orders in a manner reflecting a willingness to serve. Disciplinary action shall be taken for willful disregard of lawful orders or written directives.

Conflicting Orders

Upon receiving an order that conflicts with a previous order, the employee will advise the superior issuing the second order. Responsibility for countermanding the original order will lie with the superior issuing the second order. If directed to do so, the employee shall obey the second order. The superior countermanding the first order shall assume full responsibility for both orders.

Unlawful Orders

Employees shall not issue any order that would require a subordinate to commit an act that is contrary to Federal, State, or County law or in violation of Departmental rules and regulations. Employees will not obey any order that would require them to violate any of the above.

At the time the order is issued, the employee shall advise the superior issuing the order of the conflict. Should the superior issuing the order continue to demand compliance, the employee shall notify an employee of higher rank or status to the superior issuing the unlawful order. They shall then settle the matter.

Responsibility for refusal to obey orders rests with the employee. Each employee shall be required to justify their actions. Employees may follow the procedures in **VOLUME I, CHAPTER 4. COMPLAINTS** to report such unlawful orders.

Communication through the Chain of Command

Unless exempted, all intra-Departmental (and official inter-Departmental) communications, both oral and written, shall follow the chain of command. For upward communications, employees shall transmit all communications through their immediate supervisor.

Employees may only breach the chain of command under the following circumstances:

- ❑ To transmit confidential or sensitive information
- ❑ Emergencies when the employee must transmit operational information to accomplish an immediate objective
- ❑ Permission is granted by the employee's immediate supervisor to communicate directly with a higher level of authority
- ❑ When so directed by a higher-ranking employee
- ❑ To directly discuss an equal employment opportunity complaint with an employee designated to investigate such complaints

20. Salutes

Uniformed officers will salute commissioned officers who will return the salute. Indoors, only the Chief of Police or chairman of a formal board will be saluted.

The saluting method and posture used will be consistent with that taught in the training academy.

Specific Saluting Circumstances

When many officers are informally assembled, an officer will salute only if individually addressed. When assembled in ranks, officers will salute only when ordered to do so by the OIC.

When reporting to a formal board, the officer will face and salute the highest-ranking board member, who shall return the salute. If the officer is wearing a hat, they will remove it before sitting.

When the national anthem is being played or sung, uniformed officers will face the flag and salute. If no flag is displayed, the officer will face the music. Officers not in uniform will stand at attention.

21. Personnel Identification

This subsection applies to on-duty employees and off-duty employees performing an employment-related function.

Except in cases where required confidentiality would be compromised, an employee will provide their name, rank, and identification number upon request. The identification will be clearly provided, however it need not be provided in written form.

Section Redacted

Contact With Plainclothes Officers

In public, officers shall neither approach nor acknowledge plainclothes officers. They shall avoid actions that could compromise the plainclothes officer or their assignment. Greetings, salutations and references to police activities by uniformed officers are forbidden until the plainclothes officer's status can be determined.

This section does not apply to contacts with officers in normal business attire conducting overt follow-up investigations.

Authorized Identification Items

All departmental personnel, including student interns and citizen volunteers, will be issued departmental photo identification.

Except in cases where required confidentiality would be compromised, all departmental personnel who are not in uniform will display their department issued photo identification when in County operated facilities, while conducting County business or upon request.

The following are authorized identification items:

- Badge or identification card clipped to an outer garment
- Police identification armband
- Outer garments displaying the Department's patch or the word "POLICE"

Plainclothes officers shall display an authorized identification item whenever they:

- Respond to any incident scene having the potential for the use of force
- Perform overt duties on any incident scene requiring frequent identification, such as crime scene searches and search warrant executions

Plainclothes officers acting within the normal scope of duty shall identify themselves whenever there is a need to do so.

22. Requests for Police Service

Employees shall accept all reports of crimes and immediately notify Public Safety Communications for appropriate action.

Employees will attempt to obtain sufficient information to facilitate an appropriate response. A complainant's refusal to identify himself will not preclude police response to a call for service.

Non-Crime Requests for Service

Any employee receiving a request for service shall evaluate the request to determine whether it is the responsibility of the Department.

VOLUME I, CHAPTER 32. PROTOCOL

Uncertainty surrounding the Department's jurisdiction shall be resolved in favor of a permanent record of the request. When a request for service will result in a permanent record, the employee shall complete a report, memorandum, or cause a CAD entry to be made, along with a CODE disposition.

When the request for service lies outside the responsibility of the Department, the employee will refer the citizen to the appropriate agency, providing name, telephone, and address information if available.

23. Requesting Law Enforcement Information

When an officer requests information from the Records or Telecommunications Sections, they will provide the following personal information on demand:

- Full name
- ID number
- Assignment
- Date of birth

When requesting information from other law enforcement agencies, similar information may be required.

24. Endorsements

Employees are prohibited from using their official capacity, title, or position to endorse any product, organization, program, or service without the expressed permission of the Chief of Police or the authorization of the Prince George's County Code of Ordinances.

Employees are prohibited from representing themselves in an official capacity, either in or out of uniform, before any hearing or licensing board when their appearance is not an official act required of them as a member of the Department and authorized by the Chief of Police.

25. Solicitation of On-Duty Employees

Organizations shall not be permitted to solicit the support of on-duty employees. No solicitation or distribution of literature shall be permitted when Departmental operations would be impaired.

Individuals may be permitted to solicit support or distribute literature in public areas such as parking lots and public entrances to buildings. They shall not interfere with any on-duty employee.

26. Political Activity by Departmental Personnel

Off-duty employees may participate in partisan political activities except when expressly prohibited by Federal or State statutes.

Employees shall not:

- ❑ Engage in any partisan political activity during their work hours
- ❑ Use PGPD equipment such as uniforms, vehicles, badges, or County business cards for political campaigning, fund-raising, or electioneering
- ❑ Engage in campaigning, fund-raising, or electioneering on County property during business hours

Legislative Issues

Employees may wish to testify in hearings as a personal matter before the County Council or other legislative bodies. These appearances may not be related to the employee's position as a law enforcement officer or Departmental employee.

An employee may testify as a citizen in any hearing on behalf of or in opposition to any Local, State, or Federal legislation. When doing so, an employee shall not:

- ❑ Wear or display the uniform, badge, or other items that would identify them as a member of the Department
- ❑ Represent himself as a spokesperson for the Department

Prior to an employee presenting testimony in an official capacity as a Department employee, they shall submit a written request for permission through their chain of command to the Office of the Chief. The Office of the Chief shall notify the Office of the County Executive of the request prior to granting the employee permission to testify.

Nothing in this policy applies to employees performing duties related to union business.

27. Employee Personal Information

Employees must maintain telephone service at their residences. Telephone, address, and emergency notification information shall be maintained by:

- ❑ County Office of Personnel, Employee Relations Division
- ❑ Employee's supervisor
- ❑ Bureau of Professional Responsibility
- ❑ Public Safety Communications

Employees must provide the address of the physical location where they reside, not simply where they receive mail. Employees shall not list post office boxes as their address, unless the post office box is a designated USPS address for the employee's actual residence.

Employee telephone numbers and addresses shall not be released to a non-employee.

Only the following information may be orally released outside the Department:

VOLUME I, CHAPTER 32. PROTOCOL

- ❑ Employee's name, rank and ID number
- ❑ Employee's work telephone number and duty assignment address
- ❑ Whether the employee is working and, if not, the date and time they are expected to return to work

Other requests and written demands for personal information shall be referred to the employee's commander/director for consideration.

When a non-employee needs to contact an employee and it appears necessary that they be contacted immediately, the employee receiving the request shall attempt to contact them and forward the information.

Change in Personal Information

Employees shall notify the Department of changes to name, address, telephone number, and medical or emergency notification information within five working days of the change. The employee shall submit this information to their supervisor using a Change of Address/Personal Information Form. The supervisor shall then distribute the form appropriately.

Employee Skill File

Public Safety Communications and the Personnel Services Division maintain an employee skill file within each Division. To ensure currency of information, each employee shall complete a Police Employee Skill and Information Sheet annually during in-service training. The Community Policing Institute shall submit completed forms to the PSD, which shall maintain the original, and forward a copy to the PSC.

28. Telephone Protocol

Departmental Telephones

Employees answering Departmental telephones shall do so promptly and courteously. They will identify their location or assignment and name, such as "District 3, Officer Brown." Employees shall attempt to assist callers to the best of their ability. A caller's refusal to identify himself will not preclude an attempt to assist the individual or inhibit police response.

Personal Calls

Generally, personal telephone calls should not be made from Departmental telephones. When available, a pay telephone will be used to make a personal phone call. Incoming personal phone calls should be brief.

Under no circumstances will Departmental telephones be used for conducting commercial business transactions.

Prisoners, witnesses, victims, and suspects may use Departmental telephones for local calls at the custody officer's discretion.

Long Distance Calls

Long distance telephone charges must be reversed if a Departmental telephone is used to reach an employee or their residence for other than official business.

Official long distance calls can be made and charged to the Department's long distance carrier account using access codes. Each Departmental unit has an assigned access code to be used when making long distance calls. These codes are confidential and shall not be compromised.

E-mail should be considered as an alternative.

Employees needing to place an official call from a non-County telephone should contact their assigned station and have the call made from a County telephone.

When necessary to make a personal long distance call, Departmental telephones may be used, provided that the call is charged against the employee's personal long distance account.

Employees traveling out of town who must make business-related long distance phone calls should contact the Fiscal Affairs Division to obtain long distance account information.

All reports will be submitted prior to end of watch. A Continuation Report will follow incomplete reports as soon as necessary information becomes available to the officer.

The Commander/Director shall ensure that any discrepancies are resolved. The pink and yellow copies shall be maintained for six months, after which they may be destroyed.

Circumstances When No Report is Required

Dispatched complaints that are unfounded or are handled by another agency will not require a report.

Dispatched complaints canceled by the dispatcher, or those complaints not verified on the scene, unable to locate, or gone on arrival, will not require a report.

Assignments for which a police response is necessary, but for which a report would simply duplicate statistical data already on the dispatch log, may be cleared without a report.

- ❑ Examples include loud radios or televisions, civil matters, or routine disorderly conduct incidents

The investigating officer may change the classification if the officer believes that, as a result of the on-scene investigation, an Incident Report would be appropriate. An initial dispatch to miscellaneous incidents without known complainants that are subsequently identified will require a report if the circumstances would normally dictate such action.

Reporting of Multiple Incidents or Victims

Generally, if it can be established that multiple incidents occurred at the same time and location and were committed by the same person, the incident will be recorded on one report, using one CCN. Additional victims and their respective losses will be listed in the narrative section of the report. Examples of this include situations when numerous autos are vandalized at once in a parking lot. Exceptions to this rule are as follows:

- ❑ **Apartment Buildings** - Leased, rented or owned apartments, occupied by different owners/tenants will require separate reports and CCN's
- ❑ **Mini-Storage Area** - Mini- Storage areas leased or owned by individuals will require separate reports and CCN's
- ❑ **Office Sites** - Commercial office sites occupied by different renters or owners require separate reports and CCN's

Multiple stolen, attempted stolen or recovered autos require only one CCN. However, to facilitate accurate reporting, each vehicle will be listed on a separate form, using the same CCN, with only the Top Section, vehicle section and reporting officer section completed.

Recording Multiple Victims/Suspects on Arrest Records

When persons have been arrested for multiple incidents, the following guidelines will be followed when completing an arrest report:

- ❑ **Multiple Victims/One Offender:** Complete one Arrest Report with additional victims listed in the narrative
- ❑ **Multiple Offenders/One Victim:** Complete a separate Arrest Report for each defendant, using the same CCN for each report. Separate arrest numbers and I.D. numbers are needed for each defendant.

Classifying Multiple Offenses

When a combination of offenses occurs in the same incident, the most serious will be listed first. More than one offense may be listed on the report, such as, Homicide/Robbery, Breaking & Entering/Auto Theft.

The classification of Part I Offenses in descending order of severity will be as follows:

- ❑ Homicide
- ❑ Rape
- ❑ Robbery
- ❑ Assault
- ❑ Breaking and Entering
- ❑ Auto Theft
- ❑ Theft
- ❑ Arson

Classification of Theft Offenses

- ❑ **Purse Snatching** - The theft of a billfold, purse or similar item from a person shall be classified as a Theft (PBS) if the victim offers no resistance. If a victim offers resistance and physical force is used or threatened, the incident is classified as a Robbery.
- ❑ **Theft From Auto** - Personal articles stolen from a vehicle shall be classified as Theft (From Auto – Non-Accessory). A vehicle’s parts taken from anywhere on or in the vehicle shall be classified at Theft (From Auto – Accessory).
- ❑ **License Plate Thefts** - If one license plate is missing from a vehicle, the reporting officer shall examine the circumstances and classify the incident as either Lost Property or Theft (From Auto – Accessory). Two missing plates will be classified as Theft (From Auto – Accessory). The reporting officer will advise the reporting person that it is necessary for the owner to respond to the or appropriate vehicle licensing authority and obtain replacement plates. This notification shall be noted in the narrative of the Incident Report.
- ❑ **Storage Bin Theft** - When property is taken from a storage room where multiple persons have access and no force is used to gain entry, the incident shall be classified as a Theft. If force is

VOLUME I, CHAPTER 33. RECORDS & REPORTS

used to gain entry into a common area or an individual storage bin within the common area, the incident shall be classified as a Breaking and Entering.

The PSC will relay whatever information is available to the appropriate jurisdiction.

9. Department Correspondence

Mechanics of Correspondence

Employees shall complete Department correspondence consistent with the provisions described herein.

Stationary Format

Letterhead

Prince George's County Government stationary shall be used for:

- Letters to citizens, officials outside County Government and County Council members

VOLUME I, CHAPTER 33. RECORDS & REPORTS

- ❑ Formal letters from the Chief of Police or Commander/Director to employees, such as, commendations, retirements
- ❑ Memoranda to County offices

Inter-Office Memoranda/Routing Slips

Inter-Office Memorandum or computer generated facsimiles shall be used for the following:

- ❑ Intra-Department correspondence
- ❑ Correspondence forwarded through the chain of command

If the memorandum is to be routed through two or more addresses, a routing form must accompany it.

Forwarding

Employees shall transmit Department correspondence to recipients through the chain of command. Personnel along those chains shall acknowledge review by signing or initialing the correspondence or attached routing slips.

The chain of command may be bypassed for the following:

- ❑ Writer's Commander/Director authorizes direct transmission to an addressee
- ❑ Materials distributed for staff review by the Policy Research, Management and Accreditation Division
- ❑ Confidential or sensitive information concerning narcotic or vice law violations
- ❑ Allegations of discrimination or harassment
- ❑ Issues concerning infectious disease exposure
- ❑ Treatment by Psychological Services

Where circumstances dictate direct transmission of correspondence, the writer shall submit a copy of the correspondence through the chain of command to the writer's Commander/Director.

This section does not restrict employees from transmitting information or suggestions intra-Departmentally that are not subject to strict accountability.

Business Letters

- ❑ **Date Line** - Align with the complimentary close, two to four spaces below the letterhead.
- ❑ **Inside Address** - Place at left margin of the letter, not less than two spaces, nor more than twelve, below the date line. The exact position of the first line of the address depends on the length of the letter. The inside address shall correspond with the official company, name and address. Do not abbreviate names of cities, states, territories or possessions.
- ❑ **Salutation** - Type two spaces below the inside address. If an Attention Line is used, type the salutation two spaces below the Attention Line. When a letter is not addressed to a particular person or firm, use "To Whom It May Concern."

VOLUME I, CHAPTER 33. RECORDS & REPORTS

- **Complimentary Close** - Position slightly to the right of center of page, and align with the date. The close shall not extend beyond the right margin. In letters of more than one page, a minimum of four lines shall be on the page with the close.

Persons Holding Honorary or Official Positions or Titles

Use of formal or informal salutation and closure depends upon how well the writer knows the addressee and whether the subject matter is personal or official business.

When a person is acting as an official, the word Acting precedes the title in the address but not in the salutation or spoken address.

A person who holds a position entitling them to be addressed as The Honorable is addressed that way after retirement. The title itself, such as Senator or Governor, is not used in the address or salutation. Exception: a person with the title of “Judge” retains their title. Retired officers of the Armed Forces retain their titles, but their status is indicated with “Retired” behind the rank and name, such as, “Lieutenant General John D. Blank, U.S.A., Retired.”

Often the abbreviation of a scholastic degree follows the name in the address. If you do not know whether the addressee has the degree, do not use the initials.

A person shall not be addressed by a scholastic title unless the person possesses the degree the title indicates.

If a business title is short, place it on the first line. If it is long, place it on the second line.

Examples:

The Honorable (Current Senator’s Name)
United States Senate
Washington, D.C. 20510

Dear Senator _____:

The Honorable (Current Representative’s Name)
House of Representatives
Washington, D.C. 20515
