MAYOR PORTER & COUNCIL PRESIDENT MCCARTHY VISIT SEAT PLEASANT ELEMENTARY TO SPEAK TO THE FOURTH GRADERS!

Mayor Kelly Porter and Council President Shireka McCarthy recently made a visit to Seat Pleasant Elementary school to speak to the fourth-grade students about leadership and decision-making. During the visit, they introduced the students to the "If I were Mayor" essay contest organized by The Maryland Municipal League and encouraged them to participate in it.

The children showed a great deal of enthusiasm and curiosity about local government and its operations, asking many questions about how they can contribute to their community. The council members were impressed by the students and their interest in getting involved in the government, indicating a future generation of responsible leaders.

It is impressive to see students questioning authority and taking an interest in public service at such a young age. Mayor Porter and Council President McCarthy's visit to Seat Pleasant Elementary was a demonstration of their strong advocacy for the future of the community's leaders. If these children continue to develop their leadership abilities and remain engaged in their civic duties, the future of Seat Pleasant will be bright.
