THE CITY OF SEAT PLEASANT WELCOMES NEW WARD 5 COUNCIL MEMBER DONOVAN BILBRO!

Council member Donovan K. Bilbro

Congratulations to Councilmember Donovan K. Bilbro! On May 19, 2023, he was officially sworn in for the city of Seat Pleasant. Mr. Bilbro took the oath of office as the latest addition to the Seat Pleasant City Council. His appointment is a historic milestone as the youngest black male council member in Seat Pleasant's history. We take great pride in his commitment to serving our community.

Mr. Bilbro is no stranger to Seat Pleasant. He spent the first ten years of his life residing in our city. After serving honorably in the United States Army in the Special Operations Command, he chose to return home to Seat Pleasant to continue to serve the people.

He enriches the Council with his unique perspective, having begun as a volunteer for the City of Seat Pleasant before being hired as a seasonal employee. His contributions were crucial during Seat Pleasant Day 2018, where he skillfully secured donations and funds from businesses and sponsors, coordinated volunteers from colleges, and effectively led personnel throughout the event.

During the swearing-in ceremony, Mr. Bilbro expressed his gratitude for the opportunity to serve his community; and pledged to make strides to improve the lives of the citizens of Ward V of Seat Pleasant and others. As the chair of the Human Services, Health, & Education Committee, he will work to ensure that our community members have access to the resources needed to thrive. Additionally, as a committee member of the Public Safety and Governmental Affairs & Technology Committee, he will work to make our city safer and more efficient.

Mr. Bilbro is a proud member of the City of Praise Family Ministries in Landover, MD, and has become more active in the Young Adults Ministry there. He is committed to bringing that same spirit of community to his work on the Council. We are excited to welcome Councilmember Donovan K. Bilbro to the Seat Pleasant City Council. We look forward to working together to create a brighter future for our community!

Mayor's Beautification Day

On May 6th, the Mayor's beautification event took place, and it was a great success! The event would not have been possible without the hard work and dedication of our volunteers, who made a positive impact on our environment and community. Together, we made Seat Pleasant an even more beautiful place to live.

We want to extend a huge thank you to the Department of Public Works for their support during the event. The volunteers who came out to help were also essential in making this event successful. The tour of City Hall was one of the event's highlights, and it was given by the mayor himself. Mayor Porter expressed his gratitude to the volunteers, and it was heartwarming to see everyone work together to make Seat Pleasant a better place.

Following the tour, a well-deserved lunch was provided, and an award ceremony was held to recognize the volunteers' hard work. Mayor Porter is looking forward to organizing more beautification events to come, and we hope that you will join us in making Seat Pleasant an even better place to live.

Thank you again to everyone who participated in the Mayor's beautification event. Let's continue working together to enhance the beauty of Seat Pleasant and make it a place we can all be proud to call home.

WARD I BUSINESS MEETING

Their presence and guidance were greatly appreciated by all attendees.

In addition to the police department, we were honored to have speakers from the Prince Georges Economic Development Corporation in attendance. They spoke about the many programs and grants for small businesses. the speakers provided valuable information on how to apply and take advantage of this opportunity. Our Economic development department introduced the Facade program, which offers local businesses the opportunity to apply for funding to improve their storefronts and enhance their visibility. This program could be a great resource for many businesses in our community.

CELEBRATING FREEDOM AND UNITY AT THE SEAT PLEASANT'S INAUGURAL JUNETEENTH EVENT

The Vibrant Celebration of Juneteenth with Horse Riding, Face Painting, Music, and More!

The City of Seat Pleasant is pleased to share the success of the Seat Pleasant's Inaugural Juneteenth Cookout event that took place at Goodwin Park on Saturday, June 17th. This event was a wonderful celebration of Juneteenth and brought together people from all walks of life to commemorate this important day in American history.

Made a national holiday in 2022 by President Joe Biden, Juneteenth, it is a holiday that commemorates the emancipation of enslaved African Americans in the United States.

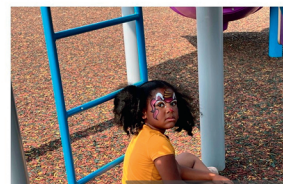

On June 19, 1865, Union soldiers arrived in Galveston, Texas, and announced that the Civil War had ended and that all enslaved individuals were free.

Juneteenth has since become a day to celebrate freedom, unity, and the achievements and contributions of African Americans.

The Juneteenth Inaugural cookout in Seat Pleasant was a vibrant and engaging event. Attendees of all ages enjoyed a wide range of activities, including horse riding, face painting, moon bounces, and live music. The atmosphere was filled with joy, laughter, and a true sense of community.

One of the highlights of the event was a presentation by two young ladies participating in the Pal program. They educated attendees about the history and significance of Juneteenth, highlighting its importance in American history. Their presentation fostered a sense of unity and understanding among the community, encouraging conversations and learning opportunities.

We would like to express our sincerest gratitude to all the citizens who attended the cookout. Your presence and support made the event a resounding success. We received numerous positive feedback and even had a community member reach out to city hall to express their appreciation for hosting such a beautiful and meaningful event.

Smoke alarms save lives

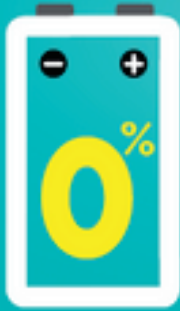

You are 8 times more likely to die in a fire if you do not have a working smoke alarm in your home*

STAY
ENERGY
SAFE

Once a month

Test your smoke alarm batteries. Press and hold the test button until it beeps.

Every year

Missing or dead batteries cause the majority of smoke alarm failures. Replace the battery every 12 months.

Every 6 months

Dust off your smoke alarms. Dust may prevent smoke reaching the internal sensor in the event of a fire – clean alarms reduce the risk of a false alarm.

Every 10 years

Replace your smoke alarm every ten years.

Test your smoke alarms every month and replace the battery at least once a year. If the alarm is "chirping," replace the battery immediately.

Smoke alarms should be in every bedroom and the common areas on each home floor. Mount them at least 10 feet from the stove to reduce false alarms, less than 12 inches from the ceiling, and away from windows, doors, and ducts.

Smoke alarms can be interconnected wirelessly. That means when one sounds, they all sound. A Consumer Product Safety Commission survey found this is the best way to notify everyone in a home if there is a fire. Be sure to purchase smoke alarms with the label of a reputable testing agency.

IMPORTANT ANNOUNCEMENT

Help Preserve Our Community: Speak Up Against Vandalism in Goodwin Park

Dear Community Members,

We hope this message finds you well. We are writing to bring your attention to a recent incident of vandalism that occurred in the bathroom facilities at Goodwin Park. Vandalism not only disrupts the peaceful environment of our beloved park but also forces the city to allocate valuable tax dollars towards repairs, diverting resources that could be better used for enhancing our community.

We strongly encourage all community members to be vigilant and to speak up if they witness any suspicious activities or have any information regarding the recent vandalism. By working together, we can ensure the safety and preservation of Goodwin Park for everyone to enjoy.

The impact is our tax dollars are being spent on repairing damages caused by a few individuals, instead of utilizing them for community improvements. We believe that by actively addressing this issue and promoting a sense of accountability, we can redirect these resources towards initiatives that enhance our city's beauty and benefit all residents.

We kindly request your support in spreading awareness about this issue among your friends, family, and neighbors. If we stand united against vandalism, we can send a clear message that our community will not tolerate such behavior.

Let us work hand in hand to preserve the natural beauty and tranquility of Goodwin Park. Together, we can create a safe and vibrant space for all to enjoy. If you have any information or concerns, please do not hesitate to contact the local authorities.

Thank you for your continued commitment to our community.

USE 911 for EMERGENCIES

In our ongoing efforts to ensure the safety and security of our community, we would like to take a moment to emphasize the importance of contacting 911 for emergencies or if you spot any suspicious activities. By using the 911 emergency line, your call will be documented properly and dispatched to the appropriate authorities in a timely manner. Remember, in case of an emergency or if you witness something that raises concern, calling 911 is the fastest and most effective way to report it. We kindly request that you avoid calling City Hall or any other non-emergency numbers when faced with urgent situations. By using the 911 emergency line, your call will be documented properly and dispatched to the appropriate authorities in a timely manner.

A Century of Joy: Seat Pleasant Resident Bernyce Walls Celebrates ^{****}100th

Birthday with a Special Visit from the Police Department

Seat Pleasant resident Bernyce Walls recently celebrated her 100th birthday in a remarkable way. The Seat Pleasant Police Department, known for their commitment to community engagement, paid her a heartwarming visit on her special day. Led by Chief Devan Martin, officers from the department went to Bernyce's home to personally wish her a happy birthday and show their love and appreciation. This gesture from the police department highlights the strong sense of community and care that exists within Seat Pleasant, and demonstrates the deep connections between residents and the local police force.

Bernyce Walls' 100th birthday is truly a cause for celebration. Her presence in the Seat Pleasant community for a century is a testament to her resilience and the lasting relationships she has built with her neighbors. The visit from the Seat Pleasant Police Department was a touching experience for Bernyce, as it is not often that one receives a personal visit from their local police force, especially on such a momentous occasion. This act of kindness not only brought joy to Bernyce but also strengthened the bond between the community and its police force, showcasing that they are not just an authority figure, but a caring and compassionate part of the community they serve.
