City of Seat Pleasant Newsletter

This year's summer weather has brought our City numerous thunderstorms. The two biggest threats associated with most thunderstorms are lightning and flash floods. With high winds and a vast amount of rain, multiple trees have been reported down in our area and have caused an inconvenience to many residents. One down tree on Seat Pleasant Drive caused a huge disruption to residents and drivers to include Metro buses. The down tree fell across both lanes of Seat Pleasant Drive prohibiting vehicles from driving through. We appreciate the assistance of Mayor Eugene. W. Grant, City staff from Public Engagement, Public Works, the Police Department, and a few residents who came to the rescue to remove this obstacle. Everyone came together to remove the large tree and debris to clear the road. This collective effort was completed in a matter of a few hours and it's what some would call being a part of a citizen centric government.

September 6th all City offices will be closed in observance of Labor Day (except public safety agencies).

Waste Management services are also suspended on Monday, September 6th and will resume normal services the rest of the week.

Is Sponsoring the 22nd Annual 'HEAT'S ON – WATER'S OFF' PROJECT October 2021

The 'Heat's On Water's Off' is a project that provides for volunteer plumbers and HVAC mechanics to complete a safety check to the heating and plumbing systems in homes of senior citizens. This free routine maintenance check is provided to senior homeowners in an effort to ensure that the heating and plumbing equipment is operating efficiently.

This community project involves the joint voluntary efforts of the Prince George's County Aging and Disabilities Services Division and the local Steamfitters Union, Plumbers Union, and local Service Contractors Bureau members.

For additional information or to complete an application contact: Shirley Whitley at 301-265-8485.

E-Sports Tournament/STEM Careers Workshop

The Patriots/NSBE Jr Chapter is planning an E-Sports STEM Career Tournament Club for the school year 2021 to 2022. Students (5th-8th grade) will be able to play in the E-Sport tournament to win prizes and attend workshops that will showcase careers in E-Sports. We are inviting professional players from our local teams to be guest speakers for you to meet from the Washington Football Team, Washington Nationals, Wizards, Mystics, DC United, and the Capitals.

You will attend monthly meetings on the different STEM Careers, Video Design, Game Testers, Shoutcast/Host, Analyst, and Broadcast, Computer Programmers, Animation, and Music. We ask that you bring your A-game to the E-Sports STEM Carnival to play in the tournament, test games, and meet game developers.
