

**COUNCIL OF THE CITY OF SEAT PLEASANT, MARYLAND**

**RESOLUTION NO. 11-01**

**Introduced By**                      **City Council**

**Date Introduced**                    **July 6, 2010**

**Amendments Adopted**            **July 6, 2010**

**Date Adopted**                      **July 6, 2010**

**Date Effective**                    **July 6, 2010**

**A RESOLUTION concerning**

**Waiver of Competitive Bidding – Solar Panels under the Energy Efficiency Conservation Block Grant (EECBG)**

**FOR** the purpose of exempting from the City’s competitive bidding requirements the purchase and installation of certain Solar Panels from Standard Solar, Inc., for installation on the Seat Pleasant City Hall roof in accordance with the City’s Solar Energy Recovery Plan.

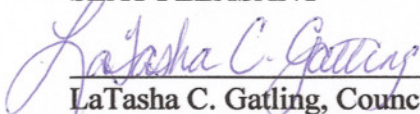

**EXPLANATORY STATEMENT:** The City of Seat Pleasant has been given the opportunity to participate in the Prince George’s County Energy Efficiency and Conservation Block Grant through the U.S. Department of Energy. The County has selected Standard Solar, Inc., as the only vendor to supply and install Solar Panels in connection with this grant program. The purpose of this Resolution is to exempt this acquisition from the competitive bidding requirements of Chapter 39 of the Code of the City of Seat Pleasant. Now, therefore,

**SECTION I. BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SEAT PLEASANT,** that, in accordance with Section 39-3.A. of the Code of The City of Seat Pleasant, the City Council finds that the delays that now would be occasioned by proceeding with a formal competitive bid process as outlined in Chapter 39 of the City Code for the acquisition and installation of Solar Panels on the City Hall roof through funding received from the Prince George’s County Energy Efficiency and Conservation Block Grant will delay the project timeline in accordance with the approved Memorandum of Understanding (MOU) by and between the City of Seat Pleasant and Prince George’s County. The City Council further finds pursuant to Section 39-3.B. of the Code of The City of Seat Pleasant that Standard Solar, Inc., is the only vendor authorized to supply and install the Solar Panels pursuant to the Energy Efficiency and Conservation Block Grant. Therefore, the City Council, acting by the affirmative vote of at least a majority of the whole Council, exempts the acquisition of this purchase from the City’s competitive bidding requirements and authorizes the City to consummate such transaction, subject to and to the extent of the availability of funds in the City’s budget for such purpose.

ATTEST:

  
Dashaun N. Lanham, City Clerk

COUNCIL OF THE CITY OF SEAT PLEASANT

  
LaTasha C. Gatling, Council President
